## **Evaluating Social Work Effectiveness:**

*Evaluating Social Work Effectiveness* Cheetham, Juliet, Fuller, Roger, McIvor, Gill, 1992-10-01 Social work has an impact on large numbers of citizens through its services for children and families elderly people those with mental or physical health problems and offenders It also provokes much criticism its effectiveness is questioned and there are increasing demands for this to be demonstrated This text discusses how this task may be tackled and explores possibilities for evaluative research in contexts which are often not considered feasible for such enquiry Paying particular attention to the diverse and complex functions of social work the book reviews the implications for choosing and adapting research methodologies emphasizes the importance of identifying the process of social work as well as its outcomes and distinguishes between the identification of effectiveness and its evaluation It also describes the various means of dissemination which are necessary if research is to influence policy and practice The book which gives many examples of research in action draws on evaluative research in Britain and the US and also on the experience of the Social Work Research Centre It has been written for researchers managers practitioners and students with responsibilities to undertake or to understand the systematic evaluation of social work

**Evaluating Social Work Effectiveness** Juliet Cheetham, 1997 *Family Support and Family Centre Services* Andrew Pithouse, Sarah Lindsell, Monit Cheung, 2018-08-10 Published in 1998 the aim of this book is to identify and explore key themes and issues around the realm of welfare practice in child and family social work that is family centre services and related community based types of provision The text addresses the impact and effectiveness of family centres in supporting children families and communities Emphasis is placed on community based supportive preventive family services and those that provide a closed access and therapeutic service aimed at families referred by social workers where children are at risk of abuse Throughout the focus is on best practice exemplified by research findings of family centre impacts and outcomes in the UK the USA and Hong Kong

*Evaluation of Social Work Services in Community Health and Medical Care Programs*, 1973 **Evaluation and Social Work Practice** Ian Shaw, Joyce Lishman, 1999-05-28 Evaluation and Social Work Practice offers a comprehensive treatment of the central issues confronting evaluation in social work that links theory and method to practical applications Evaluation is an integral part of social work and social care provision for both practice and service delivery Evaluation can improve effectiveness and increase accountability and help develop new models of practice and service delivery The authors argue that evaluation should not just be applied to practice but should be a direct dimension of practice Appealing to the student researcher and practitioner Evaluation and Social Work Practice will become the standard reference source on evaluation

**The Routledge Handbook of Social Work Practice Research** Lynette Joubert, Martin Webber, 2020-04-13 The Routledge Handbook of Social Work Practice Research is the first international handbook to focus on practice research for social work Bringing together leading scholars in the field from Europe the USA and the Asia Pacific region it provides an up to the minute overview of the latest thinking in practice research whilst also providing practical

advice on how to undertake practice research in the field It is divided into five sections State of the art Methodologies Pedagogies Applications Expanding the frontiers The range of topics discussed will enhance student development as well as increase the capacity of practitioners to conduct research develop coordinating and leadership roles and liaise with multiple stakeholders who will strengthen the context base for practice research As such this handbook will be essential reading for all social work students practitioners and academics as well as those working in other health and social care settings

Effective Social Work with Children, Young People and Families Steven Walker, 2012-08-16 With case studies interactive activities summaries and guidance throughout this book looks at the changing context of children and young people's services heralded by the structural organizational and funding changes put forward in Eileen Munro's Review of Child Protection It is strongly grounded in research and theory and gives specific consideration to how systems theory can help practitioners in understanding families It highlights the need for every social work practitioner to develop the capacity to undertake unified assessments and interventions in a wide variety of settings with individuals families and groups where there are child protection and safeguarding concerns

**Research for Social Workers** Margaret Alston, Wendy Bowles, 2003 An introduction to research methods specifically needed in social work and social welfare this text outlines the major stages of research projects covering both quantitative and qualitative methods

