Eloquent Blood:

The Eloquent Blood Manon Hedenborg White, 2019-10-14 In the conventional dichotomy of chaste pure Madonna and libidinous whore the former has usually been viewed as the ideal form of femininity However there is a modern religious movement in which the negative stereotype of the harlot is inverted and exalted The Eloquent Blood focuses on the changing construction of femininity and feminine sexuality in interpretations of the goddess Babalon A central deity in Thelema the religion founded by the notorious British occultist Aleister Crowley 1875 1947 Babalon is based on Crowley s favorable reinterpretation of the biblical Whore of Babylon and is associated with liberated female sexuality and the spiritual ideal of passionate union with existence Analyzing historical and contemporary written sources qualitative interviews and ethnographic fieldwork in the Anglo American esoteric milieu the study traces interpretations of Babalon from the works of Crowley and some of his key disciples including the rocket scientist John Jack Whiteside Parsons and the enigmatic British occultist Kenneth Grant until the present From the 1990s onwards this study shows female and LGBTQ esotericists have challenged historical interpretations of Babalon drawing on feminist and queer thought and conceptualizing femininity in new ways Tracing the trajectory of a particular gendered symbol from the fin de siècle until today Manon Hedenborg White explores the changing role of women in Western esotericism and shows how evolving constructions of gender have shaped the development of esotericism Combining research on historical and contemporary Western esotericism with feminist and queer theory the book sheds new light on the ways in which esoteric movements and systems of thought have developed over time in relation to political movements

Charles Tyrrell; or, The Bitter Blood. Volumes I and II G. P. R. James, 2019-12-16 In Charles Tyrrell or The Bitter Blood G P R James delves into the turbulent life and mind of its eponymous hero exploring themes of honor passion and the dark intertwining of personal and political conflicts in early 19th century Britain The narrative unfolds with a rich tapestry of romance and adventure revealing both the psychological and societal dimensions of tyranny and rebellion James employs a captivating prose style that merges the romanticism characteristic of the period with an acute awareness of the moral dilemmas faced by his characters situating the novel in the broader context of Victorian literature s burgeoning exploration of individual identity within the constraints of social expectation G P R James an esteemed antiquarian and novelist drew inspiration from the historical complexities and socio

political upheavals of his time which may have influenced his portrayal of characters grappling with loyalty and betrayal His deep engagement with the English past paired with a profound respect for historical accuracy lends his works a unique authenticity Additionally James s own experiences as a traveling writer and lecturer provided him with a nuanced perspective on human nature and relationships critical to the development of Charles Tyrrell This compelling tale is highly recommended for readers who appreciate a multifaceted exploration of historical narratives interwoven with personal struggles James s intricate storytelling invites readers to reflect on the perennial themes of love betrayal and redemption making Charles Tyrrell not only an absorbing read but also a significant contribution to the canon of early Victorian literature
