He Led Us Through Paradise:

What Happened from the Cross to the Throne E. W. Kenyon, 2025-07-15 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did not realize who Christ was why He came why He had to suffer and what was to be gained by His suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths that were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God's presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciples' view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith Nicene and Post-Nicene Fathers First Series, St. Chrysostom Philip Schaff, 2007-06-01 Not as Orphans Allyn Benedict, 2012-03 Not As Orphans was life changing for me It charts the journey of a soul my soul and your soul from fearful orphan to precious child of the Father The journey is best taken slowly thoughtfully and prayerfully as there are many profound insights that need to be pondered and received in the deep places of the heart Carolyn Hart National Prayer and Ministry Coordinator England This remarkable book leads us into a closer walk with God Christ is immediately real present and alive We feel His life giving breath upon us We sense His loving gaze penetrating our innermost being This is a liberating encounter which enables us to discover our real humanity Not As Orphans unlocks a secret place and brings us into an awesome closeness with the God who yearns for us and without whom we are never truly at peace This book is written by a man with very deep roots of faith and a profound vision of the Kingdom With great sensitivity Allyn Benedict gently leads us into a refreshing and often startling intimacy with Christ Lives will be transformed through this book Dennis Wrigley Co founder and Leader Maranatha Community England Not As Orphans is transforming my small group huge revelations one can never stop gleaning We were all challenged and continue to be as reading the book has become an ongoing personal devotion for most of us From a Small Group Leader Roanoke Virginia USA **Revelation Explained** Terry Swift, 2022-06-22 The book of Revelation is meant to be understood or revealed The word revelation means to reveal to uncover But it cannot

be understood by a man without the indwelling Spirit The Holy Spirit gives keys to understanding the book both in Revelation and in other teachings of scripture The Spirit lets us know when the book was written by facts presented in the book That is important in discovering when the fulfillment of the book took place The Spirit also tells us the Revelation was of things that must soon take place This phrase governs our understanding in the fulfillment of the whole Revelation Again the teaching of prophecies were all to be fulfilled within the generation of Jesus These prophecies were to and must soon take place in the book There are seven keys I have followed in understanding the book of Revelation You can understand the book of revelation also by following the keys the Spirit has left for us God blesses us in multiple ways in opening His book the Revelation May he bless you fully in that effort through his Spirit May you come to understand his Revelation **Nicene and Post-Nicene Fathers** Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IX of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover the early writings of Saint John Chrysostom so named for his infamous gift with language Mostly revered in the Eastern Orthodox Church Chrysostom is more widely remembered for his writings that contributed to the Christian tradition of antisemitism and were exploited by the Nazis during World War II In this book he discusses his entry into the priesthood and offers sermons on a variety of topics including demons and the proper conduct of Christians *The American Review* George Hooker Colton,James Davenport Whelpley,1848 **The American Whig Review** ,1848 *The NIV Matthew Henry Commentary in One Volume* Matthew Henry,1992 Time has sealed the reputation of Matthew Henry s classic commentary as a rich source of insight into God s word Three centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry s day have taken on different meanings today In addition Henry s often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today s most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation **The Preacher's Analyst** ,1882 **GRACE LIVINGSTON HILL - Ultimate Collection** Grace Livingston Hill,2023-12-11 Grace Livingston Hill s Ultimate Collection
