Gorgeous for God is the story of my own spiritual awakening based on A Course in Miracles It is very ordinary story Things happened slowly for methere were no bells or whistles No going into the light I didnt have a near death experience Instead one by one things that were no longer serving me dissolved and fell awayalcoholism cigarette smoking fear conflict doubt I found that as time went on the ego identity that I had built up over the years started to crumble slowly very slowly at times painfully slow and I found myself having almost no interest in the things I used be interested in For me enlightenment was when I stopped seeking for ways to improve myself It was when I recognized that my old way of being was not working I realized the necessity to see myself differently as loved loving and lovable and not try to come up with a new improved identity
