*Texts and Textiles* Diana Mary Eva Thomas, 2017-03-07 This study shows how fiction that makes use of textiles as an essential element utilizes synaesthetic writing and synaesthetic metaphor to create an affective link to and response in the reader These links and responses are examined using affect theory from Silvan Tomkins and Brian Massumi and work on synaesthesia by Richard Cytowic Lawrence Marks and V S Ramachandran among others Synaesthetic writing including synaesthetic metaphors has been explored in poetry since the 1920s and more recently in fiction but these studies have been general in nature By narrowing the field of investigation to those novels that specifically employ three types of hand crafted textiles quilt making knitting and embroidery the book isolates how these textiles are used in fiction The combination of synaesthesia memory metaphor and particularly synaesthetic metaphor in fiction with textiles in the text of the case studies selected shows how these are used to create affect in readers enhancing their engagement in the story The work is framed within the context of the history of textile production and the use of textiles in fiction internationally but concentrates on Australian authors who have used textiles in their writing The decision to focus on Australian authors was taken in light of the quality and depth of the writing of textile fiction produced in Australia between 1980 and 2005 in the three categories of hand crafted textiles quilt making knitting and embroidery The texts chosen for intensive study are Kate Grenville's *The Idea of Perfection* 1999 quilting Marele Day's *Lambs of God* 1997 knitting and Anne Bartlett's *Knitting* 2005 knitting Jessica Anderson's *Tirra Lirra by the River* 1978 embroidery and Marion Halligan's *Spider Cup* 1990 embroidery

A particularly intriguing mystery featuring a female police detective and a former child star with secrets to hide Booklist Just back from her honeymoon Detective Inspector Joanna Piercy heads back to work in Staffordshire England and gets handed a case she can do without nuisance calls from an old lady ringing the police incessantly to report seemingly trivial incidents The woman in question is Timony Weeks a child star of the sixties in the once popular soap Butterfield Farm who now lives in an isolated farmhouse It seems unlikely that someone is really moving her nightdress around or leaving a dead mouse in her bread box Joanna is sure she's putting on an act and wasting police time But as things escalate something doesn't feel right and as Joanna digs into

Timony's past she finds that the aging actress may be in danger after all. A solid police procedural especially likely to appeal to 1960s nostalgia buffs. **Kirkus Reviews**

**The Quiet Woman** Priscilla Masters, 2024-07-02 Nurse Florence Shaw is baffled when a quiet patient dies in an apparent suicide pact with her husband. Can she uncover the truth behind this mysterious woman? Richard and Christine Clay have been married for decades. Their relationship has stood the test of time despite Christine appearing passive while her husband is unmistakably dominant at times bullying and controlling. Nurse Florence Shaw has seen Christine at the surgery a number of times with minor complaints over the past year none of which has led to a serious diagnosis. But when Florence hears that the couple appear to have entered into a suicide pact she is shocked though not surprised that Richard has survived. Was Christine's death really a suicide or was there more to this quiet woman than meets the eye.

**Crooked Streets** Priscilla Masters, 2017-02-01 Detective Inspector Joanna Piercy investigates the disappearance of a young husband and discovers all is not as it seems. Jadon Glover is good looking professional reliable and a perfect husband according to his wife. So when he fails to return home one miserable March night she rings the police certain that something has happened to him. DI Joanna Piercy and DS Mike Korpanski are sceptical there is no such thing as a perfect marriage. So what is the truth about Jadon? As the investigation proceeds it soon becomes apparent that Jadon Glover has been keeping dark secrets from his wife. And as the police pursue their house to house enquiries through the claustrophobic jumbled streets of cramped Victorian terraces they unearth other secrets from behind the net curtains. But whatever else has been going on among the inhabitants' quiet desperate lives it's clear that at least one of them knows what really happened to Jadon.

**Blood on the Rocks** Priscilla Masters, 2019-06-01 DI Joanna Piercy is not happy when she's assigned the apparently minor case of finding a missing elderly man but it turns out to be far more sinister. DI Joanna Piercy is irritated at what she perceives to be an attempt to wrap her up in cotton wool during her pregnancy when she is asked to take on the case of Zachary Foster a missing ninety six year old man suffering from dementia. Zachary has vanished from his residential care home on the edge of Leek during the night with his beloved old teddy bear. He can't have gone far surely but how did a frail elderly man manage to abscond from a secure house at night? As Joanna investigates it soon becomes clear that this apparently minor case is far more sinister than it first appears. Could her own life and that of her unborn child be at risk?

**Recalled to Death** Priscilla Masters, 2015-10-01 Coroner Martha Gunn is baffled by the discovery of an unidentified body in the ruins of a local beauty spot. On a bright spring morning John Hyde opens the gates to the grounds of Moreton Corbet Castle a local medieval ruin and discovers the body of a homeless man with his throat slashed. Detective Inspector Alex Randall and his team soon face some disturbing questions: was this a random attack or does someone have a vendetta against the homeless? For coroner Martha Gunn establishing the man's identity is essential but there are no clues. Who is he? What was he doing in the grounds of a Shropshire beauty spot? As the mystery deepens the need for answers becomes increasingly important. Can Martha and Alex solve the puzzle?
