Harris, 2012-12-02 A Little Union Scout By Joel Chandler Harris **Four Years a Scout and Spy** E. C. Downs, 2012-09-05

hunt in the house for old things old furniture old china and old books She had a craze for the antique and the older things

were the more precious they were in her eyes Among other things she found an old scrap book that her mother and I thought

was safe under lock and key She sat in a sunny place and read it page by page and when she had finished her curiosity was

aroused The clippings in the old scrap book were all about the adventures of a Union scout whose name was said to be

Captain Frank Leroy The newspaper clippings that had been preserved were queerly inconsistent The Northern and Western

papers praised the scout very highly and some of them said that if there were more such men in the army the cause of the

Union would progress more rapidly whereas the Southern papers though paying a high tribute to the dash and courage of the

scout were highly abusive He was one of Lincoln s hirelings and as villanous as he was bold
