com The new edition of Campbell Walsh Urology is the must have reference for practitioners and residents *Pelvic Floor Dysfunction* G. Willy Davila, Gamal M. Ghoniem, Steven D. Wexner, 2008-12-23 All the characteristics and driving force of The Cleveland Clinic are to be found in this book on pelvic floor function The Cleveland Clinic is a group practice founded in 1921 on the principles of cooperation collaboration and collegiality Its founders believed that many physicians working together will discover better solutions to medical problems than physicians working in isolation They believed that the combination of disciplines with their inherent differences in philosophy and skills will produce a better outcome than might have evolved singularly The power of the collaborative approach is on full display in this book The pelvic floor unites three separate organ systems Before this time each has been approached individually Urologists gynecologists and colorectal surgeons are each trained in their own disciplines and the pelvic floor is subsumed in these larger fields of study When they combine their focus on the pelvic floor they bring their unique perspectives and different approaches to a common goal the relief of pelvic floor syndromes such as incontinence and pelvic organ prolapse **Biomedical Index to PHS-supported Research: pt. A. Subject access A-H**, 1992 Reichel's Care of the Elderly Jan Busby-Whitehead, 2016-06-23 A clinical guide for all health specialists needing practical relevant and comprehensive information on managing the elderly patient
