

PRAYER FOR STRENGTH AND HEALING

Almighty Lord,

I look up to you for strength and healing

Shine your face on me and fill me with your
life-giving powers. Calm my fears and bring
comfort and peace to my body.

I trust and know that Jesus carried my
sickness and my sins on the cross. So by the
power of the blood, I decree and declare that
any sickness in my body be gone. I rebuke
and cast out any diseases and infections in
my body. I lose myself from every infirmity
and weakened immune system.

Let your divine healing flow into every cell of
my body. Let it flow through my veins and my
blood.

Lord, I believe in your healing power and I
believe that by touching the hem of your
garment, I've received my healing through the
blood of Jesus Christ,

Amen

Healing Through The Power Of Prayer:

Dailey, 1998-08-31 Readers discover how the power of prayer can change their lives Full of easy to comprehend Biblical references as well as true accounts of people who have been transformed by prayer this is a complete guide for understanding the role that prayer has played in history and in the world today *The Healing Power of Prayer* Chester Tolson, Harold Koenig, 2003-09-01 Prayer can heal you It s not just hype or hope or a spiritual clich There is actual scientific evidence to support this Recent medical and psychological studies claim that prayer can relieve stress improve attitudes and mend bodies Prayer generates peace power and health a triple preventative that guards against anxiety and disease It s a simple act that heals According to Chet Tolson and Harold Koenig prayer helps people function at their best when life serves them the worst Even on good days it enhances the mind body soul connection In *The Healing Power of Prayer* these authors explain the nature of prayer what happens when we pray the restorative benefits of prayer how to organize prayer and much more Their facts and insights will encourage believers to increase the fainthearted to revive and skeptics to begin a life of prayer **Healing Through the Power of Prayer** Timothy J. Dailey, 1997-01-01 **The Healing Power of Prayer** Jean Maalouf, 2004-04 Why do we pray the way we pray Our temperament and the way we perceive God radically affect our spiritual life and our prayer life As Jean Maalouf affirms when we invite God into our lives through prayer things are bound to happen Love heals And God s love is the greatest healer *Healing Through Prayer* DR. D. K. OLUKOYA, 2014-07-11 Healing through prayers is a powerful presentation of the power of prayer when it comes to the area of healing and health Using familiar bible passages the author has traced instances of healing from Genesis to Revelation He maintains that God is the healer and that prayer is a means of grace for procuring one of the benefits of redemption Healing There are easy to follow instructions and prayers for total healing The word of God as an agent of healing is also upheld This book contains healing tablets that will give you soundness of health and keep you healthy **How to Pray when Life Hurts** Roy Lawrence, 1993 Roy Lawrence offers practical counsel and biblical wisdom for all who want to know how to pray when life hurts *The Healing Power of Prayer* Bridget Mary Meehan, 2017-05-02 This book offers you the opportunity to experience wholistic healing and a greater awareness of the variety of approaches that can be used in meditation to tap into the God within you and to access your spiritual energy for healing and transformation a clearer understanding of the value of imagination and prayer in the process of inner healing a deeper appreciation of inner healing prayer as a powerful tool in dealing with the problems of anxiety anger rejection stress guilt and loneliness a greater realization of the effectiveness and richness of inner healing meditation as a means to nourish your oneness with all creation in the Heart of God an increased ability to rely on various approaches to prayer as effective sacred practices for health and vitality If we are to appreciate the many different approaches to healing prayer however we must understand the historical and biblical framework of healing in

the church Part One offers a historical overview and explains Jesus outlook on healing the Christian Church s teachings about healing and the relationship between healing and the presence of the Divine in times of suffering It also presents a practical rationale for inner healing prayer and suggests ways to find spiritual transformation in everyday life Part Two presents ten different healing prayer experiences 1 Healing of Memories Prayer inviting the Holy One into a painful memory to break through the past with the power of grace in the present 2 Forgiveness Prayer asking Jesus to accompany you on a journey to give and receive forgiveness and healing in a painful relationship s 3 Journal Prayer using the intuitive powers of the mind to reveal the presence of the Infinite within you 4 Centering Prayer passing beyond thoughts images and feelings to rest in Divine Love 5 Scripture Prayer moving into the details and emotions of a biblical passage to listen to the Holy One speaking personally from within the text 6 Fantasy Prayer guided imagery prayer using the imagination to set the stage for a prayerful encounter with an inclusive God who is beyond all names Creator Holy Wisdom Sacred Mystery Abba Amma Christ and present in every faith tradition and beyond all religions 7 Relaxation Prayer releasing stressful situations relationships to God your Higher Power and discovering the Holy One s abiding indwelling tender presence everywhere 8 Healing Affirmations for Daily Living affirming messages from the Spirit within you 9 Prayer for Healing Families Races Nations Religions and Earth expanding consciousness to fully know that all are one 10 Prayer of the Sufferer encountering Divine Compassion in the midst of pain unanswered questions and puzzling mysteries This book does not advocate a theoretical approach that merely teaches about inner healing prayer and meditation Rather it attempts to integrate a contemporary theological perspective with a creative experiential approach This book is written with the conviction that we learn to pray by praying not by reading or talking about prayer It is also written from the conviction that healing prayer is an attainable life changing power As we experience the abundant love of Divine Presence dwelling within us and energizing us we can rejoice in our identity as a beloved image of God We can celebrate a new freedom that liberates us from bonds that limit our spiritual potential learn to forgive and ask forgiveness with greater courage become more aware of our own growing edges and develop greater compassion for others I hope you will reap rich rewards from this exploration into inner healing prayer and from your experience of the power of grace illuminating your path to the peace that surpasses understanding Philippians 4:7
