Elsevier's Dictionary of Mining and Mineralogy in English, French, German and Italian A. F. Dorian,1992-01-01

Elsevier's Dictionary of Mining and Mineralogy Angelo Francis Dorian,1993 Hardbound Mining which includes boring drilling extraction ventilation services pipelines hauling and so on is a vast and complex subject The search and exploitation of minerals is unceasing in many regions of the world creating a need for an extensive dictionary of mining technology The principal scope of the present multilingual dictionary is not only to enhance the knowledge of the subject but also to intensify and multiply those human contacts without which progress would be hindered or at least slowed down The reader will find accurate and precise translations and an explanation of the majority of terms through brief definitions Using the Engineering Literature Bonnie A. Osif,2016-04-19 With the encroachment of the Internet into nearly all aspects of work and life it seems as though information is everywhere However there is information and then there is correct appropriate and timely information While we might love being able to turn to Wikipedia for encyclopedia like information or search Google for the thousands of links Information Sources in Metallic Materials M.
