The Journey Through Cancer Dr. Jeremy Geffen,2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life s deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit *Body Mechanics for Manual Therapists* ,2004 This best selling text teaches massage therapy students and practitioners the essentials of body mechanics they need to know in order to care for themselves while practicing massage therapy The text is written in a practical playful and friendly manner and integrates kinesthetic cognitive and environmental elements Each chapter starts with a brief narrative explanation of a movement followed by hands on exercises self observation exercises self care and injury prevention tips and client education tips Appendices discuss successful body mechanics for spa therapy transferring clients and floor work and present troubleshooting and preventive strategies for common repetitive stress injuries A Time to Live Robert Raines,1998-11-01 In A Time To Live Robert Raines explores the spiritual and emotional dimensions of what can be the most rewarding time of life Drawing on his experiences as an ordained minister and as director of a non denominational retreat center focusing on issues of personal growth Raines delineates the important passages we must all make from our middle years in the process of growing older In an approach that is both meditative and inspirational drawing

from a variety of backgrounds anecdotes and literature Raines provides a new perspective on the aging process and its implications To make the most of this ultimate period of life he argues we must each confront certain issues waking up to mortality embracing sorrow savoring blessedness re imagining work nurturing intimacy seeking forgiveness and taking on the mysterious process of exploring what is yet to be done in life with a sense of possibility and hope For the millions of baby boomers just entering their fifties and others approaching their sixties who are determined to be aware and take advantage of the challenges they face *A Time To Live* is the only book to directly address their needs Sure to be a welcome and important spiritual guide for many it offers the possibility of fulfillment and personal satisfaction Benzo Blues Edward H. Drummond, 1998-11-01 Valium Ativan Xanax These benzodiazepines or benzos are among the most routinely prescribed medications in our society used to treat chronic anxiety in millions of people But these drugs can actually prolong and aggravate anxiety causing individuals to postpone dealing with core problems and to increasingly rely on addictive medication with extremely debilitating effects Of the more than 30 million people who take these drugs more than four million are addicted Dr Edward H Drummond offers hope with a revolutionary program for overcoming chronic anxiety without the use of tranquilizers His approach flies in the face of established practices particularly at a time when health care programs offer dwindling support for psychotherapy preferring the cheaper course of having patients medicate themselves Certain to inspire controversy *Benzo Blues* is the work of a visionary author out to challenge the medical establishment Its publication will be greeted with enormous interest by the millions of people affected by these powerful drugs all of whom will find a new way of dealing with a lifelong problem **The Journey Through Cancer** Jeremy R. Geffen, 2000 *The Journey Through Cancer* is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life's deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share
