

# ELIZABETH'S BRITAIN

1944 to 1988

Philip Ziegler  
Author of Mountbatten

ELIZABETH'S  
BRITAIN

Philip Ziegler

*In the last sixty years Britain has undergone  
changes more profound than in any period of its history.  
Through all of these years the Queen's life runs like a constant thread,  
visible evidence of stability, and an assurance of continuity.*

## **Elizabeths Britain 1926 1986:**

Elizabeth's Britain Philip Ziegler, 1986      **Elizabeth's Britain, 1926 to 1986** Philip Ziegler, 1986      **Freemasonry and the Press in the Twentieth Century** Paul Calderwood, 2016-04-15

By the end of the twentieth century Freemasonry had acquired an unsavoury reputation as a secretive network of wealthy men looking out for each others interests The popular view is of an organisation that if not actually corrupt is certainly viewed with deep mistrust by the press and wider society Yet as this book makes clear this view contrasts sharply with the situation at the beginning of the century when the public s perception of Freemasonry in Britain was much more benevolent with numerous establishment figures including monarchs government ministers archbishops and civic worthies enthusiastically recommending Freemasonry as the key to model citizenship Focusing particularly on the role of the press this book investigates the transformation of the image of Freemasonry in Britain from respectability to suspicion It describes how the media projected a positive message of the organisation for almost forty years based on a mass of news emanating from the organisation itself before a change in public regard occurred during the later twentieth century This change in the public mood the book argues was due primarily to Masonic withdrawal from the public sphere and a disengagement with the press Through an examination of the subject of Freemasonry and the British press a number of related social trends are addressed including the decline of deference the erosion of privacy greater competition in the media the emergence of more aggressive and investigative journalism the consequences of media isolation and the rise of professional Public Relations The book also illuminates the organisation s collisions with nationalism communism and state welfare provision As such the study is illuminating not only for students of Freemasonry but those with an interest in the wider social history of modern Britain

**Happily Ever After?** Niamh Baker, 1989-10-20 This work looks at the body of women s fiction written in postwar Britain up to 1960 It examines the myth of the fairy tale ending and what changes the postwar period has wrought in subverting stereotypes

*Lilibet* Carolly Erickson, 2007-04-01 In *Lilibet* master biographer Carolly Erickson turns her skill at writing un put downable narrative to telling the remarkable story of Elizabeth II Queen of England With her customary psychological insight historian Erickson traces the queen s gilded but often thorny path from her overprotected girlhood to her ascension to the throne at twenty five to her personal and national difficulties as queen *Lilibet* shows us an Elizabeth we thought we knew but shows her in a different light as a small shy woman with a sly and at times raucous sense of humor a woman who appears stiff in public but in private enjoys watching wrestling on TV A woman most at home among her horses and dogs And a woman long annealed to heartbreak and sorrow who has presided over the decline of Great Britain and the decline in prestige of her own Windsor dynasty Far from being a light gossip treatment of a celebrity *Lilibet* tells the queen s story from her point of view letting the reader relive Elizabeth s long and eventful life with all its splendid ceremonies momentous responsibilities and family clashes Through it all we glimpse as never before the strong and appealing sovereign who has ruled over her people for half

a century and more a ruler of immense wealth international esteem and high character whose daily life is grounded in the bedrock of common sense      Between the Wars Philip Ziegler,2017-03-07 At the end of 1918 one prescient American historian began to write a history of the Great War What will you call it he was asked The First World War was his bleak response In Between the Wars Philip Ziegler examines the major international turning points cultural and social as well as political and military that led the world from one war to another His perspective is panoramic touching on all parts of the world where history was being made giving equal weight to Gandhi s March to the Sea and the Japanese invasion of China as to Hitler s rise to power It is the tragic story of a world determined that the horrors of the First World War would never be repeated yet committed to a path which in hindsight was inevitably destined to end in a second even more devastating conflict      *The British Library General Catalogue of Printed Books, 1986 to 1987* British Library,1988      Olivier Philip Ziegler,2014-06-03 A finalist for the Sheridan Morley Prize that has been called probably the best Olivier book for general readers Kirkus Reviews Philip Ziegler s Olivier provides an incredibly accessible and comprehensive portrait of this Hollywood superstar Oscar winning director and one who is considered the greatest stage actor of the twentieth century The era abounded in great actors Gielgud Richardson Guinness Burton O Toole but none could challenge Laurence Olivier s range and power By the 1940s he had achieved international stardom His affair with Vivien Leigh led to a marriage as glamorous and as tragic as any in Hollywood history He was as accomplished a director as he was a leading man his three Shakespearian adaptations are among the most memorable ever filmed And yet at the height of his fame he accepted what was no more than an administrator s wage to become the founding Director of the National Theatre In 2013 the theatre celebrates its fiftieth anniversary without Olivier s leadership it would never have achieved the status that it enjoys today Off stage Olivier was the most extravagant of characters generous yet almost insanely jealous of those few contemporaries whom he deemed to be his rivals charming but with a ferocious temper With access to more than fifty hours of candid unpublished interviews Ziegler ensures that Olivier s true character at its most undisguised shines through as never before

**International Who's Who of Authors and Writers 2004** Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters      **Historical Dictionary of the United Kingdom: England and the United Kingdom** Kenneth John

Panton, Keith Arthur Cowlard, 1997 An essential and handy reference work to England and the United Kingdom in general Contains concise dictionary entries on the prominent personalities events and institutions that shaped British history as well as entries that detail noteworthy places and aspects of the country s economic social and cultural life This historical dictionary also provides a handy overview of geography and history of the country a chronology lists of monarchs and prime ministers several maps and a substantial bibliography **The Guardian Index** ,1986 *THE INTERNATIONAL WHO'S WHO* 56 1992-93,1992 *The Queen* Ben Pimlott,2002 A fully revised edition of Ben Pimlott s classic biography of the Queen There will be no better biography of Elizabeth II PETER HENNESSY Independent on Sunday The institution of monarchy in Britain is in deep crisis Scarcely a day goes by without some new revelation about the private life of some or other of the Royals splashed all over the tabloid newspapers and public interest in the House of Windsor is more feverish and obsessional than ever Royal books written by journalists and royal watchers are ten a penny and all without exception concentrate on the private lives and traumas of their subjects This is the only book to take the present Queen seriously as the subject of historical biography or to examine in depth the influences that formed her or the ideas she represents Ben Pimlott described by Andrew Marr in the Independent as the best writer of political biography now writing treats the Head of State who has been uniquely placed at the centre of the national stage since childhood to the rigorous and objective scrutiny he has applied to major political personalities using a wide range of new sources including interviews diaries and letters and papers in the Royal Archives The Queen looks at the social political and psychological aspects of his subject in detail as well as at the changing role of Monarchy in the British Constitution In the process the book displays all the author s formidable analytic and narrative skills and provides a gripping yet sensitive account of one of the most publicised yet least known figures of our time It is vital reading for all those who care about public life in Britain past present and to come
