Gill,2013-08 This book marks the life experiences of one Pastors wife to another as I share my personal story May it bless your soul and encourage you in your walk with Christ This life can be most challenging at times therefore you must know that you are a significant heir and joint heir with Christ a Royal Priesthood and citizen of a Holy Nation Adorned for Christ himself May the peace and blessings of God rest upon you Lady Helen R Gill Thou shalt also be a crown of glory in the hand of the Lord and a royal diadem in the hand of thy God Isaiah 62:3 *You Will Survive (I Did)* Martha Rose,2020-04 A raw look in to my life you might have thought you were standing alone but I'm actually beside you Indulge in my life connect with me and feel everything I'm saying Understand who Martha Rose is There are things that I have overcome that I honestly never thought I had it in me to **So This Is Peace?** Frederick Grossman,2014-04 As an old hippie Jesus freak I cannot help but question authority I have done so with established beliefs of major denominations I compare what denominations teach as sound doctrine and compare them to what the Bible the sole authority teaches in reality For example hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different **On Benefits** Seneca,2017-11-21 Among the numerous faults of

those who pass their lives recklessly and without due reflexion my good friend Liberalis I should say that there is hardly any one so hurtful to society as this that we neither know how to bestow or how to receive a benefit It follows from this that benefits are badly invested and become bad debts in these cases it is too late to complain of their not being returned for they were thrown away when we bestowed them Nor need we wonder that while the greatest vices are common none is more common than ingratitude for this I see is brought about by various causes The first of these is that we do not choose worthy persons upon whom to bestow our bounty but although when we are about to lend money we first make a careful enquiry into the means and habits of life of our debtor and avoid sowing seed in a worn out or unfruitful soil yet without any discrimination we scatter our benefits at random rather than bestow them It is hard to say whether it is more dishonourable for the receiver to disown a benefit or for the giver to demand a return of it for a benefit is a loan the repayment of which depends merely upon the good feeling of the debtor To misuse a benefit like a spendthrift is most shameful because we do not need our wealth but only our intention to set us free from the obligation of it for a benefit is repaid by being acknowledged

Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God

Preacher Spurs Lamont H. Fuchs Ed.D., 2022-09-27 The inspiration of God to teach daily or preach weekly is a blessing and a burden It is a blessing to have the week after week encouragement to preach your sermons with your original topics However for some it is a burden because there is a Sunday morning sermon expected and the inspiration to provide a message to preach God's Word must be roused researched and gathered into a logical presentation Tag You're it Sometimes it's just not there You know Sunday is coming and sometimes the stimulus or impetus is not I empathize These are the reasons I authored this book The truth is some preachers are good enough to not only preach on Sunday morning but also follow that sermon with another on Sunday night and Wednesday night or another day of the week They are always always ready in season or out of season to preach the Gospel But there are times in the career of every pastor when they struggle when the inspiration to create sermons fades after months and years of multiple weekly presentations Especially during periods of life when events and tribulations require time and dedication to other pressing matters Others might say It's their job That is what they do They get paid to read and study and make a forty minute sermon each time they stand behind the pulpit Not true You and I know that Most pastors preachers do so much more than preach They have families a flock to attend to and administrative duties that take much of their week Some of you bless your heart are bivocational and work a forty hour week as well Not an easy job even for the called who are in love to do all they can in Jesus's name and for His glory This book of *Preacher Spurs* is for them **Maybe Tomorrow Things Will Be Better** Gabriella Grace
