New Headway Pronunciation Upper-Intermediate Student's Practice Book Bill Bowler, Liz Soars, 1991 New Headway Pronunciation Course Bill Bowler, Sarah Cunningham, 1999 *Headway* Bill Bowler, Sarah Cunningham, 1991

Pronunciation Christiane Dalton, Barbara Seidlhofer, 1994 The basic principles and terminology of this important but sometimes neglected area are explained in this book Pronunciation helps teachers to understand and evaluate the materials available to them and so approach the teaching of pronunciation with more confidence The book includes over 120 classroom projects which readers can use to develop their pronunciation teaching

HEADWAY(UPPER-INTERMEDIATE)(PRONUNCIATION) BOWLER □, 1991-02 **Headway** John Soars, 1991

Headway. 1. Intermediate : [Tapescripts 1-17a], 1986 **New Headway English Course. Upper-Intermediate.**

Pronunciation Book Bill Bowler, Sarah Cunningham, 2000-12 **Pronunciation in EFL Instruction** Jolanta Szpyra-Kozłowska, Jolanta Szpyra, 2014 This book addresses issues and debates at the centre of English pronunciation teaching It offers new theoretical ideas and practical solutions to phonodidactic problems that arise in EFL contexts approaching pronunciation instruction from global and local perspectives and supporting its theoretical claims with extensive empirical evidence **Ta(I)king English Phonetics Across Frontiers** Biljana Čubrović, Tatjana Paunović, 2009-10-02

Highlighting some interesting and intriguing aspects of English phonetics and phonology from a variety of perspectives this book brings up a number of empirical questions in order to emphasize the necessity of taking a very broad view of what spoken English means in today's socio cultural context English has become a truly global means of communication used as a first second or additional language by millions and millions of diverse speakers in a multitude of different communicative contexts so that the very notions of native and non native seem to have changed profoundly as have the notions of central peripheral and standard non standard with regard to English varieties spoken around the globe Therefore today more than ever before in studying English phonetics many small research steps need to be taken to provide diverse and broad empirical data from as many different standpoints as possible This collection indeed looks at English phonetics from a wide spectrum of perspectives including those of native or EFL speakers language varieties L2 language teaching and learning as well as language contact development and change **Pronunciation Practice Activities Book and Audio CD Pack** Martin

Hewings, 2004 **Methodology in Language Teaching** Jack C. Richards, Willy A. Renandya, 2002-04-08 An overview of current approaches issues and practices in the teaching of English to speakers of other languages The paperback edition provides an overview of current approaches issues and practices in the teaching of English to speakers of other languages The anthology a broad collection of articles published primarily in the last decade offers a comprehensive overview to the teaching of English and illustrates the complexity underlying many of the practical planning and instructional activities it

involves These activities include teaching English at elementary secondary and tertiary levels teacher training language testing curriculum and materials development the use of computers and other technology in teaching as well as research on different aspects of second language learning Organized into 16 sections the book contains 41 seminal articles by well known teacher trainers and researchers Also included are two sets of discussion questions a pre reading background set and a post reading reflection set This anthology serves as an important resource for teachers wishing to design a basic course in methodology

Second Language Listening John Flowerdew,Lindsay Miller,2005-02-07 As an essential part of communicative competence listening is a skill which deserves equal treatment with the other basic skills of speaking reading and writing Second Language Listening combines up to date listening theory with case studies of actual pedagogical practice The authors describe current models of listening theory and exemplify each with a textbook task They address the role of technology in teaching listening questioning techniques and testing Second Language Listening is designed to be used with both pre service and in service teachers who are involved in the teaching of listening or the design of pedagogic materials for listening

Pragmatics and Prosody in

English Language Teaching Jesús Romero-Trillo, 2012-03-14 This volume explores the elusive subject of English prosody the stress rhythm and intonation of the language and its relevance for English language teaching Its sharp focus will be especially welcomed by teachers of English to non native speakers but also by scholars and researchers interested in Applied Linguistics The book examines key issues in the development of prosody and delves into the role of intonation in the construction of meaning The contributions tackle difficult areas of intonation for language learners providing a theoretical analysis of each stumbling block as well as a practical explanation for teachers and teacher trainers The numerous issues dealt with in the book include stress and rhythm tone units and information structure intonation and pragmatic meaning tonicity and markedness etc The authors have deployed speech analysis software to illustrate their examples as well as to encourage readers to carry out their own computerized prosodic analyses *New Headway english course upper-intermediate*. Liz Soars, John Soars, 2000 New Headway English Course takes the successful Headway series into an exciting new era It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently Learners at the upper intermediate level require a different approach It is no longer appropriate to examine language items in isolation In New Headway Upper intermediate grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language This new upper intermediate course provides around 120 hours of language learning It follows on from New Headway Intermediate and together with Headway Elementary Headway Pre intermediate and Headway Advanced provides a fully comprehensive language teaching series Key features New universal topics selected from a wide variety of sources including authentic listening texts In depth treatment of grammar Each unit starts with a Test your grammar section followed by Language in context where students work out rules through Grammar questions The Practice Bank provides a choice of wide ranging exercises and the Grammar Reference gives detailed rules of form and use The grammar of spoken English is examined with work on areas such as being polite linking and commenting adverbs exaggeration and understatement and lexis in discourse Thorough skills syllabus All four skills are developed systematically and integrated through related tasks Well defined lexical syllabus with work on systems such as collocation binomials homonyms and compounds Pronunciation practice is integrated at appropriate points throughout the units Everyday English is practised in the Postscript section In addition to the Student s Book there is a Teacher s Book with extra photocopiable activities two Class Cassettes a Workbook and an optional Workbook Cassette This level is supplemented by Headway Upper intermediate Video and New Headway Upper intermediate Pronunciation Настановно-корективний курс англійської мови. Бишук Г. В., About Language Scott Thornbury, 1997-03-13 This book raises the issue of what a teacher needs to know about English in order to teach it effectively It leads teachers to awareness of the language through a wide range of tasks which involve them in analysing

English to discover its underlying system **English Pronunciation in Use** Mark Hancock, 2003-06-26 Mark Hancock's comprehensive pronunciation reference and practice book and audio CD is pitched at an intermediate level. It can be used for individual and class use and the audio material uses a clear model of a standard British English accent for presentation and repetition exercises.
