New Age, 2001

11 Days at the Edge Michael, 2008-06-01 Revolutionary idealist and vocal cultural critic Andrew Cohen promotes a new spiritual paradigm in this exploration of a true visionary's controversial school of thought Though Cohen was once a teacher of personal enlightenment he now quests for a joint spiritual longing and humanitarian love two forces that enable and empower each other to the point where enlightenment becomes evolution Uncompromising in his call for human transformation Cohen is presented as an illustrious spiritual figure whose liberated consciousness and ruthless deconstruction of the culture around him have kept everyone talking in 2004 he was invited to address the Parliament of World Religions an unusual honor for a man buoyed by no established spiritual tradition and unyielding in his demand for integrity
