Emancipating Cultural Pluralism Suny Series In National Identities:

Emancipating Cultural Pluralism Cris E. Toffolo, 2012-02-01 Combining detailed case studies with discussions of deeper theoretical controversies *Emancipating Cultural Pluralism* investigates both the benign and harmful aspects of identity politics This provocative collection delves into some of the most difficult issues of cultural pluralism such as what accounts for the immense power of identity politics whether identity politics can be inherently good or evil whether states are the right institutions to deal with ethnic conflict the prevention of genocide the value of devolving power to the local level and more The contributions are united by the conviction that more attention needs to be paid to the normative issues associated with various expressions of cultural pluralism for the ethical implications of the phenomena are too profound to be ignored

The Anthropology of Citizenship Sian Lazar, 2013-11-11 The *Anthropology of Citizenship* introduces the theoretical foundations of and cutting edge approaches to citizenship in the contemporary world in local national and global contexts Key readings provide a cross cultural perspective on citizenship practices and an individual citizen's relationship with the state Introduces a range of exciting and cutting edge approaches to citizenship in the contemporary world Provides key readings for students and researchers who wish to gain an understanding of citizenship practices and an individual's relationship with the state in a global context Offers an anthropological perspective on citizenship the self and political agency with a focus on encounters between citizens and the state in education law development and immigration policy Provides students with an understanding of the theoretical foundations of citizenship as characterized by liberal and civic republican ideas of political belonging and exclusion Explores how citizenship is constructed at different scales and in different spaces Twenty five key writings identify what is a new and vibrant subfield within politics and anthropological research
