Composition and Cornel West Keith Gilyard, 2008-05-05 Composition and Cornel West Notes toward a Deep Democracy identifies and explains key aspects of the work of Cornel West the highly regarded scholar of religion philosophy and African American studies as they relate to composition studies focusing especially on three rhetorical strategies that West suggests we use in our questioning lives as scholars teachers students and citizens In this study author Keith Gilyard examines the strategies of Socratic Commitment a relentless examination of received wisdom Prophetic Witness an abiding concern with justice and the plight of the oppressed and Tragicomic Hope a keep on pushing sensibility reflective of the African American freedom struggle Together these rhetorical strategies comprise an updated form of cultural criticism that West calls prophetic pragmatism This volume which contains the only interview in which Cornel West directly addresses the field of composition sketches the development of Cornel West's theories of philosophy political science religion and cultural studies and restates the link between Deweyan notions of critical intelligence and the notion of critical literacy developed by Ann Berthoff Ira Shor and Henry Giroux Gilyard provides examples from the classroom to illustrate the possibilities of Socratic Commitment as part of composition pedagogy

shows the alignment of Prophetic Witness with traditional aims of critical composition and in his chapter on Tragicomic Hope addresses African American expressive culture with an emphasis on music and artists such as Curtis Mayfield Marvin Gaye Aretha Franklin and Kanye West The first book to comprehensively connect the ideas of one of America s premier scholars of religion philosophy and African American studies with composition theory and pedagogy Composition and Cornel West will be valuable to scholars teachers and students interested in race class critical literacy and the teaching of writing
