Handguns and Freedom

Joe Pierre,2002-12 Of what good are the freedoms spelled out in the Bill of Rights if the people lack the power to enforce them As Thomas Hobbes Noted in 1651 in his book Leviathan Covenants without the Sword are but Words and of no strength to secure a man at all The attempts by liberal forces in this country in the last few decades to deprive the American people of their private firearms and thus to deny them their constitutionally guaranteed right to own and carry private means of self defense is an old and infamous pattern of conduct dating back centuries a common practice of tyrants If the people do not resist this effort we are in dire danger of losing not only our other freedoms which are enumerated in the Bill of Rights but also the blessings of liberty which the Preamble proclaimed was one of the main goals of the government established by that document This book is intended to serve as an alarm both to the well meaning but misled who are unwittingly being used by sinister forces who would destroy our freedoms but also for those who are oblivious to the battle for the palladium of our freedoms the Second Amendment to the Constitution

Handbook of Handguns

Jeffrey Strickland,2013-04-25 In light of the 2nd Amendment debates shooting may become the national passtime To act responsibly within the 2nd Amendment means knowing how to properly bear arms Knowing involves understanding firearm types firearm operation ammunition internal ballistics and shooting These require training especially shooting Whether you own or plan to own a handgun for recreation competition or self defense training is of the utmost importance When you fire a projectile bullet from a firearm you are responsible for where it goes You need to understand how fast it travels how far it can travel and how accurate your firearm is in delivering the projectile to your intended target Yes bearing arms is a right but not one to be taken lightly Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting

The Colt 1911 Pistol

Leroy Thompson,2011-05-03 First used in combat during the Punitive Expedition into Mexico and then extensively during the world wars the Colt Government Model 1911 pistol remained the standard issue handgun in the US armed forces for nearly 80 years and has continued in service with some units to this day In fact the M1911 has seen a resurgence amongst US Special Operations units as US Marine MARSOC and MEUSOC personnel are issued current generation 1911 type pistols In addition the pistol has seen service with famous law enforcement agencies such as the Shanghai Municipal Police LAPD Swat and Texas Rangers Nearly a century after its introduction the M1911

pistol remains a popular design and is now produced by virtually every major firearms manufacturer doing business in the USA
