27 MUSEUM OF LONDON, DOCKLANDS

Empire, trade and Victorian

This is a properly good local museum – one that is by, about and for Londoners. The exterior – ignoring the slick chain restaurants that flank it – gives a sense of the scale from the days when this was the epicentre of a different kind of trading industry, before finance moved in. Set over three floors of a former warehouse where timber and sugar were once unloaded, the museum presents an authentic account of docklands. While an old music hall song as you explore the dark warren of Sailors' Town, a recreated street network of the 19th-century docks complete with facsimiles of pubs and homes, or marvel at the quotable quality of a bottle of beer salvaged from the *Princess Alice* river disaster of 1862.

Geography and Map Division,1985 *American Bookseller* ,1984 **Documents of Lady Jane Grey** ,2004

Annotation Published information on Lady Jane is scant and contradictory here primary sources including Jane s own letters illustrate the drama of a high born high minded and intelligent young lady sacrificed on the pyre of ambition by her kin The teenaged Lady Jane faced her shocking fate with shocking fortitude her own performance is inspirational while some of those around her showed themselves to be the very embodiment of treachery and betrayal This work is the result of a seven year investigation into the story of Lady Jane Among the gems that the author uncovered in his research is a collection of letters that William Lane purchased from an unidentified source while he was at the Minerva Press possibly in 1790 or 1791 Wellrecorded events in history correlate with some of the events indicated in these previously unpublished letters thus tying them to the figures of the time and providing insight into the turbulent Tudor period Another tantalizing item is an intimate letter Lady Jane wrote to Queen Mary in August of 1553 Rarely seen and little studied it is available only in an 1594 Italian translation Each letter or document has been reviewed at its original source level translated from another language or transcribed and presented in that form The author has indicated the primary source for each document and noted supporting sources when available The result is a complete and accurate study of Lady Jane Grey and her short reign through primary and secondary sources that will stimulate new questions in the mind of readers and researchers alike This is the first in a series of books on Elizabethan figures by James D Taylor **Publishers' Weekly** ,1896 **History in Practice 2nd edition** Ludmilla Jordanova,2016-07-28 History in Practice explores the discipline s breadth its complexities and the tasks it takes on This study by one of the liveliest and most acute practitioners in the field demystifies what historians do It looks at history as an academic discipline but also engages with the use of historical ideas in the wider world Historical work has public consequences and draws considerable energy from contemporary preoccupations For this new edition of her respected and widely used book Ludmilla Jordanova has revised the text and added a new chapter that takes into account recent world events She discusses the role of the internet globalisation world history and the current enthusiasm for military history This book is essential reading for all students needing an understanding of history as a discipline **The Times London History Atlas** Hugh D. Clout,1991 **Everybody Else** Sarah Potter,2014-03-15 In the popular imagination the twenty years after World War II are associated with simpler happier more family focused living We think of stereotypical baby boom families like the Cleavers white suburban and well on their way to middle class affluence For these couples and their children a happy stable family life provided an antidote to the anxieties and uncertainties of the emerging nuclear age

But not everyone looked or lived like the Cleavers For those who could not have children or have as many children as they wanted the postwar baby boom proved a source of social stigma and personal pain Further in 1950 roughly one in three Americans made below middle class incomes and over fifteen million lived under Jim Crow segregation For these individuals home life was not an oasis but a challenge intimately connected to the era s many political and social upheavals Everybody Else provides a comparative analysis of diverse postwar families and examines the lives and case records of men and women who applied to adopt or provide pre adoptive foster care in the 1940s and 1950s It considers an array of individuals both black and white middle and working class who found themselves on the margins of a social world that privileged family membership These couples wanted adoptive and foster children in order to achieve a sense of personal mission and meaning as well as a deeper feeling of belonging to their communities But their quest for parenthood also highlighted the many inequities of that era These individuals experiences seeking children reveal that the baby boom family was about much more than togetherness or a quiet house in the suburbs it also shaped people s ideas about the promises and perils of getting ahead in postwar America

George Walter Thornbury,1880 **The Publishers Weekly** ,1896 Base Line ,1985 **Bibliography of Printed Works on London History to 1939** Heather Creaton,Tony Trowles,1994 The history of London is so important in national and indeed international terms it seems extraordinary that this is the first general bibliography of the subject to appear It contains over 22 000 selected references to books and articles on the history of London from the Dark Ages to the beginning of the Second World War The whole of the former GLC area plus the City is covered Arrangement is by subject and there is a substantial analytical index Material for the bibliography was collected from specialist libraries all over London and beyond It is a starting point for any enquiry about London s development over the centuries whether from the academic historian the amateur or the general enquirer A supplement is planned to cover new material on the period
