Jillions, 2020-01-24 In recent years religiously inspired individuals have perpetrated numerous acts of violence while millions of other faithful live quiet and kindly lives Both see their actions as guided by the divine In order to address this puzzle John A Jillions turns to the first century world of Corinth where Jews Gentiles and early Christians intermixed and vigorously debated issues of divine guidance delusion and decision making This book draws on these ancient insights to offer an outline for the twenty first century and suggest criteria for assessing guidance perceived as divine
