## **Elusive Legacy:**

*The Olympic Legacy* Alan Tomlinson, 2017-10-02 This comprehensive collection provides an overview of social scientific perspectives on Olympic legacy using specialist analyses and selected cases to illuminate the recurring anthropological political and sociological dimensions of the legacy debate Drawing upon research conducted on the Beijing Vancouver Athens London and Rio de Janeiro Olympic Games it identifies the recurrent rhetoric that has characterised the legacy debate alongside the harsh realities that contradict many legacies and aspirations Fifteen researchers from six countries contribute a range of critical analytical studies which explore macro perspectives on the shifting political economy symbolized at Beijing or in an over reaching Greece the soft power benefits perceived by the Rio 2016 organizers the anthropological study of neighbourhood spaces threatened by corporate branding and the apparatus of surveillance surrounding an Olympic Games The symbolic importance of the Games is also captured in studies of volunteer motivations labour and work initiatives and the introduction of women s boxing at London 2012 In a comprehensive overview Alan Tomlinson illuminates the rhetoric of successive Olympic cycles and the rise to prominence of the legacy question in that debate This book was originally published as a special issue of Contemporary Social Science      *Legacies of Fear* Frank Murray Greenwood, Osgoode Society, 1993-01-01 Many people assume that a French English cleavage has always existed and historians have been uncertain as to just how it unfolded This book provides the answer Greenwood re creates a Quebec in which trust between French and English Canadians was an early casualty of the execution of Louis XVI and the descent of the French Revolution through terror into war Fearing invasion the English community through the law officers of the crown drafted draconian legislation and established an efficient counter intelligence service Lower Canada in these years was a hotbed of spies and counter intelligence highlighted by the trial for high treason of an American undercover agent for revolutionary France Placing the legal history of Quebec in the foreground of these dangerous and dramatic events Greenwood reveals this period as a turning point that altered not only French English relations but Canada s legal and constitutional inheritance While the focus is on legal and political history the narrative also details intellectual military social and economic developments The author pursues many dynamic themes of the period including the riots among working people in the 1790s the differences in judicial behaviour when security matters were at stake the setting up of the first formal counter intelligence service and issues related to the suspension of habeas corpus Murray Greenwood is one of Canada s finest legal historians In this work his wide perspective supported by extensive documentation brings new evidence and insight to a formative and somewhat neglected period in Canada s history      **National-Socialist Archaeology in Europe and its Legacies** Martijn Eickhoff, Daniel Modl, Katie Meheux, Erwin Nuijten, 2023-08-14 This edited volume is dedicated to national socialist archaeology as a Europe wide phenomenon It analyses national socialist attempts to denationalize the archaeologies of European nations by creating a new unifying European archaeology on a racial basis From the beginning of the nineteenth

century archaeology began to develop into an important force behind processes of nation building At the same time structures of transnational academic collaboration contributed strongly to the internal dynamics of the research field which was primarily organized on a national basis In those European countries that were confronted with national socialist occupation and repression between 1939 and 1945 these transnational archaeological networks were to prove crucial for the development of national socialist archaeological policies This volume will reveal how national socialist archaeology was to an extent valued positively in its time as highly innovative even influencing the archaeology of non occupied countries Although in the final instance it generally failed to displace the national archaeologies in Europe the volume also analyses the long term impact of national socialist rule on the development of European archaeology How did the attempts to create a unified European archaeology after 1945 continue to influence networks methods and terminologies institutional structures or popular representations of the early past Chapter 1 Is available open access under a Creative Commons Attribution 4.0 International License via Springerlink

**Ida B. Wells** Kristina DuRocher, 2016-08-25 Born into slavery in 1862 Ida B Wells went on to become an influential reformer and leader in the African American community A Southern black woman living in a time when little social power was available to people of her race or gender Ida B Wells made an extraordinary impact on American society through her journalism and activism Best known for her anti lynching crusade which publicly exposed the extralegal killings of African Americans Wells was also an outspoken advocate for social justice in issues including women's suffrage education housing the legal system and poor relief In this concise biography Kristina DuRocher introduces students to Wells's life and the historical issues of race gender and social reform in the late 19th and early 20th century U.S. Supplemented by primary documents including letters speeches and newspaper articles by and about Wells and supported by a robust companion website this book enables students to understand this fascinating figure and a contested period in American history

