process you should take the SAT II Math Level IC Subject Test by November or January of your senior year. If your scores are being used only for placement purposes you may be able to take the test in the spring. For more information be sure to contact the colleges to which you are applying.

When and Where is the Test Given? The SAT II Math Level IC Subject Test is administered five times a year at many locations throughout the country, mostly high schools. The test is given in November, December, January, May, and June. To receive information on upcoming administrations of the exam, consult the publication *Taking the SAT II Subject Tests*, which may be obtained from your guidance counselor or by contacting College Board SAT Program, P.O. Box 6200, Princeton, NJ 08541-6200. Phone: 609 771 7600. Website: <http://www.collegeboard.com>.

Is There a Registration Fee? You must pay a registration fee to take the SAT II Math Level IC. Consult the publication *Taking the SAT II Subject Tests* for information on the fee structure. Financial assistance may be granted in certain situations. To find out if you qualify and to register for assistance, contact your academic advisor.

What Kind of Calculator Can I Use? Your calculator should be at the minimum a scientific calculator. It can be programmable or non-programmable. Bear in mind, however, that for perhaps 60 percent of the test items the calculator will afford you no advantage and moreover may actually work against you. No pocket organizers, hand-held minicomputers, paper tape, or noisy calculators may be used. In addition, no calculator requiring an external power source will be allowed. Finally, no sharing of calculators will be permitted; you must bring your own. Make sure you are thoroughly familiar with the operation of your calculator before the test. Your performance on the test could suffer if you spend too much time searching for the correct function on your calculator.

HOW TO USE THIS BOOK

What Do I Study First? Remember that the SAT II Math Level IC Subject Test is designed to test knowledge that has been acquired throughout your education. Therefore, the best way to prepare for the exam is to refresh yourself by thoroughly studying our review material and taking the sample tests provided in this book. They will familiarize you with the types of questions, directions, and format of the SAT II Math Level IC Subject Test. To begin your studies, read over the review and the suggestions for test taking; take one of the practice tests to determine your areas of weakness and then restudy the review material focusing on your specific problem areas. The course review includes the information you need to know when taking the exam. Be sure to take the remaining practice tests to further test yourself and become familiar with the format of the SAT II Math Level IC Subject Test.

When Should I Start Studying? It is never too early to start studying for the SAT II Math Level IC test. The earlier you begin, the more time you will have to sharpen your skills. Do not procrastinate. Cramming is not an effective way to study since it does not allow you the time needed to learn the test material. The sooner you learn the format of the exam, the more comfortable you will be when you take the exam.

FORMAT OF THE SAT II MATH LEVEL IC The SAT II Math Level IC is a one-hour exam consisting of 50 multiple-choice questions.
