Healing From The Heart:

The Healing Heart Bruno Cortis, 2015-03-24 In the United States more than two thousand people die every day from heart disease while those who survive often suffer in pain and debilitating fear as they begin to cope with their own mortality and loss of independence As a practicing cardiologist for three decades Bruno Cortis MD has been personally touched by many of these cases But he has also found that when you're dealing with the spiritual center of the body there is healing to be found far beyond what simple medical care can provide The heart is where you detect the deepest of emotions and where you feel the presence of God So it's no wonder that heart disease often reflects not just a physical wound but a spiritual one and that so many writings throughout the Bible reference this part of the body In *The Healing Heart* Dr Cortis sheds light on many of these references incorporating their profound wisdom into exercises meditations and prayers designed for self healing Along with its discussions of affirmations visualizations and techniques for communicating directly with your heart this groundbreaking and inspirational look at the connection between body and soul has the ability to touch hearts and change lives *Healing from the Heart* Dana Grindal, 2021-04 **Tarot for the Healing Heart** Christine Jette, 2001 Jette details how to create a healing atmosphere through tarot One does not need to be a tarot expert or a healing practitioner to benefit from this book All that is needed is a desire to heal an open mind and a courageous heart **Healing Heart and Soul** Roger Cole, 2013-01-01 Can you mend a broken heart and begin to love again Can you remain calm in an ever changing world Discover who you really are a peaceful soul and what your true purpose in life is We all experience grief loss or sadness at some time in our lives Through spiritual lessons meditations and affirmations *Healing Heart and Soul* teaches us how to mend a broken heart overcome our vulnerability to loss and experience deep and lasting love When we understand that the soul mind heart and intellect are intimately entwined we begin to heal ourselves and others Through divine love we develop our healing power and become living angels who extend this healing to the world DR ROGER COLE is an oncologist and palliative care physician and has been caring for the terminally ill for many years He has published articles on palliative care meditation for health professionals and the spiritual care of the dying He is also the author of the bestselling book *MISSION OF LOVE* **My Healing Heart** Rosalie B. Reflections of a Healing Heart T. Monique,2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged
