Health, Wealth, and the (Real) Gospel (Vietnamese) Sean DeMars, Mike McKinley, 2025-06-10

Prosperity Theology and the Gospel LAUSANNE MOVEMENT, 2022-05-03 Prosperity theology the belief that financial and physical well being is God s will for his followers has become prevalent in modern day Christianity For Christians looking to better understand how it is affecting the life and growth of the church around the world this book is an accessible and practical resource Evaluating the prosperity theology movement from a biblical and evangelical perspective the authors encourage readers to think critically about the ways in which the theology we follow can lead toward or away from the kingdom of God Prosperity Theology and the Gospel is in four parts The first part turns our attention to God s word and looks at what the Bible says about the issue of prosperity Part 2 looks at the issue from different perspectives be it historical ethical or sociological Part 3 considers the impact of prosperity theology in different regions of the world through several case studies Part 4 proposes how we might respond to some of the challenges we have identified and what could be a way forward for us all Each chapter is followed by ideas for further thought and discussion Contributors include Femi Adeleye Christopher Wright Joel Tejedro Valdir and Maicon Steuernagel and many others

Health, Wealth & Happiness David Jones, Russell Woodbridge, 2010-12 A timely exploration and discussion of the prosperity gospel movement *God's Economy* Jonathan Wilson-Hartgrove, 2009 This practical guide to the good life details how to enjoy a rich satisfying lifestyle no matter how much or how little money you have Rather than being at the mercy of unpredictable market factors you ll learn how to thrive in God s economy of abundance as you tap into a wealth of community and generosity **Does the Gospel Promise Health and Prosperity?** Sean DeMars, 2022-03-14 Concise Scripture Centered Guide Confronts the Dangers of the Prosperity Gospel How can believers tell the difference between a false gospel and the true gospel Writing from personal experience pastor Sean DeMars lays out four core elements of the prosperity gospel and answers questions such as Is the prosperity gospel biblical and Does God promise me a prosperous life This guide will help believers understand the true gospel by pointing to the Bible showing how the prosperity gospel twists Scripture and leads people astray from a biblical understanding of what it means to follow Jesus Church Questions is a series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions they have about church life Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment A Great Resource for Congregations and New Believers Helps readers think more biblically about the Christian life and faithfulness in a local church Accessible and Practical Small shareable booklet includes helpful applications for individuals and churches Part of the Church Questions Series Created in Partnership with 9Marks Blessed Kate Bowler, 2013-06-13 Catherine Bowler s Blessed represents the first attempt to examine the twentieth century American prosperity gospel movement as a whole seeking to introduce readers to its major figures and features **In Search of Health and Wealth** Hermen Kroesbergen, 2014-01-07 The prosperity gospel is very influential in Africa in Pentecostal churches and in Reformed churches But what is the prosperity gospel Where did it originate Is it biblically sound How should we evaluate the prosperity gospel Does it represent a wrong way of looking for health and wealth or can we learn something from it In this book the authors provide an analysis from different perspectives on the highly debated topic of the prosperity gospel It is intended to be accessible and helpful both to academic colleagues and to ordinary ministers Most of the authors are lecturers at Justo Mwale Theological University College in Lusaka Zambia Together with Prof L Togarasei from the University of Botswana they use their theological skills to examine and assess this important topic from an African and Reformed perspective The articles in this book will help anyone who wants to deeply explore and evaluate the intriguing phenomenon of the prosperity gospel in Africa Healthy and Wealthy? Robert L. Plummer, 2022-06 The prosperity gospel has spread across the globe and infiltrates homes daily even through primetime television Among the core claims of these teachers is that God wants his people to be healthy and wealthy and if a person is not rich and well it is because that person lacks faith This distortion of the Bible s teaching needs to be answered faithfully and winsomely and the chapters of this volume work toward that end Writing from perspectives such as missiology biblical studies economics and pastoral theology

the contributors tackle crucial issues from Scripture and ministry to lay out a realistic and theologically sound view of health wealth and spiritual vitality

The Health and Wealth Gospel Bruce Barron, 1987

Health and Wealth: God's Will or Not? Woody Stieffel, 2024-01-18 Does God want me to have the best How rich was Jesus May a Christian be rich What does the Bible teach about wealth Does God want me to be healthy What about Christians who get sick These questions are addressed in depth HEALTH AND WEALTH looks to the Bible as the standard of truth in analyzing the claims of the Health and Wealth gospel so wide spread today It also looks at the issue of whether miraculous healings are for today