**The Secret of the Hidden Room** T.J. Ravenscroft, 2023-12-28 Dive into the enigmatic world of Ravenwood Manor where the echoes of the past reverberate within its ancient walls In *The Secret of the Hidden Room* A Mystery of Intrigue follow Evelyn a determined detective as she unravels the veil of secrecy cloaking this mysterious estate Amidst the moonlit corridors and whispered legends Ravenwood Manor holds untold secrets each locked away behind hidden passages and obscured truths When Evelyn receives a cryptic invitation to delve into the mysteries of this foreboding estate she embarks on a journey that will test her wits courage and determination As she navigates the labyrinthine halls Evelyn encounters a tangled web of alliances elusive clues and a haunting history that refuses to stay buried Shadows dance across the walls and whispers echo through forgotten chambers guiding her closer to the heart of the estate's enigmatic past With each revelation Evelyn inches closer to unraveling the estate's ultimate truth a truth that has remained concealed for centuries guarded by a legacy veiled in deception and hidden motives From deciphering cryptic codes to confronting dark revelations she faces a daunting quest to bring light to the obscured narrative of Ravenwood Manor As she uncovers the

secrets hidden within the estate's spectral echoes Evelyn grapples with the weight of its history a legacy fraught with intrigue suspense and the enduring allure of the unknown The mystery deepens the stakes heighten and the truth lies just beyond the hidden room a room that holds the key to unlocking the mansion's ultimate secret The Secret of the Hidden Room A Mystery of Intrigue is an enthralling tale of deception suspense and the relentless pursuit of truth Join Evelyn on an unforgettable journey through the shadows and uncover the hidden truths that dwell within the heart of Ravenwood Manor

Africans in Colonial Mexico Herman L. Bennett, 2005-02-23 From secular and ecclesiastical court records Bennett reconstructs the lives of slave and free blacks their regulation by the government and by the Church the impact of the Inquisition their legal status in marriage and their rights and obligations as Christian subjects **Mark Twain, Culture and Gender** J. D. Stahl, 2012-03-01 Often regarded as the quintessential American author Mark Twain in fact mined his knowledge and experience of Europe as assiduously as he did his adventures on the Mississippi and in the American West In this challenging and original study J D Stahl looks closely at various Twain works with European settings and traces the manner in which the great writer redefined European notions of class into American concepts of gender identity and society Stahl not only examines such famous writings as *The Innocents Abroad* *The Prince and the Pauper* *A Connecticut Yankee in King Arthur's Court* and the *Mysterious Stranger* manuscripts but also treats a number of neglected works including *1601* *A Memorable Midnight Experience* and *Personal Recollections of Joan of Arc* In these writings Stahl shows Twain utilized the terms and symbols of European society and history to express his deepest concerns involving father son relationships the legitimization of parentage female political and sexual power the victimization of good women and ultimately the desire to bridge or even destroy the barriers between the sexes The exoticism of foreign culture with its kings and queens priests and aristocrats furnished Twain with some especially potent images of power authority and tradition These images Stahl argues were plastic material in Mark Twain's hands enabling the writer to explore the uncertainties and ambiguities of gender in America what it meant to be a man in Victorian America what Twain thought it meant to be a woman how men and women did could and should relate to each other Stahl's approach yields a wealth of fresh insights into Twain's work In discussing *The Innocents Abroad* for example he analyzes the emergence of the Mark Twain persona as part of a quest for cultural authority that often took the form of sexual role playing He also demonstrates that *The Prince and the Pauper* even more strikingly than *Adventures of Huckleberry Finn* embodies the writer's central myth of orphaned sons searching for surrogate fathers His reading of *A Connecticut Yankee* is a tour de force uncovering the psychological contradictions in Twain's political aspirations toward democratic equality Stahl's book is an important contribution to literary scholarship informed by psychology gender study cultural theory and traditional Twain criticism It confirms Mark Twain's debt to European culture even as it illuminates his re-envisioning of that culture in his own uniquely American way *The Odditorium* Melissa Pritchard, 2012-01-10 A writer at the height of her powers Oprah.com In each of these eight lyrical and baroque tales Melissa

Pritchard transports readers into spine tingling milieus that range from the astounding realm of Robert LeRoy Ripley's odditoriums to the courtyard where Edgar Allan Poe once played as a child Whether she is setting the famed figures of Buffalo Bill's Wild West Show including Annie Oakley and Sitting Bull against the real genocidal history of the American West or contrasting the luxurious hotel where British writer Somerset Maugham stayed with the modern day brothels of India her stories illuminate the many ways history and architecture exert powerful forces upon human consciousness Melissa Pritchard is the author of the novel *Palmerino* the short story collection *The Odditorium* and the essay collection *A Solemn Pleasure To Imagine Witness and Write* among other books Emeritus Professor of English and Women's Studies at Arizona State University she now lives in Columbus Georgia

