Healing With The Lords Prayer And Reiki 2 Cd:

Healing Will Williston Merrick Ford,1961 **The Energy of Love** Bruce G Epperly,2017-08-14 Today we need to marshal all the healing resources at our disposal A growing body of evidence shows that spiritual healing practices have a positive impact both on healing and on the quality of life that people experience while under medical care Dr Bruce Epperly calls on Christians to embrace these varied resources He crosses both the boundaries between formal scientific medical practice and spiritual healing and the boundaries between healing practices that come from a variety of spiritual and religious traditions He then incorporates these into a distinctly Christian theology of healing practice Where healing takes place he sees God at work Healing characterized the ministry of Jesus and Epperly believes that it should characterize the life and ministry of Christians in all times and places This is a balanced call that doesn't pit one tradition against another and also does not place spiritual healing practices in opposition to medical science This is about embracing what heals Today we need to marshal all the healing resources at our disposal Reiki: Universal Gift of God's Healing Love Level I and II Training Manual Eileen Curteis,2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are

planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed

Forgiveness Reiki Michael S. Van Hecke, 2017-12-02 Forgiveness Reiki is an entertaining narrative of the author's spiritual journey that includes instruction in both hands on healing and forgiveness When the author's sixteen year old son Maurice took his own life the author led his church congregation in chanting I love you Maurice and I forgive you Many told him afterwards how they felt a spiritual shift from the experience Van Hecke was encouraged to write about how he could have done this at such a vulnerable moment He explains how it was his practice of The Jesus Healing System and Forgiveness Reiki that empowered him to do so This book includes attunements to Forgiveness Reiki and The Jesus Healing System The author provides practical tools for Forgiveness Reiki practitioners such as JHS Forgiveness Prayers the JHS Loving Emotions healing symbols and The Physical Manifestation of UnLove a list of symptoms and conditions A long time Reiki master and an active member of his local Methodist church the author nudges both spiritual communities to look in the mirror Both Christians and non Christians alike will find much food for thought in the insights of this healing practitioner The author explores how to utilize prayer and distance healing to expand the crown chakra and how this might impact society He discusses Blessing when one does not know if healing is desired He shares how Reiki opened him spiritually so that he could experience the love of Christ One of the JHS Prayers includes forgiving self imposed judgements of the Church He encourages Reiki practitioners to find a church community start healing circles and help re shape the church of tomorrow to be more like the ancient church of The Way

Forgiveness Reiki Michael Van Hecke, 2021-07-30 Whereas many religious leaders only advocate forgiving Michael Van Hecke teaches how to utilize hands on healing skills to accelerate the forgiveness process Forgiveness Reiki is structured as a response to the question How could you lead your church in forgiveness at your 16 year old son's funeral Van Hecke discusses Reiki The Jesus Healing System and many aspects of Christianity to answer that question This book includes Forgiveness Reiki and Jesus Healing System prayers which can be used to complement Reiki and other hands on healing modalities Van Hecke also includes a modern Apostle's Creed and several discussions on Blessing healing symbols and the physical manifestation of UnLove