The Prosperity Gospel Jim Garnett, 2020-10-02 There is a gospel movement sweeping the land today but it is not a movement from God It is a false gospel a counterfeit and it is called The Prosperity Gospel The true gospel's message is about a Savior who can save from sin this gospel's message is about Self and how we can secure success Appealing to man's appetite of greed this prosperity gospel offers the very same things that Satan offers to those who will worship him It is no surprise to discover that this false gospel traces its origin not to the pages of the Word of God but to a pagan mind over matter cult called New Thought Theology Two of today's popular cults of Christian Science Mary Baker Eddy and Unity Charles F. F. were also spawned from this same Satanic origin Clothing its metaphysical New Thought teachings with Christian terminology this movement found a home in Pentecostal circles through men like Oral Roberts and Kenneth E. Hagin With the rise of the Christian cable networks like CBN TBN and PTL the Prosperity Gospel has grown by leaps and bounds infiltrating and saturating all of Christendom with its message of how to have Your Best Life Now Prosperity preachers like Joel Osteen Kenneth Copeland Creflo Dollar Benny Hinn and Jesse Duplantis model the success of the prosperity message having amassed great wealth into the hundreds of millions of dollars of net worth All of Satan's apples have worms as does this one Instead of bringing health wealth and happiness to its followers it leaves them disappointed discouraged and distrustful of God The Scriptures tell us in the latter days to expect false prophets who are wolves dressed in sheep's clothing examine them in light of the Word of God and exhort our brethren of their presence That is the purpose of Jim Garnett's book May the Holy Spirit guide you into all truth as you study its pages

The Disease of the Health & Wealth Gospels Gordon D. Fee, 2006 Perhaps no other issues more directly affect the lives of professing Christians as do the issues of health and wealth and their relationship to the will of God In Disease of the Health Wealth Gospels Dr Gordon Fee looks at the treatment of these two themes as frequently found in popular Christian teaching Based on solid exegesis of the Scriptures looking at each theme separately this book suggests that there may be yet a more excellent way in viewing these emotionally charged issues

Neither Poverty nor Riches Craig L. Blomberg, 2000-10-02 One of the most difficult questions facing Christians today is that of the proper attitude toward possessions What action should we take on behalf of the poor What should we do with our own possessions In this NSBT volume Craig Blomberg asks what the Bible has to say about these issues Avoiding easy answers he draws on the Old and New Testaments to seek a comprehensive biblical theology of

possessions **The Word-faith Controversy** Robert M. Bowman,2001 The Health and Wealth Gospel TIMOTHY V. PETERSON,2022-12-06 The Bible is clear that God s desire is for us to be in good health and to prosper in all things The Health and Wealth Gospel is also written as an encouragement to help you discover how to use your faith to recieve health and healing in your life and how to prosper in every arena of your life This book will help you study God s Word and what it has to say about God s will for your health and wealth **God, Greed, and the (Prosperity) Gospel** Costi W. Hinn,2019-07-09 A compelling insider account by the nephew of a renowned prosperity preacher on the perils of greed and the power of the true gospel Costi Hinn nephew of the world famous televangelist Benny Hinn had a front row seat to the inner workings of the prosperity gospel In one sermon I heard growing up my uncle taught us that if we wanted God to do something for us we needed to do something for him In God Greed and the Prosperity Gospel he gives a chilling account of how prosperity preachers exploit the poor and needy and what it was like to grow up in one of the world s most powerful prosperity dynasties As Costi began to question the lifestyle he was living and look for an answer to the injustice he saw he found himself on a journey that eventually led him to abandon the family faith in favor of the overwhelming truth about the real Jesus Christ This is Costi s story of escape from a false teaching that has ensnared millions And it s a call to the church to be salt and light throughout the earth and to stand up for the truth when Jesus Christ is being falsely represented as a commodity If you want to learn how to reach those caught in deception or if you ve been confused in the past by the insidiously blurred lines between prosperity theology and the true gospel this book will bolster your faith and encourage your own journey toward the Truth Spanish edition also available *Pentecostalism: A Guide for the Perplexed* Wolfgang Vondey,2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world
