Elites And Democratic Development In Russia

Karen Dawisha, Bruce Parrott

Elites And Democratic Development In Russia:

Elites and Democratic Development in Russia Vladimir Gel'man, Anton Steen, 2003-09-02 Investigates how elites have affected democratic development in Russia and how they influence the consolidation of the emerging political regime and post communist patterns of behaviour and attitudes

Political Elites and the New Russia Anton Steen, 2004-06-01 Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia's economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership

Elites and Democratic Development in Russia, 2001

Television and Presidential Power in Putin's Russia Tina Burrett, 2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia's political and economic elites and President Putin's attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president's wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics

Local Elites, Political Capital and Democratic Development Stefan Szücs, Lars

Strömberg, 2007-08-17 This book helps to understand in which ways local governing elites are important for the success or failure of national democratic development Although we know a great deal about the general importance of civil society and social capital for the development of sustainable democracy we still know little about what specific local governing qualities or political capital that interact with democratic development The collected data covers time series of surveys from between 15 to 30 political and administrative leaders in over a hundred middle sized European and Eurasian cities The study takes us across the 1980s and 1990s going from cities in Sweden and the Netherlands through the Baltic cities to the cities of Belarus and Russia The findings show the importance of local political capital based on commitments to core democratic values informal governance networks and the significance of initially connecting the community to global non economic

relationships

Russia's Road To Deeper Democracy Tom Bjorkman, 2004-05-13 Russia has embarked on a slow but steady path of foreign policy alignment with the West President Vladimir Putin's market oriented economic policies and structural reforms have added momentum But in the long run the decisive factor in Russia's relationship with the West will be the nature of the political order it builds on the ruins of communism There is a broad consensus among Western observers that Russia's effort to build Western style democratic institutions in the eleven years since the Soviet collapse has stalled somewhere between democracy as understood in the West and the highly authoritarian order Russia inherited from the USSR Some would say that Russia is doomed by its history and political culture to a lengthy period of semi authoritarianism In Russia's Road to Deeper Democracy Tom Bjorkman presents evidence that this assessment is too pessimistic and underestimates the forces for political change that lie beneath the surface of what seems to be an era of political somnolence Bjorkman argues that it is not the weight of history or the antidemocratic attitudes of the Russian population that restrain Russia from making progress toward stronger democratic institutions but specific leadership policies and elements of Russia's political elite who have a self interest in maintaining the status quo Putin and other senior leaders support for proposals for democratic change now under discussion in Russia can create the kind of competitive political marketplace that the country needs to avoid political stagnation and begin to build the strong and prosperous state that all Russians want America exerts a large influence on Russia's debate about its political future by demonstrating that Russia's progress toward a stronger democratic order matters to the United States and by treating Russia as a part of the West the United States can buttress internal forces pushing for a deeper Russian democracy

Democratic Elitism, 2010-01-11 Joseph Schumpeter's competitive theory of democracy often labeled democratic elitism has struck many as an apt and insightful description of how representative democracy works even though convinced democrats detect an elitist thrust they find disturbing But neither Schumpeter nor subsequent defenders of democratic elitism have paid enough attention to actual behaviors of leaders and elites Attention has been riveted on how adequately democratic elitism captures the relationship between governors and governed in its insistence that competitive elections prevent the relationship from being one way that is leaders and elites largely unaccountable to passive and submissive voters Why and how leaders and elites create and sustain competitive elections what happens if their competitions become excessively stage managed or belligerent how in short leaders and elites really act are some of the issues this book addresses Contributors are Heinrich Best Jens Borchert Michael Edinger Fredrik Engelstad Trygve Gulbrandsen John Higley Gabriella Ilonszki András Kórsányi Mindaugas Kuklys György Lengyel Anton Steen and Jacek Wasilewski

Authoritarian Russia Vladimir Gel'man, 2015-07-01 Russia today represents one of the major examples of the phenomenon of electoral authoritarianism which is characterized by adopting the trappings of democratic institutions such as elections political parties and a legislature and enlisting the service of the country's essentially authoritarian rulers Why and how has the electoral authoritarian regime been consolidated in Russia What are the

mechanisms of its maintenance and what is its likely future course This book attempts to answer these basic questions Vladimir Gel man examines regime change in Russia from the collapse of the Soviet Union in 1991 to the present day systematically presenting theoretical and comparative perspectives of the factors that affected regime changes and the authoritarian drift of the country After the fall of the Soviet Union Russia s national political elites aimed to achieve their goals by creating and enforcing of favorable rules of the game for themselves and maintaining informal winning coalitions of cliques around individual rulers In the 1990s these moves were only partially successful given the weakness of the Russian state and troubled post socialist economy In the 2000s however Vladimir Putin rescued the system thanks to the combination of economic growth and the revival of the state capacity he was able to implement by imposing a series of non democratic reforms In the 2010s changing conditions in the country have presented new risks and challenges for the Putin regime that will play themselves out in the years to come

Constraining Elites in Russia and Indonesia Danielle N. Lussier,2016-10-13 This is a thought provoking analysis on why democracy succeeds in some countries but not others comparing the post transition experiences of two cases of contemporary democratisation Russia and Indonesia Following authoritarian regimes democracy eroded in Russia but flourished in Indonesia so confounding dominant theories of democratisation that predicted the opposite outcomes based on their levels of socioeconomic development and histories of statehood Identifying key behaviours and patterns of political participation as a factor Lussier interweaves ethnographic interview and quantitative public opinion data to expand our understanding on how mass political participation contributes to a democracy s survival The integration of both micro and macro level data in a single study is one of this project s most significant contributions and will enhance its appeal to both researchers and instructors

