Genius And Lust The Creative Sexual Lives:

Gay L.A. Lillian Faderman, Stuart Timmons, 2009-08-03 Charts LA's gay history from the first missionary encounters with Native American cross gendered two spirits to cross dressing frontier women in search of their fortunes and from the 1960s gay liberation movement to the creation of gay marketing in the 1990s

Deeply Superficial Michael Menzie, Michael Menzies has led the picaresque life many of us only dream of and he sets it down with such wit and grace it's hard to know which to envy more his wealth of once in a lifetime experiences or his skill with a pen Christopher Lloyd Emmy Award winning executive producer writer of *Modern Family* and *Frasier* In this dazzling memoir that also serves as a dual biography of stage and film legends Noël Coward and Marlene Dietrich film and music executive Michael Menzies chronicles in hilarious detail his life long obsession with the theater in general and these two international superstars in particular At age twelve Menzies discovered the autobiography of actor writer composer Noël Coward and was consumed by it Although still only a youth Menzies identified hugely with Coward so much so that he came to believe that he must be the star's love child But with whom In a burst of inspiration Menzies worked out that his mother could only be Marlene Dietrich The author then decides that as soon as he can he will voyage around the world to confront Coward and Dietrich in person and announce himself as their son Yet even after he finally abandons his plan Menzies continues his search for them and their pasts spending the rest of his life following in their footsteps traveling to London Paris New York Berlin Switzerland and Jamaica *Deeply Superficial* is at once a warm and witty homage to these two legends and the lasting impact their spectacular careers left on the world and on a twelve year old dreaming of fame in a faraway place Michael Menzies has lived all over the world and has worked with rock n roll promoter Bill Graham impresario Sol Hurok choreographer Agnes de Mille Broadway producer Saint Subber and in film with the de Laurentiis family He lives in Los Angeles

Women and Gay Men in the Postwar Period John Portmann, 2016-07-14 Friendships between women and gay men captivated the American media in the opening decade of the 21st century John Portmann places this curious phenomenon in its historical context examining the changing social attitudes towards gay men in the postwar period and how their relationships with women have been portrayed in the media As women and gay men both struggled toward social equality in the late 20th century some women understood that defending gay men who were often accused of effeminacy was in their best interest Joining forces carried both political and personal implications Straight women used their influence with men to prevent bullying and combat homophobia Beyond the bureaucratic fray women found themselves in transformed roles with respect to gay men as their mothers sisters daughters caregivers spouses voters employers and best friends In the midst of social hostility to gay men during the AIDS crisis of the 1980s and 1990s a significant number of gay women volunteered to comfort the afflicted and fight reigning sexual values Famous women such as Elizabeth Taylor and Barbra Streisand threw their support behind a detested minority while countless ordinary women did the same across America Portmann celebrates not only women who

made the headlines but also those who did not Looking at the links between the women s liberation and gay rights movements and filled with concrete examples of personal and political relationships between straight women and gay men Women and Gay Men in the Postwar Period is an engaging and accessible study which will be of interest to students and scholars of 20th and 21st century social and gender history

Stages of Struggle John Louis DiGaetani,2015-01-27 One way or another all playwrights use their work to explore the issues that interest them The characters in a play may trumpet their creator s political views from the stage or an unusual structure or set design may result from the playwright s interest in theatrical form It is also common particularly in the plays of the 20th and 21st century to see a playwright delving into psychological issues raised by his own mental struggles or those of people he loves Luigi Pirandello tormented by the schizophrenia of his wife and other family members repeatedly explored the problems caused by different visions of reality Noel Coward s self obsessed characters reflect his own narcissism Alcoholism is a recurrent theme in the works of many playwrights including Eugene O Neill Edward Albee and Brian Friel Through their exploration of these issues and more the great writers of the theater have turned suffering into art This book looks at the work of 20 playwrights to see how their examination of the disturbed mind has influenced the modern theater