Happy Landings Patti Bender, 2023-03-14 Rom coms meet cutes mystery men courageous women and the happy endings of today draw a direct line to the words between the covers of Emilie Loring's romance novels With a career spanning 40 years Emilie Baker Loring saw millions of her books sold during her lifetime *Happy Landings* Emilie Loring's Life Writing and Wisdom shares this best selling author's uplifting story for the first time Loring's books brimmed with intricate plot twists intense imagery and page turning excitement setting her works apart from the drugstore novels of the early to mid 20th century Her oft quoted phrases are part of the American lexicon Her readership has continued long after her passing Now with generations of readers Loring's books have sold more than thirty seven million copies in a dozen languages And now Emilie's own compelling life story is finally told in full With never before published photographs privileged access to the Loring family archives and twenty years of meticulous research Patti Bender reveals a woman who lived as she wrote with intelligence humor and wisdom After all living is the greatest thing we'll ever do Why not make an art of it Emilie Loring Emilie Loring lived through two World Wars a pandemic the Great Depression and deep personal loss with her optimism intact and thirty best selling novels to show for it This is a woman's story in swiftly changing times for women a charming story with little known anecdotes about prominent authors and the story of a writer in the making with advice and encouragement for aspiring authors I am personally grateful to Patti for filling out a dim long ago picture of my grandmother Her skillful sensitive portrait brings Emilie alive for me and adds many new dimensions hard working organized feminist with an extraordinary sense of optimism and faith that things would turn out all right Valentine Loring Titus Emilie Loring's granddaughter

The Role of Humanities in Understanding Society: A Broad Perspective Dr. Mandavi Choudhary ,Dr. Anupama Verma,Dr. Uttam Kumar Panda,Ms. Richika Kedia,Dr.Prasenjit karmakar, 2025-05-20

**Printers' Ink** ,1918 *Hindus* Julius Lipner, 2012-10-02 Julius Lipner's *Hindus* is widely recognised as essential reading for everyone wishing to understand one of the world's great religious traditions Hinduism comprises the religion and culture of the great majority of the people of India a country tipped to become a world superpower politically economically and culturally in the course of the present century The vast array of diverse beliefs and practices usually described as Hindu has been notoriously difficult to corral under a single regulating theme Julius Lipner provides not only a wide ranging

introduction to Hindu religious and cultural diversity but also suggests a way to characterize Hinduism as a distinct tradition that has survived and adapted to changing circumstances from ancient times to the present day Lipner is a recognised authority on Hinduism's polycentric emphasis and his book is based on a lifetime of research and personal experience of his subject In this thoroughly revised and substantially enlarged second edition students of Hinduism will find more coverage of the debate about Hindu origins the nature and practice of Hindu worship the role of women the scope of dharma and morality Hindu philosophical thought and the use of reason and the way caste functions *Humanities*, 1993 *Global Rebellion* Mark Juergensmeyer, 2008-05-16 Why has the turn of the twenty first century been rocked by a new religious rebellion From al Qaeda to Christian militias to insurgents in Iraq a strident new religious activism has seized the imaginations of political rebels around the world Building on his groundbreaking book *The New Cold War Religious Nationalism Confronts the Secular State* Mark Juergensmeyer here provides an up to date road map through this complex new religious terrain Basing his discussion on interviews with militant activists and case studies of rebellious movements Juergensmeyer puts a human face on conflicts that have become increasingly abstract He revises our notions of religious revolution and offers positive proposals for responding to religious activism in ways that will diminish the violence and lead to an accommodation between radical religion and the secular world *Monitoring American Federalism* Christian G. Fritz, 2023-01-26 *Monitoring American Federalism* examines some of the nation's most significant controversies in which state legislatures have attempted to be active partners in the process of constitutional decision making Christian G Fritz looks at interposition which is the practice of states opposing federal government decisions that were deemed unconstitutional Interposition became a much used constitutional tool to monitor the federal government and organize resistance beginning with the Constitution's ratification and continuing through the present affecting issues including gun control immigration and health care Though the use of interposition was largely abandoned because of its association with nullification and the Civil War recent interest reminds us that the federal government cannot run roughshod over states and that states lack any legitimate power to nullify federal laws Insightful and comprehensive this appraisal of interposition breaks new ground in American political and constitutional history and can help us preserve our constitutional system and democracy *The Smells and Senses of Antiquity in the Modern Imagination* Adeline Grand-Clément, Charlotte Ribeyrol, 2021-12-16 This volume tackles the role of smell under explored in relation to the other senses in the modern rejection reappraisal and idealisation of antiquity Among the senses olfaction in particular has often been overlooked in classical reception studies due to its evanescent nature which makes this sense difficult to apprehend in its past instantiations And yet the smells associated with a given figure or social group convey a rich imagery which in turn connotes specific values perfumes scents and foul odours both reflect and mould the ways in which a society thinks or acts Smells also help to distinguish between male and female citizens and strangers and play an important role during rituals *The Smells and*

