Healing His Wounded Church A Catholic Laymans Perspective:

Healing His Wounded Church John Black, 2004-08 Healing His Wounded Church exposes the roots of the problems in the Catholic Church and brings fresh thinking to bear for laying the axe to those roots It is plainspoken authentically Catholic and rich in content Having a vision of healing come from the spiritual journey of a common layman provides new and innovative thinking It serves a pressing need in today's Church Couples have been led into sinful practices in their marriages Two generations no longer know their Faith Few understand the spiritual life and how to pray This formation is presented with practical simplicity for clergy and lay apostles as well as for couples and families It leans heavily on John Paul II's Theology of The Body and teachings on family and spiritual life There are several deeply personal surprises included which are an inspiration According to the author Catholic Culture has run aground and must rise from the ashes of Pagan Modernism spawned in a camp of death The book calls for fidelity to Christ and to the teachings of his Church Only the salve of Truth will Heal His Wounded Church setting us free from sin and error *A Layman's Guide to the Book of Revelation* Reverend Fredrick A. Wierschke, 2020-08-31 Many mistakenly believe that Revelation is the most mysterious and hard to understand book of the Bible On the contrary a special blessing is promised to anyone who reads or anyone who hears the words of this prophecy Because many people in John's time could not read or write a scribe priest or someone else who could read would read scriptures out loud for the benefit of others In *A Layman's Guide to the Book of Revelation* author Reverend Fredrick A Wierschke offers an easy to understand interpretation of this book in the Bible Following the lead of the Holy Spirit Wierschke analyzes the scriptures verse by verse presenting in depth and thorough insight into this often misunderstood book Charts and note taking space are included **A Layman Investigates Universal Salvation** Patrick Seamus O'Hara, 2021-11-12 What do you know about universal salvation What is its history Have mistranslations of the Bible created an eternal hell that does not really exist What prominent persons in Christian history taught this doctrine and which ones worked to destroy it Is the teaching of universal salvation truly a heresy or has it been suppressed by church leaders interested in controlling their people by fear Patrick Seamus O'Hara needed answers to these questions This book is the result of research in which he went back into Christian history to examine events leading to the suppression of this once popular teaching in Christianity Drawing from ancient writings he looks at problems with Bible translations political intrigues within the church and the personal foibles of church leaders which led to the teaching of universal salvation disappearing from the Christian lexicon The three main objections to universal salvation are the Fifth Ecumenical Council the Bible and the writings of the early church fathers The author examines each one of these and shares from his research the reasons these are not legitimate objections The universal salvation of God's immense love is truly the good news of the gospel
