**Guardians of the Far Frontier** Lily Hoshino, 2025-03-04 An aristocrat named Ashath has been assigned to a quiet post called the guardian of the outer shell a security force for the elite far from the castle Ashath was left behind after his unit was wiped out in a battle Regretting his situation as the lone survivor his dreams are full of nightmares of that battle He then meets Durant a foul mouthed sorcerer who removes the nightmares with his magic Durant also may be falling for Ashath

**The Far West (Frontier Magic, Book 3)** Patricia C. Wrede, 2012-10-01 From 1 New York Times bestselling author Patricia C Wrede the fantastic conclusion to her tale of magic on the western frontier Eff is an unlucky thirteenth child but also the seventh daughter in her family Her twin brother Lan is a powerful double seventh son Her life at the edge of the Great Barrier Spell is different from anyone else s that she knows When the government forms an expedition to map the Far West Eff has the opportunity to travel farther than anyone in the world With Lan William Professor Torgeson Wash and Professor Ochiba Eff finds that nothing on the wild frontier is as they expected There are strange findings in their research a long prairie winter spent in too close quarters and more new species magical and otherwise dangerous and benign than they ever expected to find And then spring comes and the explorers realize how tenuous life near the Great Barrier Spell may be if they don t find a way to stop a magical flood in a hurry Eff s unique way of viewing magic has saved the settlers time and again but this time all of Columbia is at stake if she should fail

**Gender and Generation on the Far Western Frontier** Cynthia Culver Prescott, 2022-05-10 As her family traveled the Oregon Trail in 1852 Mary Ellen Todd taught herself to crack the ox whip Though gender roles often blurred on the trail families quickly tried to re establish separate roles for men and women once they had staked their claims For Mary Ellen Todd who found a secret joy in having the power to set things moving this meant trading in the ox whip for the more feminine butter churn In Gender and Generation on the Far Western Frontier Cynthia Culver Prescott expertly explores the shifting gender roles and ideologies that countless Anglo American settlers struggled with in Oregon s Willamette Valley between

1845 and 1900 Drawing on traditional social history sources as well as divorce records married women's property records period photographs and material culture Prescott reveals that Oregon settlers pursued a moving target of middle class identity in the second half of the nineteenth century Prescott traces long term ideological changes arguing that favorable farming conditions enabled Oregon families to progress from accepting flexible frontier roles to participating in a national consumer culture in only one generation As settlers children came of age participation in this new culture of consumption and refined leisure became the marker of the middle class Middle class culture shifted from the first generation's emphasis on genteel behavior to a newer genteel consumption This absorbing volume reveals the shifting boundaries of traditional women's spheres the complicated relationships between fathers and sons and the second generation's struggle to balance their parents ideology with a changing national sense of class consciousness

With special reference to Tibet **FSpaceRPG Far Frontiers Aethros** Martin Rait,2018-01-01 This supplement presents an entire uninhabited system ripe for exploration and colonisation on the edge of human space The book presents full specifications and gaming maps of every major world and large moon in the system 14 maps in all Includes a terrestrial world and a terrestrial snowball to explore Become the first explorers to investigate new life and terrain find new resources and potentially become one of the founding fathers of a new world Background of the outpost exploration can be adapted to any game Specific details regarding spacefaring alien encounters at this world and some future history tidbits are more grounded in FSpaceRPG but still can be adapted as appropriate to your campaign universe

### **1976 Patterns of Foreign Travel in**

**the U.S.** United States Travel Service,1978 The Far Reaches of Empire John Grenier,2008 The Far Reaches of Empire chronicles the half century of Anglo American efforts to establish dominion in Nova Scotia an important French foothold in the New World John Grenier examines the conflict of cultures and peoples in the colonial Northeast through the lens of military history as he tells how Britons and Yankees waged a tremendously efficient counterinsurgency that ultimately crushed every remnant of Acadian Indian and French resistance in Nova Scotia The author demonstrates the importance of warfare in the Anglo French competition for North America showing especially how Anglo Americans used brutal but effective measures to wrest control of Nova Scotia from French and Indian enemies who were no less ruthless He explores the influence of Abenakis Maliseets and Mi'kmaq in shaping the region's history revealing them to be more than the supposed pawns of outsiders and he describes the machinations of French officials military officers and Catholic priests in stirring up resistance Arguing that the Acadians were not merely helpless victims of ethnic cleansing Grenier shows that individual actions and larger forces of history influenced the decision to remove them The Far Reaches of Empire illuminates the primacy of war in establishing British supremacy in northeastern North America