Russia after the Cold War Mike Bowker,Cameron Ross,2014-06-17 In Russia after the Cold War the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia Russia after the Cold War is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman

Democratization in Russia: The Development of Legislative Institutions Jeffrey W. Hahn,2016-09-16 The development of Russian democracy has been a gradual process of maturation punctuated by dramatic events This text examines events such as the first free elections the Russian parliament s resistance to the 1991 coup and the bloody confrontation with the military in 1993

Democratic Changes and Authoritarian Reactions in Russia, Ukraine, Belarus and Moldova Karen

Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world's leading analysts of postcommunist politics this 1997 book brings together distinguished specialists on the former communist countries of Russia and the Western Newly Independent States Chapters on Belarus Moldova and Ukraine plus three chapters on Russia's regional politics its political parties and the overall process of democratization provide an in depth analysis of the uneven pattern of political change in these four countries Karen Dawisha and Bruce Parrott contribute theoretical and comparative chapters on postcommunist political development across the region This book will provide students and scholars with detailed analysis by leading authorities plus research data on political and economic developments in each country

History and Social Development: Elites, democracy and socialism B. M. Bhatia, 1974 History of India 18th 20th centuries Responding to a Resurgent Russia

Vinod K. Aggarwal, Kristi Govella, 2011-11-25 In this volume a set of issue and country experts tackle the questions surrounding the challenges of a resurgent Russia for the world order as well as for relations between the European Union and the United States Following a brief introduction laying out the circumstances of Russia's rise the book proceeds in three sections In the first Russian scholars tackle the topic of how a newly resurgent Russia sees the world The second section examines Russia's role in the contemporary global political economy in terms of trade and financial flows and nuclear energy The third section looks at American and European responses to Russia and the conclusion draws together the findings from each of the chapters and presents some broad propositions regarding Russia's rise and the challenges that it presents for the US EU and the international order in the years to come The implications of this collection are very broad and far reaching with ramifications for each of the players involved as well as for the development and refinement of general international relations theories concerning global conflict and cooperation making the book relevant for both policy makers and scholars of international relations Russian studies and international political economy

Russian Politics from Lenin to Putin S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow's architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

How Russia Is Not Ruled Allen C. Lynch, 2005-01-10 The state remains as important to Russia's prospects as ever This is so not only because as in any society an effectively functioning state administration is necessary to the proper functioning of a complex economy and legal system but also because in Russian circumstances factors of economic geography tend to increase costs of production compared to

the rest of the world These mutually reinforcing factors include the extreme severity of the climate the immense distances to be covered the dislocation between European population centers and Siberian natural resource centers and the inevitable predominance of relatively costly land transportation over sea borne transportation As a result it is questionable whether Russia can exist as a world civilization under predominantly liberal economic circumstances in a unified liberal global capital market large scale private direct capital investment will not be directed to massive outdoor infrastructure projects typical of state investment in the Soviet period

Reassessing Russia's Security Policy Nurlan Aliyev,2023-12-11 This book provides a detailed analysis of the evolution of Russia s security policy Based on extensive original research including an analysis of official documents political and military elite speeches interviews and reports and considering the subject from the early 20th century onward the book evaluates how far Russia s security policy is underpinned by strategic asymmetry the acceptance by Russia of its inferior military position and the pursuit of its strategic aims through the application of a variety of methods military and non military including the manipulation of public opinion the use of economic leverage and external security approaches known as Russia s hybrid war operations to gain the advantage over a militarily and economically superior adversary The book discusses how Russia s security policy has been and is being applied in specific cases including the present war in Ukraine the Russian anti satellite program and Russia s contemporary Afghan policy The aim of the book is to explain how and why Russia uses different security strategies and methods using these three cases

New Mobilities and Social Changes in Russia's Arctic Regions Marlene Laruelle,2016-07-22 This book provides the first in depth multidisciplinary study of re urbanization in Russia s Arctic regions with a specific focus on new mobility patterns and the resulting birth of new urban Arctic identities in which newcomers and labor migrants form a rising part of It is an invaluable reference for all those interested in current trends in circumpolar regions showing how the Arctic region is becoming more diverse culturally but also more integrated into globalized trends in terms of economic development urban sustainability and migration

Elite Origins of Democracy and Development in the Muslim World Michael T. Rock,Soli Özel,2023-12-01 Using an elite consensus conflict analytical frame this book examines why some majority Muslim countries perform so much better at democracy and or development than others questioning received wisdoms that Islam authoritarianism and underdevelopment go together Identifying four distinct democracy and development outcomes in the Muslim world four case studies are interrogated to show that there is more variability in democracy and development outcomes in Muslim majority countries than macro historical studies and aggregate data have shown By demonstrating that democracy and development outcomes in Muslim countries are the consequence of elite conflict and elite consensus rather than the precepts or institutions of Islam the book places the competition for power among contending elites rather than Islam at the center of the story of democracy and development in the Muslim world This book will be of key interest to scholars and students of political development development studies democratization and autocratization studies democracy promotion and more

Elites And Democratic Development In Russia Introduction

In today's digital age, the availability of Elites And Democratic Development In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Elites And Democratic Development In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Elites And Democratic Development In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Elites And Democratic Development In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Elites And Democratic Development In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Elites And Democratic Development In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide

range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Elites And Democratic Development In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Elites And Democratic Development In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Elites And Democratic Development In Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Elites And Democratic Development In Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elites And Democratic Development In Russia is one of the best book in our library for free trial. We provide copy of Elites And Democratic Development In Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elites And

Democratic Development In Russia. Where to download Elites And Democratic Development In Russia online for free? Are you looking for Elites And Democratic Development In Russia PDF? This is definitely going to save you time and cash in something you should think about.
