Orczy, Montagu Barstow, 2023-12-12 THERE lies before me as I write a quaint old book from this little book torn and soiled its edges all gone nearly all the stories in this volume are drawn In their earliest childhood Hungarian children hear the story of Forget me Not Nfelejts the history of the Twin Hunchbacks A R t T rpe and the doings of the wicked Sultana in the Magic Cat A B vos Macska In my little book is the shell of these stories told simply and in few words Who was the originator of them I do not think any one knows for I have found in many instances the same incidents occurring in the fairy tales of most nations A modified form of the vain fairy Narcissa is revived in Little Snow White and Riquet with the Tuft has if I mistake not an incident similar to that in The Twin Hunchbacks But then again who has ever traced the origin of all the proverbs and jokes that exist and have existed for generations in two score or more Eastern and Western Latin Teutonic or Slavonic languages

Old Hungarian legends just like old Hungarian music have to the national mind no palpable origin though J kay or Gaal have rewritten the former and Liszt or Brahms have familiarized the world with the latter The following little collection has helped me in my childhood to pass many pleasant hours so I now give them to my little English readers embellished by many drawings in the hope that they may derive as much pleasure from this little volume of magic and adventure as I did from my old torn copy of N pmes k      **Arthur Spiderwick's Field Guide to the Fantastical World Around You** Tony

DiTerlizzi,Holly Black,2005 With 41 fabulous full color plates six gatefolds six watercolor landscapes scores of black and white and color sketches of 31 faierie species this book is destined to be a favorite of even the most demanding faierie enthusiast Illustrations      *A Light in Dark Places* Daniel Sykes,2016-06-08 I worked as a welder fabricator for twenty five years and along the way and as long as I can remember I enjoyed a crowded room for enough time as was shared in my own space with or without company in the time I would love to relax Others who were relaxing were a little pushy with questions most wouldnt answer so they also came to me a fair bit and I would enjoy actually saying something in another way other than that which they most likely expected and were looking for to transpose thoughts which just pop in the mind without even touching the sides and without provocative thoughts entering their heads And this would actually relax them and ease all words to the flow of other surrounding conversations that they now would if they wished more easily be able to join I had a lot of thought regarding my ability to defuse trouble which was always liked even by those who stirred the strings just to get an answer If I wanted to I may give it or Id use one of the other ways of reacting that I could choose in ensuring quality time which is short for not only myself but the others with and around me Sometimes when people brought things up that made others hush to hear the reply I would take the opportunity to say something anyway even though I didnt have to with a little thought and wit and I make the others laugh at the good old Aussie comebacks being used even the ones that had to have more than a one line And if you could do it in two everyone smiles and so poetry was there in the motion of freely playing the game sharing the fun of showing the humour in good conversation      A Little Larger Than the Entire Universe Fernando Pessoa,2006-04-04 The largest and richest English language volume of poetry from the greatest twentieth century writer you have never heard of Los Angeles Times Edited Translated and with an Introduction by Richard Zenith the author of the Pulitzer Prize finalist Pessoa A Biography A Penguin Classic Writing obsessively in French English and Portuguese poet Fernando Pessoa 1888 1935 left a prodigious body of work much of it credited to three heteronyms Alberto Caeiro Ricardo Reis and Alvaro de Campos alter egos with startlingly different styles points of view and biographies Offering a unique sampling of his most famous voices this collection features Pessoa s major best known works and several stunning poems that have come to light only in this century including his long highly autobiographical swan song Featuring a rich body of work that has never before been translated into English this is the finest introduction available to the stunning breadth of Pessoa s genius      **Unicorns Make Us Fly, Hobbits Say Life Is a Play** Juanita de Guzman Gutierrez BSED
