Ronald H. Isaacs

Every Persons Guide To Death And Dying In The Jewish Tradition:

Every Person's Guide to Death and Dying in the Jewish Tradition Ronald H. Isaacs, 1999 To find more information on Rowman Littlefield titles please visit www.rlpbooks.com Death and Dying John F. Szabo, 2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in scope or leaned heavily toward one area of the field In Death and Dying An Annotated Bibliography of the Thanatological Literature John F Szabo provides more than 2 200 citations of monographs on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill **Amazing Jewish Facts and Curiosities** Ronald H. Isaacs, 2004 This book presents an array of strange facts and curiosities about Jewish customs and rituals In the great body of Jewish literature there are a plethora of fascinating but relatively unknown strange and unusual statements curiosities oddities and other bits of information that have accumulated over the centuries This book gathers these curiosities and presents them thematically for the reader's pleasure **The Alef-Bet of Death Dying as a Jew: A Guide for the Dying out of Jewish Traditional Sources** Rabbi Ariel Stone, 2019-03-05 Dying is not a moment at the end of life but instead a path lined with opportunities to reflect explore and contemplate In an insightful guidebook on the meaning of death Rabbi Ariel Stone shares spiritual commentary Jewish stories and other writings that provide information and inspiration about the process of death as seen through the prism of Jewish learning and culture Through stories of those who have gone before us and a step by step process that addresses the spiritual significance of death Stone offers ways to think feel and wonder about death while inviting the dying to overcome fears and view the end of earthly life as an opportunity to repent reflect on the influence we have upon others and find peace as our light merges with the eternal light The Alef Bet of Death Dying as a Jew is a valuable guide that teaches the meaning of death in the Jewish tradition while offering clarity light and comfort to those walking the often vague and dark path to dying *Troubling Topics, Sacred Texts* Roberta Sterman Sabbath, 2021-10-04 Abrahamic scriptures serve as cultural pharmakon prescribing what can act as both poison and remedy This collection shows

that their sometimes veiled but eternally powerful polemics can both destroy and build exclude and include and serve as the ultimate justification for cruelty or compassion Here scholars not only excavate these works for their formative and continuing cultural impact on communities identities and belief systems they select some of the most troubling topics that global communities continue to navigate Their analysis of both texts and their reception help explain how these texts promote norms and build collective identities Rejecting the notion of the sacred realm as separate from the mundane realm and beyond critical challenge this collection argues both implicitly and sometimes transparently for the presence of the sacred within everyday life and open to challenge The very rituals prayers and traditions that are deemed sacred interweave into our cultural systems in infinite ways Together these authors explore the dynamic nature of everyday life and the often brutal power of these texts over everyday meaning

Using Guided Imagery and Hypnosis in Brief Therapy and Palliative Care Rubin Battino,2020-11-16 Using Guided Imagery and Hypnosis in Brief Therapy and Palliative Care presents a model for effective single session therapy Chapters include more than a dozen case studies with transcripts and commentary Readers will learn how to use an adapted model of Remen s healing circle for preparing patients for surgery and guided imagery and other approaches are presented for enhancing palliative care Extensive appendixes provide a wide variety of valuable tools that psychotherapists can use with clients concerned with end of life issues

Death and Spirituality Kenneth Doka,John Morgan,2016-12-05 An elderly Chinese immigrant hospitalized

with terminal disease requests to burn incense A 30 year old Roman Catholic gay male dying of AIDS is consumed by deepening moral guilt troubled by beliefs he thought he abandoned years ago A mother whose teenage son died of an aneurism is angry at God over his death yet fearful of expressing that anger lest He punish her again A young widower seemingly has difficulty expressing grief believing it to be a sign of weak faith All of these examples illustrate the kinds of issues that clinicians and counselors constantly encounter For although North American society has long been characterized as secular this does not deny the potency of spiritual concerns and religious values on the individual level Polls affirm that vast majorities of North Americans both believe in God and consider religion important in their lives This is clearly evident when one faces the crisis of dying or bereavement For one of the strengths of belief is that it provides support and succor at a time when secular explanations are largely silent For these reasons educators and clinicians have long recognized the significance that religious and spiritual themes have in counseling with the dying and bereaved Yet in cultures as religiously diverse as the U S and Canada caregivers and educators may feel inadequate to the task Death and Spirituality addresses this need Specifically it seeks to reach two perhaps overlapping audiences First it considers the needs death related counselors and educators seeking to provide them with both a sense of the norm of religious tradition and the religious and spiritual issues that might arise in illness and bereavement as well as suitable interventions approaches and resources that might be useful in assisting clients in examining and resolving such issues The book also speaks to the complementary needs of clergy who also may wish to assist parishioners and others as they face the spiritual and psychological crisis of dying and grief

Legends of Biblical Heroes Ronald H. Isaacs, 2002 In *Legends of Biblical Heroes* Ronald H Isaacs presents synopses of the lives of many major figures in the Bible Included with each synopsis are short legendary passages related to his or her life and several biblical legends that continue to speak to us across the generations Figures presented in this volume include Adam and Eve Cain and Abel Noah Abraham Sarah Isaac Rebekah Jacob Rachel Leah Joseph Moses Aaron Deborah Esther Ruth David and Solomon

Every Person's Guide to Shabbat Ronald H. Isaacs, 1998 The Sabbath is the only holiday included in the Ten Commandments and the observance of it has given the Jewish people an opportunity to rest their minds and bodies The Sabbath is primarily a home oriented occasion although there are several prayer services that take place in the Synagogue both Friday evening and Saturday morning afternoon and evening There are also a variety of home rituals which are intended to unify the family and add an aura of sanctity to the home This volume is a user friendly guide to the Sabbath Topics include the origin of the Sabbath from biblical times through Temple times synagogue and home observance including detailed how to Shabbat guidelines a series of games and activities suitable to be played on Shabbat the Jewish definition of work on the Sabbath the laws and customs of the Sabbath and their rationale Shabbat zemirot table songs with illustrations the liturgy of the Sabbath service and commentary on the various specialized prayers for the Sabbath Sabbath legends notable quotations related to the Sabbath the Sabbath in short story and a glossary of terms and books for further
