Geography Of Perversion Male To Male Sexual Behavior Outside The West And The Ethnographic Imagination 1750 1918:

The Geography of Perversion Rudi Bleys, 1996-07 Exploring the Western conceptualizations of non western patterns of same sex desire and the evolution of European attitudes to homosexuality this research particularly examines how the construction of sodomite identity was intertwined with essentialist definitions of so called racial identity **Demon of Colonial Power** Greg Thomas, 2007 Interrogates the language of body politics in the context of neo colonialist A Desired Past Leila J. Ruppe, 2024-05-31 With this book Leila J Rupp accomplishes what few scholars have even attempted she combines a vast array of scholarship on supposedly discrete episodes in American history into an entertaining and entirely readable story of same sex desire across the country and the centuries Most extraordinary about Leila J Rupp's indeed short two hundred page history of same sex love and sexuality is not that it manages to account for such a variety of individuals races and classes or take in such a broad chronological and thematic range but rather that it does all this with such verve lucidity and analytical rigor A n elegant inspiring survey John Howard Journal of American Masked Voices Craig M. Loftin, 2012-04-02 Finalist for the 2013 Over the Rainbow Selection presented by the Gay Lesbian Bisexual and Transgendered Round Table GLBTRT of the American Library Association In this compelling social history Craig M Loftin describes how gay people in the United States experienced the 1950s and early 1960s a time when rapidly growing gay and lesbian subcultures suffered widespread discrimination. The book is based on a remarkable and unique historical source letters written to ONE magazine the first openly gay publication in the United States These letters most of which have never before been published provide extraordinary insight into the experiences thoughts and feelings of gay men and lesbians nationwide especially as they coped with the anxieties of the McCarthy era The letters reveal how gay people dealt with issues highly relevant to LGBT life today including job discrimination police harassment marriage homophobia in families and persecution in churches and the military Loftin shows that gay men and lesbians responded to intolerance and bigotry with resilience creativity and an invigorated belief in their right to live their lives as gay men and lesbians long before this was accepted and considered safe Groundbreaking chapters address gay marriage and family life international gay activism and how antigay federal government policies reverberated throughout the country Oueer **Religion** Donald Boisvert, Jay E. Johnson, 2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture Queer Religion provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume collection of eclectic essays investigates the experiences of gueer people and religion

providing a broad unique and invaluable analysis of this important cultural and theological encounter As a group the contributors offer brave insights and diverse perspectives on a variety of topics dealing with religion same sex desire and gender expression Some of these essays are explicitly historical in focus or scholarly articles while others provide autobiographical viewpoints and personal reminiscences This book provides a comprehensive look at the queer dimensions of religious practice and belief essential reading for religious scholars those within the LGBT community and anyone interested in human spirituality and sexuality At Stake Edward Ingebretsen,2001-11-14 At Stake is an analysis of popular culture a critique of a secularized religious discourse as well as a plea for cleaning up the ethics of public speech Edward J Ingebretsen explores the social construction of monstrousness in public discourse examining the uses of transgression and deviancy in tabloids mainstream press television magazines sermons speeches and popular fiction BOOK JACKET An American Obsession Jennifer Terry,1999-12-15 Jennifer Terry has written a nuanced and textured history of how the century old obsession with homosexuality is deeply tied to changing American anxieties about social and sexual order in the modern age
