Reynolds and Julie Andrews While leading others into the trenches at Paramount Pictures NBC and Twentieth Century Fox Easterla reveals the magic and horror of studio life from 1980 to 2011 as he labored within a world where normal rules did not apply and thick skinned fearless studio folk upheld a can do attitude even during the most challenging times Through it all Easterla reminds us that making movies is a singular art form that recruits only the most passionate eager dreamers to participate in the process Studio Life is a volume of personal essays that reveal a man s escapades as he galloped onto a Paramount Pictures lot in the 1980s and began an unforgettable adventure