Senses of Antiquity in the Modern Imagination focuses on the representation of ancient smells both enticing and repugnant in the visual and performative arts from the late 18th century up to the 21st century The individual contributions explore painting sculpture literature and film but also theatrical performance museum exhibitions advertising television series historical reenactment and graphic novels which have all played a part in reshaping modern audiences perceptions and experiences of the antique

**Revolutionary England, 1642-1702: Oxford Bibliographies Online Research Guide**

**Ariosto in the Machine Age** Alessandro Giammei,2023-11-01 Ariosto in the Machine Age reveals how the most influential poet of the Renaissance was conjured or appropriated to shape Magical Realism avant garde painting Fascist cultural propaganda and cinema in modern Italy between the birth of Futurism and the end of the Second World War Based on substantial archival findings bold iconographic hypotheses and novel interpretations of literary texts the book proposes a new account of Italy s twentieth century culture through a unique take on Ludovico Ariosto s early modern poetics and legacy Starting from the unexpected pass ism of Futurists visiting Ferrara on the eve of the First World War it rereads the development of Giorgio de Chirico s Metaphysical art and Massimo Bontempelli s Realismo Magico The book reconstructs the multimedia archive of the Fascist initiatives for the 1933 centennial anniversary of Ariosto s death and then focuses on the passage between Fascist cinema and the birth of neorealism unearthing unfinished adaptations of the Orlando Furioso by Luchino Visconti and Alessandro Blasetti Questioning the very concept of reception this radically interdisciplinary book warns twenty first century readers about the risks of monumentalizing the great authors of the past

**Fire under the Ashes**

John Donoghue,2024-05-31 In Fire under the Ashes John Donoghue recovers the lasting significance of the radical ideas of the English Revolution exploring their wider Atlantic history through a case study of Coleman Street Ward London Located in the crowded center of seventeenth century London Coleman Street Ward was a hotbed of political social and religious unrest There among diverse and contentious groups of puritans a tumultuous republican underground evolved as the political means to a more perfect Protestant Reformation But while Coleman Street has long been recognized as a crucial location of the

English Revolution its importance to events across the Atlantic has yet to be explored Prominent merchant revolutionaries from Coleman Street led England's imperial expansion by investing deeply in the slave trade and projects of colonial conquest Opposing them were other Coleman Street puritans who having crossed and re crossed the ocean as colonists and revolutionaries circulated new ideas about the liberty of body and soul that they defined against England's emergent political economy of empire These transatlantic radicals promoted social justice as the cornerstone of a republican liberty opposed to both political tyranny and economic slavery and their efforts Donoghue argues provided the ideological foundations for the abolitionist movement that swept the Atlantic more than a century later      An Interpretation of Religion John

Hick, 2004-01-01 In this classic work prominent religious philosopher John Hick presents a global interpretation of religion arguing for a religious response to our ambiguous universe and showing how the world's different religions are culturally conditioned forms of that response For this Second Edition Hick addresses the major critics of his interpretation of religion thereby enabling fresh discussion of his work Praise for the first edition This book strengthens Hick's position as one of the most significant thinkers of the second half of the twentieth century I highly recommend it to students of philosophy history of religions and comparative studies as well as theology Chester Gillis Journal of Religion The most persuasive philosophical advocacy for religious pluralism ever written Yandall Woodfin Southwestern Journal of Theology This work evinces Hick's many virtues ingenuity fairness toward all arguments deference to the standards of analytic philosophy familiarity with Eastern as well as Western religions and not least a clean clear prose Robert A Segal Christian Century A leader in interfaith interpretation of religion Hick has written what will probably become a classic Clear readable and comprehensive Library Journal Should be read by the adherents of all faiths Rabbi Dan Cohn-Sherbok
