Education Priorities Practices and Needs reviews and analyzes the current state of K 12 social studies A major purpose of the  
review and analysis was to form a basis for recommendations for future directions that might be taken to improve social  
studies The report contains six sections The first section provides a broad and integrative analysis of the interrelated topics  
of rationales definitions approaches goals and objectives of social studies The second section Curriculum Organization in  
Social Studies describes the typical pattern of social studies programs from kindergarten through grade 12 stating that  
despite numerous variations that have occurred the dominant pattern throughout the nation is one that was established more  
than 60 years ago Social Studies Curriculum Materials the third section of the volume describes the great extent to which  
students teachers administrators and the public accept and rely on curriculum materials as essential aids to teaching  
learning and classroom management Foremost among curriculum materials being used are textbooks The topic of the fourth  
section is Social Studies Teachers There is general agreement that the teacher is the central figure the key or the magic  
ingredient in the learning process The fifth section Instructional Practices in Social Studies presents a detailed report on  
what teachers do The last section Barriers to Change in Social Studies focusing on the fact that the new social studies had  
relatively little impact on the schools explores reasons for lack of change in schools Author RM      *N E A Research Bulletin*
