Weatherford,2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library *The United States*

and the Second World War G. Kurt Piehler,Sidney Pash,2010 In this text Piehler and Pash bring together a collection of essays offering an examination of American participation in the Second World War including a long overdue reconsideration of such seminal topics as the forces leading the US to enter World War II the role of the American military in the Allied victory and more American Nightingale Bob Welch,2008-06-30 The heart wrenching and inspirational WWII story of the first American nurse to die at the Normandy landings the true account of a woman whose courage and compassion led to what a national radio show host in 1945 called one of the most moving stories to come out of the war a story of an army nurse that surpassed anything Hollywood has ever dreamed of She was a Jewish girl growing up in World War I torn Poland At age seven she and her family immigrated to America with dreams of a brighter future But Frances Slinger could not lay her past to rest and she vowed to help make the world a better place by joining the military and becoming a nurse Frances one of the 350 000 American women in uniform during World War II was among the first nurses to arrive at Normandy beach in June 1944 She and the other nurses of the 45th Field Hospital would soon experience the hardships of combat from a storm whipped tent amid the anguish of wounded men and the thud of artillery shells Months later a letter that Frances wrote to the Stars and Stripes newspaper won her heartfelt praise from war weary GIs touched by her tribute to them But she never got to read the scores of soldiers letters that poured in She was killed by German troops the very next day American Nightingale is the unforgettable first ever full length account of the woman whose brave life stands as a testament to the American spirit **Infantry Combat Medics in Europe, 1944-45** T. Shilcutt,2013-05-23 Medics learned quickly to

ignore standing operating procedures in order to save lives but tensions within infantry units created a paradoxical culture of isolation and acceptance This groundbreaking work examines training and combat experiences of soldiers working in Battalion Aid Stations and those who went as aid men to the line companies **Working in a world of hurt** Carol Acton,Jane Potter,2015-07-01 Working in a world of hurt fills a significant gap in the studies of the psychological trauma

wrought by war It focuses not on soldiers but on the men and women who fought to save them in casualty clearing stations hospitals and prison camps The writings by doctors nurses ambulance drivers and other medical personnel reveal the spectrum of their responses that range from breakdown to resilience Through a rich analysis of both published and unpublished personal from the First World War in the early twentieth century to Iraq in the early twenty first Acton and Potter put centre stage the letters diaries memoirs and weblogs that have chronicled physical and emotional suffering many for the first time Wide ranging in scope interdisciplinary in method and written in a scholarly yet accessible style Working in a world of hurt is essential reading for lecturers and students as well as the general reader *Fighting Fit* Kevin Brown,2008-09-01 The twentieth century saw two world wars and many other conflicts characterised by technological change and severity of casualties Medicine has adapted quickly to deal with such challenges and new medical innovations in the military field have had advantages in civil medicine There has thus been interplay between war and medicine that has not only been confined to the armed forces and military medicine but which has impacted on health and medicine for us all These themes will be examined from the Boer War to the dawn of a new century and a war against terror the experiences of individuals as doctors nurses and patients are highlighted with personal sometimes graphic first hand accounts bringing home the realities of medical treatment in wartime **A Civic Entrepreneur** Monty Jones,2018-07-09 This biography details the life and career of George Kozmetsky a prominent twentieth century Texas educator businessman technology innovator and philanthropist Crónica visual de la Segunda Guerra Mundial Neil Kagan,Stephen G.
