*International Handbook of Behavior Modification and Therapy* Alan S. Bellack, Michel Hersen, Alan E. Kazdin, 2012-12-06 It is particularly gratifying to prepare a second edition of a book because there is the necessary implication that the first edition was well received Moreover now an opportunity is provided to correct the problems or limitations that existed in the first edition as well as to address recent developments in the field Thus we are grateful to our friends colleagues and students as well as to the reviewers who have expressed their approval of the first edition and who have given us valuable input on how the revision
