### **The Love of a Good Woman**

Alice Munro, 2011-06-22 In eight stories a master of the form extends and magnifies her great themes the vagaries of love the passion that leads down unexpected paths the chaos hovering just under the surface of things and the strange often comical desires of the human heart Time stretches out in some of the stories a man and a woman look back forty years to the summer they met the summer as it turns out that the true nature of their lives was revealed In others time is telescoped a young girl finds in the course of an evening that the mother she adores and whose fluttery sexuality she hopes to emulate will not sustain her she must count on herself Some choices are made in a will in a decision to leave home with irrevocable and surprising consequences At other times disaster is courted or barely skirted when a mother has a startling dream about her baby when a woman driving her grandchildren to visit the lakeside haunts of her youth starts a game that could have dangerous consequences The rich layering that gives Alice Munro s work so strong a sense of life is particularly apparent in the title story in which the death of a local optometrist brings an entire town into focus from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know Large moving profound these are stories that extend the limits of fiction

Brian Busby, 2010-11-05 Ever wondered where novelists get the inspiration for their characters Why the hero or villain of your favourite book seems oddly familiar Who inspired Mordecai Richler to create Bernard Gursky Margaret Atwood to create Zenia in The Robber Bride In which novel does Northrop Frye appear as a character named Morton Hyland The answers can be found in Character Parts Brian Busby s irreverent yet authoritative guide to who s really who in Canadian literature The most original and entertaining reference book to be published in years Character Parts is the behind the scenes look at CanLit we have all been waiting for Brian Busby settles the suspicions that arise when a fictional character reminds you of a real life one listing the sources for characters from the whole of Canadian literature His canvas stretches from the settlers who inspired 1852 s Roughing It in the Bush to Glenn Gould s appearance as Nathaniel Orlando Gow in Tim Wynne Jones The

Maestro and beyond But Character Parts is also chock full of fascinating less famous people who have been immortalized in Canadian books seductive Alberta politicians British army generals anarchists models aristocrats and of course parents siblings and ex spouses Authoritative but presented with a light touch Character Parts is as at home in a university library as on a bathroom shelf It s that rare find an exemplary reference book that is also an absolutely entertaining read in its own right
