Morris,Gregory DL Morris,Rachel E. Pollock,2021-09-30 A History of the Theatre Costume Business is the first ever comprehensive book on the subject as related by award winning actors and designers and first hand by the drapers tailors and craftspeople who make the clothes that dazzle on stage Readers will learn why stage clothes are made today by whom and how They will also learn how today s shops and ateliers arose from the shops and makers who founded the business This never before told story shows that there is as much drama behind the scenes as there is in the performance famous actors relate their intimate experiences in the fitting room the glories of gorgeous costumes and the mortification when things go wrong while the costume makers explain how famous shows were created with toil tears and sweat and sometimes even a little blood This is history told by the people who were present at the creation some of whom are no longer around to tell their own story Based on original research and

first hand reporting A History of the Theatre Costume Business is written for theatre professionals actors directors producers costume makers and designers It is also an excellent resource for all theatregoers who have marveled at the gorgeous dresses and fanciful costumes that create the magic on stage as well as for the next generation of drapers and designers

Jugendstil Women and the Making of Modern Design Sabine Wieber,2021-10-21 Jugendstil that is Germany's distinct engagement with the international Art Nouveau movement is now firmly engrained in histories of modern art architecture and design Recent exhibitions and publications across the world explored Jugendstil's key protagonists and artistic centres to firmly anchor their activities within the trajectories of German modernism Women however continue to be largely absent from these revisionist accounts Jugendstil Women and the Making of Modern Design argues that women in fact actively participated in the cultural and socio economic exchanges that generated German design responses to European modernity By drawing on previously unpublished archival material and a series of original case studies including Elsa Bruckmann's Munich salon the Photo Studio Elvira and the Debschitz School the book explores women's important contributions to modern German culture as collectors consumers critics designers educators and patrons This book offers a new interpretation of this vibrant period by considering diverse manifestations of historical female agency that pushed against historically entrenched conventions and gender roles The book's rigorous approach reshapes Jugendstil historiography by positing women's lived experiences against dominant ideologies that emerged at this precise moment In short the book advocates women as an integral part of the emergence dissemination and reception of Jugendstil and questions the deeply gendered histories of this key period in modern art architecture and design

Ethnicity, Commodity, In/Corporation George Paul Meiu, Jean Comaroff, John L. Comaroff, 2020-08-04 In the economics of everyday life even ethnicity has become a potential resource to be tapped generating new sources of profit and power new ways of being social and new visions of the future Throughout Africa ethnic corporations have been repurposed to do business in mining or tourism in the USA Native American groupings have expanded their involvement in gaming design and other industries and all over the world the commodification of culture has sown itself deeply into the domains of everything from medicine to fashion Ethnic groups increasingly seek empowerment by

formally incorporating themselves by deploying their sovereign status for material ends and by copyrighting their cultural practices as intellectual property Building on ethnographic case studies from Kenya Nepal Peru Russia and many other countries this collection poses the question Does the turn to the incorporation and commodification of ethnicity really herald a new historical moment in the global politics of identity
