*Small-Town Dreams* John E. Miller, 2014-03-28 We live these days in a virtual nation of cities and celebrities dreaming a small town America rendered ever stranger by purveyors of nostalgia and dark visionaries from Sherwood Anderson to David Lynch And yet it is the small town that world of local character and neighborhood lore that dreamed the America we know today and the small town boy like those whose stories this book tells who made it real In these life stories beginning in 1890 with frontier historian Frederick Jackson Turner and moving up to the present with global shopkeeper Sam Walton a history of middle America unfolds as entrepreneurs and teachers like Henry Ford George Washington Carver and Walt Disney artists and entertainers like Thomas Hart Benton Grant Wood Carl Sandburg and Johnny Carson political figures like William McKinley William Jennings Bryan and Ronald Reagan and athletes like Bob Feller and John Wooden by turns engender and illustrate the extraordinary cultural shifts that have transformed the Midwest and through the Midwest the nation and the world Many of these men are familiar icons even Ford and Reagan certainly Ernie Pyle Sinclair Lewis James Dean and Lawrence Welk and others like artists Oscar Micheaux and John Steuart Curry economist Alvin Hansen and composer Meredith Willson less so But in their stories as John E Miller tells them all appear in a new light unique in their backgrounds and accomplishments united only in the way their lives reveal the persisting shaping power of place and particularly the Midwest on the cultural imagination and national consciousness In a thoroughly engaging style Miller introduces us to the small town Midwestern boys who became these all American characters privileging us with insights that pierce the public images of politicians and businessmen thinkers and entertainers alike From the smell of the farm the sounds and silences of hamlets and county seats the schoolyard athletics and classroom instruction and theatrical performance we follow these men to their moments of inspiration innovation and fame observing the workings of the small town past in their very different relationships with the larger world Their stories reveal in an intimate way how profoundly childhood experiences shape personal identity and how deeply place figures in the mapping of thought belief ambition and life s course Libertarian

Is Hard Work: The Art and Heart of Corita Kent Dan Paley,2024-11-05 The story of how a Catholic nun became one of the

twentieth century's most significant artists and activists is brought to life in a colorful picture book biography *To be fully alive is to work for the common good*. Corita Kent Frances Kent always loved making things. When she joined the Sisters of the Immaculate Heart of Mary she took the name Corita meaning little heart and devoted her life to what mattered most to her art and religion. As an art teacher Sister Corita emphasized practice and process over the final product and taught her students to experiment and break the rules. As a religious person she turned her faith into concrete action and spoke out about the injustices she saw in the world. In the height of post war consumerist culture Corita a contemporary of Andy Warhol turned advertising on its head and wrote a new kind of scripture. Complimented by Victoria Tentler Krylov's vibrant illustrations that like Corita's work incorporate typography and ads author Dan Paley paints a portrait of the little known but immensely influential pop art nun whose messages are just as relevant today as they were in years past. Mr. Ambassador Edward J. Perkins, Connie Cronley, 2012-12-13

Apartheid South Africa was on fire around me. So begins the memoir of Career Foreign Service Officer Edward J. Perkins the first black United States ambassador to South Africa. In 1986 President Ronald Reagan gave him the unparalleled assignment dismantle apartheid without violence. As he fulfilled that assignment Perkins was scourged by the American press despised by the Afrikaner government hissed at by white South African citizens and initially boycotted by black South African revolutionaries including Archbishop Desmond Tutu. His advice to President elect George H. W. Bush helped modify American policy and hasten the release of Nelson Mandela and others from prison. Perkins's up by your bootstraps life took him from a cotton farm in segregated Louisiana to the white elite Foreign Service where he became the first black officer to ascend to the top position of director general. This is the story of how one man turned the page of history.
