Hocken,2013-10-23 As the charismatic movement penetrated the Protestant churches and then impacted the Catholic Church great hopes for Christian unity were aroused among many These hopes peaked with the great Kansas City conference of 1977 and the Pentecost over Europe gathering in Strasbourg France in 1982 After these high points the Renewal s unity dynamic weakened at the same time as the ecumenical movement was losing momentum Dr Hocken argues that the charismatic movement was always a grace for unity and that this can be seen from how it began and spread Its deep orientation to unity finds its foundation in the end times significance of baptism in the Spirit poured out on Christians from so many traditions that reinforces the one hope for the coming of the Lord Many developments of the last twenty years indicate that the time is now ripe for an ecumenism of the Spirit within which the charismatic impulses of the Holy Spirit can purify and deepen the wider movement for Christian unity Growing reconciliation between Evangelicals and Catholics suddenly seems less utopian as Pope Francis shows the servant face of a humbler Catholic Church Books in Print Supplement ,1984 Forever Bobby Angel,Jackie Francois Angel,2019-03-25 Get your marriage off to a great start or renew the marriage you ve shared for years with this six week devotional for couples which takes inspiration from Pope John Paul II s Theology of the Body Experts Jackie Fran ois Angel and Bobby Angel will teach you how to pray together as a couple opening you up to the wonders that God bestows on your marriage **The Catholic Periodical and Literature Index** ,2008