**Social Work for the Elderly Poverty-Alleviation** Huaijuan Zhao, 2024-11-27 This book focuses on how to provide social work services for elderly people living in poverty Divided into eight chapters the book first outlines the scale characteristics and causes of poverty among elderly people and discusses the significance of social work in poverty alleviation for the elderly The book then concentrates on different types of elderly people such as those in economic and ecological poverty and those suffering from poverty caused by illness disability and lack of ability analyzing the content and service modes and providing case studies Finally the book discusses ways and strategies for social work participation in poverty alleviation for the elderly in the post poverty alleviation era This book combines theory with practice and is a useful reference for government departments universities as well as social organizations related to social work

*Social Work Research and Evaluation Skills* Frederic G. Reamer, 1998 Reamer demonstrates how case workers program directors and administrators evaluate the effectiveness of interventions conduct needs assessments draw on empirically based literature and findings to inform their practice and finally create and disseminate information for use by other professionals

Social Work and Social Development James Midgley, Amy Conley, 2010-05-19 Social workers have been involved in social development for many years but it is only recently that these ideas have been explicitly applied to social work practice The result is that a new and distinctive approach to social work practice known as developmental social work has emerged Developmental social work emphasizes the role of social investment in professional practice These investments meet the material needs of social work's clients and facilitate their full integration into the social and economic life of the community Developmental social workers believe that client strengths and

capabilities need to be augmented with public resources and services if those served by the profession are to live productive and fulfilling lives. Although developmental social work is inspired by international innovations particularly in the developing countries, it is highly relevant to practice in the United States and other Western nations. In the first book to lay out a clear framework for developmental social work practice, chapters will focus on the traditional fields of social work practice showing how social investment strategies can be adopted by social workers in their daily practice with populations including families and children, people with mental illness, homeless youth, people with disabilities, the elderly, and those in the correctional system. By facilitating clients' full social and economic participation through a variety of strategies such as microenterprise or asset building programs, practitioners can help bring about meaningful changes in clients' lives and throughout their communities. The editors and contributors offer a highly original exposition of developmental social work theory and practice, providing a definitive guide to an emerging and exciting new approach to practice.

**Experiences in Evaluating Human Services** Project Share, 1977      *The SAGE Handbook of Social Work Research* Ian Shaw, Katharine Briar-Lawson, Joan Orme, Roy Ruckdeschel, 2009-11-27 This is an ambitious book. It aims at nothing less than a comprehensive account of the state of the art of social work research internationally and an intellectually original statement that will help to define and shape social work research. Those with a serious interest in social work research will agree that this is a major undertaking and one that should put social work research on the map. Ian Sinclair, University of York, UK. This terrific Handbook provides an essential map for navigating the complex currents of social work research today. It resists polemical and simplistic binaries to chart a course that emphasizes diversity, pluralism, and sensitivity to political contexts in many featured exemplars. As key chapters note, inherent tensions at the heart of social work itself are mirrored in current debates about the purposes and methods of social work research. Rather than patch over differences, the volume invites us to understand historical roots of unresolvable tensions and live with them. The international scope of the volume is unique: scholars from more than a dozen different countries were involved, and its broad scope counters the tendency toward parochialism of much North American literature. The Handbook should be essential reading for students and academics. Catherine Riessman, Boston University, USA. The SAGE Handbook of Social Work Research provides a comprehensive internationally focused account of leading social work research, offering an original and defining statement on contemporary theory and practice within the field. The groundbreaking Handbook engages critically with the nature and role of social work research and evaluation in contemporary societies around the globe and asks four key questions: What is the role and purpose of social work research? What contexts shape the practice and purpose of social work research? How can we maximise the quality of the practice of social work research? How can the aims of social work in its varied domains be met through social work research? Ranging over local, national, and international issues and exploring questions of theory and practice, this is a diverse and constructively organized overview of the field. It will quickly be recognized as a benchmark in the expanding field of social work research.

