The People's Tycoon Steven Watts, 2009-03-04 How a Michigan farm boy became the richest man in America is a classic almost mythic tale but never before has Henry Ford s outsized genius been brought to life so vividly as it is in this engaging and superbly researched biography The real Henry Ford was a tangle of contradictions He set off the consumer revolution by producing a car affordable to the masses all the while lamenting the moral toll exacted by consumerism He believed in giving his workers a living wage though he was entirely opposed to union labor He had a warm and loving relationship with his wife but sired a son with another woman A rabid anti Semite he nonetheless embraced African American workers in the era of Jim Crow Uncovering the man behind the myth situating his achievements and their attendant controversies firmly within the context of early twentieth century America Watts has given us a comprehensive illuminating and fascinating biography of one of America s first mass culture celebrities Marian with the Flaxen Hair Donald Sinclair, 2012-03-02 Howard a young journalism student is just scraping through life at Wayne State University after the Army using all the tricks he can conjure to get money Then he meets Marian Herbaugh as new classes begin and his life is never the same Marian is a wealthy Grosse Pointe girl who had been at college in New York until her father had a heart attack She came home to be with her family

during her fathers final days But the fathers illness stretched on and when the fall term began Marian enrolled at Detroit's working class university Wayne State Marian met Howard Keck in Contemporary American Literature From the first date both were smitten with one another there was no going back But the dark abyss of their opposing economic backgrounds was waiting From the onset Marian's father after learning of his daughter's affection for Howard manages to recover from his heart malady and sets a course to drive a wedge between the two lovers The father is ruthless and he has only one rule win no matter what the cost He goes to his silent business partner Aschenbrenner for help and a sinister plan to crush Howard is launched Marian at the mercy of a determined father listens to his condemnation of Howard and his future ability to make money to support her lifestyle She wavers A new suitor is quickly found for Marian a man who meets all the criterion of the father And once the marriage proposal is made Howard is out He wanders to Florida seeking relief from his loss and is successful in being hired at Fort Lauderdale Newspaper He becomes involved with people in the anti Castro movement Marian who becomes aware she has made a mistake in her hasty marriage wants to be free again and contacts Howard to help her Howard returns to Michigan and the two are united But Marian's father continues his campaign against Howard and is determined to salvage his daughter's marriage When the father urges the husband to take action it results in an unexpected series of events no one expected Cat Purple in Grosse Pointe J. Honk If You Love J. Edgar Hoover Allyn Baskerville,Bill Gillespie,2002-10-15 Not since The F B I Story a book authored by Don Whitehead in the 1950s which spawned a successful motion picture starring Jimmy Stewart has an updated version of the career of an F B I agent been written The work has changed considerably since the publication of that book Although Mr Whitehead's version was somewhat void of humor the authors of this book have taken the liberty to include some of those humorous occurrences which surfaced throughout their careers **Gilda Joyce: The Bones of the Holy** Jennifer Allison,2011-06-09 When Gilda Joyce's mother announces her engagement to a man from St Augustine Florida Gilda is appalled She hasn't even given him the Joyce Family Application yet But as the wedding preparations get under way Gilda realizes she has much bigger concerns Why does her soon to be stepdad keep calling Mrs Joyce by his ex wife's name And why is Mrs Joyce acting like she's possessed With only a few short days before her mother says I do Gilda knows this much for sure it's going to take every ounce of her sleuthing skill and psychic savvy to solve this one **The Power of the Unconscious** Rogene A. Buchholz,2022-07-12 By the time I graduated from high school I had so many things buried and tucked away so much anger rage hatred fear sorrow grief and pain that I could not dare to get close to anyone including myself as I could not tap into my emotional and intellectual potential As the years went on I had to build armor plating around these feelings as if they ever got out I would be overwhelmed and I do not know what would have happened to me So they stayed buried but that doesn't mean they did not influence my behavior These feelings produced some completely unconscious motivations that affected my decision making if you can call it that regarding career and marriage The problem

was that I kept making decisions and pursuing fantasies that did not work in my best interests and thus I was mired in a life that had reached its end when I was almost 40 years old Something had to change and I eventually sought out psychotherapy that brought those feelings to the surface and the unconscious motivations that went with them and only then did I have the capacity to make decisions about a career that I made something of a success of and married a person for love rather than some other neurotic reason It took three years of therapy on two different occasions to get this all out and deal with those feelings that I thought I had buried but in reality were determining the decisions I was making The power of the unconscious is real and is not something to be ignored This this book is my story of how I came to have all these buried feelings and fantasies and how eventually I was able to bring them to the surface and lead something of a normal life Hopefully this story might inspire others who feel they are at a dead end in their lives and can't seem to make decisions that work for them While I am not a professional in the area and thus can't give a professional opinion about people's psychological health it also is hard for me to believe that my experience can be all that unique It may be that others too are under the power of the unconscious and have buried feelings that therapy can help uncover and give them greater degrees of freedom over their lives If this book can help even one person to experience a more fulfilled and rewarding life it will have been worth writing
