Headless Monk:

Supreme Taoism Master Qu MaoDeLaoShu,2019-11-12 After entering the practicing world Li Xiaobai a young man who woke up and found that the world he knew was different High school is no longer just teaching cultural knowledge but actually teaching martial arts He had a crush on the beautiful girl in school for three years while no one in the school was able to defeat her The grade director who was very harsh on the students turned out to have a sword against the sky The former college entrance examination has now become the national martial arts entrance examination However Li Xiaobai found that in this new world his innate ancestors had a place to play and he was invincible About the Author Qu Mao De Lao Shu a new online novelist his writing is smooth and full of fun and his work Supreme Taoism Master has been widely welcomed for its ups and downs storyline and peculiar imagination *The Monk's Lair* Ellie Thomas,2023-10-28 Christian Maxwell is used to being alone A delicate and over imaginative young man he is abandoned to his own devices and company in his family's Wiltshire country home When his aunt concerned for his well being insists he accompany her to the Welsh Borders for a country house party in the autumn of 1816 Christian is resigned to being surrounded by people for the duration One particular guest Sam Gillespie is a handsome amateur scientist of a similar age to Christian who is determined to befriend him When Sam persuades Christian to join him on an expedition to the scenic ruins of Tintern Abbey they stumble across an isolated valley that contains a long dead and sinister monastic force Their dreams are haunted by the spirit of the place so the pair band together to find out the valley's dark history kindling their romance along the way But their ghostly foe is more tenacious than they imagine Can Christian and Sam manage to defeat the black monk and find lasting happiness

The King's Investigator Howard of Warwick,2020-06-24 Death in the Tower of London This could give the place a bad reputation In King William's new London fortress so new it doesn't have a tower yet a dead body lies right outside his chamber door This could be murder as the victim is the widely hated Malf so widely hated virtually everyone is suspect Brother Hermitage the King's Investigator must be summoned the King's investigator who really doesn't want to do the job at all anymore Fortunately someone else seems very keen to take over If you thought Brother Hermitage didn't know what he was doing Brother Peter is going to be a revelation But murder seems to be a routine feature of court intrigue Could it be a result of the dispute between the ghastly Le Pedvin William's favourite killer and Ranulph de Sauveloy his favourite administrator Could it be Malf's own family who really can't wait for him to die until they inherit Could it be the Saxon rebels who are hiding in a very peculiar place close at hand Brother Hermitage What the Weaver and Cwen have got to find out and as usual it all goes wrong almost immediately Find the killer or face the same fate themselves is a familiar old refrain But perhaps this time Hermitage sees a way out Could he really hand his hated job on to someone else someone who really wants to do it Populated by old familiar faces from most of Hermitage's nightmares The King's Investigator could be the very end Although now we learn there's a Part II how did that happen Look for the imaginatively titled The King's Investigator Part II

Howard of Warwick's mission to bring medieval crime comedy to people who didn't know they wanted it takes its nineteenth step. Numerous No 1 Best Sellers over 100 000 copies out there somewhere and containing more nonsense than a monk's margin it looks like it's here to stay or is it. Previous volumes have garnered praise. 5 Another brilliant read. 5 Another fun filled adventure. 5 Ha ha ha Aha Brother Hermitage does it again. 5 Masterpiece from Howard. 1 Silly very good indeed brilliant BBC Coventry and Warwick. As an avid traveler for most of his adult life author Michael Loveday has always been keen to soak up all he can about the essence of places from more unconventional sources. Not for him the pre packaged official line served up by tourist companies visitor guides and the like. In Big Yellow Loveday presents an unofficial travel guide perhaps guerilla tourism. He doesn't include the choreographed scripted shepherded travel packaged conveniently by tour companies and delivered comfortably palatably and politically correctly drawing a veil over the controversial bits. Instead Loveday offers insights and knowledge of real people on the ground who may often turn your view of their world on its head and can even scare you a bit or make you laugh hysterically but will never leave you cozy unchallenged or in your comfort zone. From Albania to Zurich the local taxi driver will take you to places you didn't anticipate both physically and psychologically and will leave you with a much more insightful view of their place. Someone once said there is no truth in history and the same sentiment might be applied to foreign travel so sit back grasp your seat clench your buttocks expect the unexpected and
