The Millennium Development Goals for Health Adam Wagstaff, 2004
Health and the Millennium Development Goals, 2005 *The Millennium Development Goals and Human Rights* Malcolm Langford, Andy Sumner, Alicia Ely Yamin, 2013-09-16 The Millennium Development Goals MDGs have generated tremendous discussion in global policy and academic circles On the one hand they have been hailed as the most important initiative ever in international development On the other hand they have been described as a great betrayal of human rights and universal values that has contributed to a depoliticization of development With contributions from scholars from the fields of economics law politics medicine and architecture this volume sets out to disentangle this debate in both theory and practice It critically examines the trajectory of the MDGs the role of human rights in theory and practice and what criteria might guide the framing of the post 2015 development agenda The book is essential reading for anyone interested in global agreements on poverty and development *Achieving the Health Related Millennium Development Goals (MDGs)* South Africa. Department of Health, 2007 *Millennium Development Goals For Health In Europe And Central Asia* World Bank, 2004 **Health in 2015** World Health Organization, 2015-12-14 In 2015 the Millennium Development Goals MDGs come to the end of their term and a post 2015 agenda comprising 17 Sustainable Development Goals SDGs takes their place

This WHO report looks back 15 years at the trends and positive forces during the MDG era and assesses the main challenges that will affect health in the coming 15 years Snapshots on 34 different health topics outline trends achievements made reasons for success challenges and strategic priorities for improving health in the different areas **ICTs and the Millennium Development Goals** Harleen Kaur,Xiaohui Tao,2014-05-06 This book attempts to create awareness about the UN MDGs and how various ICT can be harnessed to appeal to different demographics Current empirical evidence suggests that MDG awareness is relatively low particularly in developed countries and that the levels of MDG awareness vary considerable across socioeconomic variables or demographics from United Nations perspective It also examines how ICT can be used to bring about technical and social innovations strengthen livelihoods support economic development water and climate resilience and improve the education and health sectors and enhance development opportunities Several studies are highlighted that reinforce the view that government support and private sector expertise and funding are important factors in ICT based e government solutions in developing countries The book also builds on the thesis that a strong connection between competencies in mathematics science and information communication technology is required to build logical concepts and critical thinking skills It also examines the opportunities and barriers of promoting students learning skills including communication cooperation collaboration and connection using the Wiki tool under the blackboard platform Finally the book also highlights the challenges involved in application of ICT in education This is significant for educators in order to surmount these obstacles and consequently successfully incorporate ICT into the educational system The chapters present the relevant literature on ICTs and the perceived barriers to ICT integration in basic education They also focus on the implications of incorporating ICT in the basic educational system The challenges confronting the integration of ICT in education are equally identified with a view to ensuring a more efficient application of ICT in attaining education for all

Gender, Health and the Millennium Development Goals : a Briefing Document and Resource Guide Lesley Doyal, 2005

Millennium Development Goals and Community Initiatives in the Asia Pacific Amita Singh, Eduardo T. Gonzalez, Stanley Bruce Thomson, 2012-12-18 The book brings together implementation studies from the Asia Pacific countries in the context of the deadline of 2015 for achieving the Millennium Development Goals The contributors to this volume are scholars belonging to the Network of Asia Pacific Schools and Institutes of Public Administration and Governance NAPSIPAG NAPSIPAG is the only non West governance research network presently located at Jawaharlal Nehru University New Delhi after having shifted from its original location at INTAN Government of Malaysia at Kuala Lumpur in 2009 Implementation is a less understood but a much debated area of governance research It requires micro level analysis of government agencies service delivery departments and stakeholders on one hand and its national and global policy level connections on the other Implementation studies are above disciplinary divides and subsequent disjunctions which inhibit explorations on policy downslides or failures The studies relate to the new initiatives which governments across the region have undertaken to reach out to the MDG targets agreed upon in 2000 The focus of analysis is the policy framework local capacities of both the government agencies and people in drawing partnerships with relevant expert groups ability to bring transparency and accountability measures in transactions for cost effective results leadership and sustainability dimensions which influence the functioning of local agencies The book is especially important in the background of 15 voluminous Administrative Reforms Commission Reports accumulating dust in India and similar efforts lying unattended in many other

countries of this region as well Countries like Malaysia which has focused upon implementation strategies combined with timely evaluation and supervision of administrative agencies has almost achieved most of their committed MDGs A special report of Malaysian efforts initiates the debate of moving beyond the best practice research in implementation arena The central idea of this book is to demonstrate the role of communities in making governance effective and government responsive to the needs of people
