Elmer and the Wind David McKee,2014-10-31 Aided and abetted by his ventriloquist cousin Wilbur Elmer pretends to be blown away on the windiest day They make fools of the other elephants but when the laughter dies down Elmer reassures them that a heavy elephant is safe in the worst of gales When he tries to prove it much to his surprise he really does get blown away *Elmer and the Wind* David McKee,1997 It s a blustery day in the jungle and Elmer and his cousin Wilbur are up to their old tricks again The thing is they don t realise just how strong the wind is blowing strong enough to carry a patchwork elephant up above the tress and off on a great adventure *Elmer and the Wind* David MacKee,2010 [More Elmer Stories](#) David McKee,2001 **Raven Wind** R. Moseng,2007-12 Set against the backdrop of the rugged beauty of the Alaskan wilderness Raven Wind is the story of a man who finds through adversity the true test of courage Raven Wind is also the story of power and greed how far some will go to acquire the ultimate prize On the snow covered deck of an Alaskan fishing boat a man is murdered and a terrible secret hides the truth about his death That secret remains undisturbed for years That is until one of the conspirators the ultimate political power in his sight can no longer accept the danger that the secret poses Years later the secret dangerously close to being revealed a bush pilot and his son stumble upon the nefarious plot in the rugged wilds of Cordova Alaska As a result of their unintended involvement Tom MacCalister and his young son are forced to struggle through the wilderness of the unforgiving bush so that they may save themselves so that they may save the truth As a result they find strength in their bond as father and son and in their courage In this captivating story Tom MacCalister becomes one of those fortunate few a man who can say he had tasted both the bitterness of challenge and the sweet taste of victory *A to Zoo* Rebecca L. Bryant,2009-07-21 Over his eighty plus years Paul T Bryant has worked as a farm and ranch hand soldier forest fire lookout park ranger naturalist editor teacher and academic administrator He has lived and

worked in a variety of states from Washington to North Carolina and from Texas to Massachusetts filling in those spans with time in Oklahoma Colorado Idaho Iowa Illinois and Virginia He brings this range of experience to this series of short stories and sketches of various old men their lives their problems and how they have met those problems These are fiction but they draw on actual experience Old age is a challenging time for old men and old women alike As more and more of us reach this challenging time we can profit from learning how others have met those challenges or failed to do so By the same token perhaps those who have not yet reached old age will find here some increased understanding for those who have Other books by Bryant H L Davis 1978 Confessions of an Habitual Administrator 2005 Book Review An eclectic collection of short fiction and poetry explores the challenges faced by men as they age The author now in his 80s begins with a prologue reminding readers that old age is neither a crime nor a sin but merely another stage of life with challenges and potential triumphs Reflecting on the fact that more and more people are living to advanced ages Bryant offers his work as a report on the road conditions from one who has traveled it to those coming up behind him Although his book has an explicitly didactic purpose this does not mean that the authors stories and poems are in any way moralizing nor do they offer easy solutions to the problems of old age such as aimlessness solitude pain or the possibility of an afterlife However its true that Bryants intention are not purely literary Although told with unusual stylistic concision and vigor only rarely marred by clichéd expressions such as references to wind sighing through the pine needles on a mountain slope or a spirited game of touch football these fictions do not aspire to aesthetic independence but rather aim at maximum clarity in representing common experiences In the process they reveal the authors deeply humane insight into a wide variety of human types ranging from retired businessmen to minor poets and academics to American Indians before the arrival of European settlers Although incidental to his main aims Bryants use of the variety of American geography and history also showcases his deep knowledge of these subjects thus providing another opportunity for readers to learn from this book What one storys narrator says about an old farmhand could equally be applied to the author of this collection We should treasure people like Stuart Wellborn people who know and love the land and who can tell its story Crisp quietly learned storytelling offers subtle insights into the experience of aging Kirkus Discoveries