setting the agenda for future work in the arena      **Social Services Administration in Hong Kong** Kam Tong Chan,Diana Mak,2003 This work collates a number of case studies by former students on the Master of Arts social work programme whose stream of study was social services administration Many of these studies involved the action learning projects conducted by them Academic colleagues and experienced administrators in the welfare and health sector also contribute their insights and experience regarding the major theoretical and conceptual issues in social services administration

Communication and Interpersonal Skills in Social Work Juliet Koprowska,2010-06-25 Good communication skills are at the heart of effective social work practice This Third Edition enables students to develop a flexible and responsive approach to communicating with the most vulnerable people in society Building on the success of the previous book Juliet Koprowska looks in detail at all approaches to communication paying particular attention to young people adults and families The emphasis of this book is not on any particular right way to communicate but more the ability of the student to be pro active and aware in different situations      **Research Methods for Social Work** Antoinette Y. Farmer,G. Lawrence

Farmer,2020-01-08 Research Methods for Social Work A Problem Based Approach is a comprehensive introduction to methods instruction that engages students innovatively and interactively Using a problem based learning PBL approach authors Antoinette Y Farmer and G Lawrence Farmer utilize case examples to achieve a level of application which builds readers confidence in methodology and reinforces their understanding of research across all levels of social work practice These case examples along with critical thinking questions research tips and step by step problem solving methods will improve student mastery and help them see why research is relevant With the guidance of this new and noteworthy textbook readers will transform into both knowledgeable consumers of research and skilled practitioners who can effectively address the needs of their clients through research Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides      **Compendium of HHS Evaluation Studies** HHS Evaluation Documentation Center (U.S.),1984

social workers and those seeking to deepen their understanding of the profession will find this book invaluable. It offers a comprehensive overview of the knowledge, skills, and values essential for effective social work practice, emphasizing the importance of cultural competence, ethical decision making, and evidence-based practice. The book also explores the future of social work, examining emerging trends and challenges in the field. It highlights the role of social workers in addressing global issues, advocating for social justice, and promoting human rights. Readers will gain a deeper appreciation for the enduring legacy of social work and its commitment to creating a more just and equitable society. Written with passion and expertise, this book is a must-read for anyone interested in making a positive difference in the world. It is an inspiring call to action for individuals who are committed to social change and empowering others to reach their full potential. Join us on this transformative journey as we delve into the heart of social work and its unwavering dedication to improving the lives of individuals, families, and communities. Discover the boundless opportunities for personal and professional growth that await you in this dynamic and rewarding profession. If you like this book, write a review on Google Books.

**Effective Ways of Working with Children and their Families** Malcolm Hill, 1999-03-01. *Effective Ways of Working with Children and their Families* examines the latest evidence about the most successful forms of intervention when working with children and their families. The book covers a wide range of approaches and services, with particular emphasis on those methods seeking to help children with identified problems.

*Evaluation Research* Alan Clarke, Ruth Dawson, 1999-12-07. Providing students and practitioners with a comprehensive introduction to evaluation research, this book shows how social research methods and methodologies can be applied in a variety of evaluation contexts. The author illustrates the contribution both quantitative and qualitative methods can make to evaluation, stresses the important part played by theory in the evaluation enterprise, and introduces some of the conceptual, methodological, and practical problems encountered when undertaking this type of applied research, especially in the areas of criminal justice, health care, and education.

### **Evaluating Social Work Effectiveness Introduction**

In today's digital age, the availability of Evaluating Social Work Effectiveness books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Evaluating Social Work Effectiveness books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Evaluating Social Work Effectiveness books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Evaluating Social Work Effectiveness versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Evaluating Social Work Effectiveness books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Evaluating Social Work Effectiveness books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Evaluating Social Work Effectiveness books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Evaluating Social Work Effectiveness books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Evaluating Social Work Effectiveness books and manuals for download and embark on your journey of knowledge?

### **FAQs About Evaluating Social Work Effectiveness Books**

1. Where can I buy Evaluating Social Work Effectiveness books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Evaluating Social Work Effectiveness book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Evaluating Social Work Effectiveness books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Evaluating Social Work Effectiveness audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