### **Far Encounters Hyperion Game**

**& Hellfire Landing** Philip Warnes, 2022-06-18 Welcome to a visual guide to the 300 ton Game class Hyperion Game and Hellfire Landing armed military transport. These are variations on the Bunjiland Flambae class vessels from our Micrond Shipyards 1 supplement. This guide includes overviews of both vessels, orthographic and isometric rendered views of each deck. These ships have 4 decks each, and Hellfire Landing has two decks with variations on those found within Hyperion Game. Included are many renders of the various compartments of the ship as well. A total of 22 views are rendered to give you a feeling for the interior of these vessels. A further 16 exterior views are provided as well as a cut through of the general ship class. Also included are various views of a range of vehicles often marketed by Micrond Shipyards to service these vessels, including a flatbed grav truck, Grav fuel tanker, Grav gantry truck, Small flatbed grav truck, Grav forklift. As an extra bonus, the supplement also contains some of the views as 3D Anaglyph plates for use with red/cyan glasses. There are 10 anaglyph views to enjoy. These ships are designed to evoke a 1960s retro future vibe with a human crew with era-matching clothes. So if you are looking for something a little different, check this product out. The specifications presented in the book are completely game system agnostic but easily mapped to a range of standard science fiction and space opera roleplaying games. **The Old New York Frontier, Its Wars with Indians and Tories, Its Missionary Schools, Pioneers and Land Titles, 1614-1800** Francis Whiting Halsey, 1901 **The Frontier War for American Independence** William R. Nester, 2004 The vicious war on the frontier significantly altered the course of the Revolution. Regular troops, volunteers, and Indians clashed in large-scale campaigns. Bloody fights for land, home, and family. Although the American Revolution is commonly associated with specific locations such as the heights above Boston or the frozen Delaware River, important events took place in the wooded, mountainous lands of the frontier. Changing National Identities at the Frontier Andrés Reséndez, 2005 This book explores how the diverse and fiercely independent peoples of Texas and New Mexico came to think of themselves as members of one particular national community or another in the years leading up to the Mexican American War. Hispanics, Native Americans, and Anglo Americans made agonizing and crucial identity decisions against the backdrop of two structural transformations taking place in the region during the first half of the 19th century and often pulling in opposite directions. *Partition of Africa* Great Britain. Foreign Office. Historical Section, 1920 **Hertslet's Commercial Treaties** Great Britain. Foreign Office, 1907 Morocco's Saharan Frontiers Frank E. Trout, 1969 The Far-Eastern Review, 1912 The Women of the Frontier Pasquale De Marco, 2025-07-06 The Women of the Frontier tells the untold stories of the women who shaped the American frontier. From pioneer women who traveled west in search of a new life to Native American women who fought to protect their land, women on the frontier faced unique challenges and made significant contributions. This book explores the challenges that women faced on the frontier, including economic hardship, physical labor, social isolation, and health risks. Despite these challenges, women on the frontier were resourceful and resilient. They found ways to make a living, raise their families, and contribute to their communities. The book also examines the role that women played in frontier communities.

Women were responsible for a wide range of tasks from cooking and cleaning to farming and ranching. They also played an important role in education and healthcare. In some cases, women even served as leaders in their communities. The book also explores the complex relationship between women and Native Americans. Women from both cultures interacted with each other in a variety of ways, including trade, diplomacy, and marriage. These interactions were often fraught with conflict, but they also led to cultural exchange and cooperation. The *Women of the Frontier* also discusses the legal status of women on the frontier. Women had few legal rights and they were often subject to discrimination. However, some women were able to overcome these obstacles and achieve success in their chosen fields. The book also examines the role that women played in education and cultural expression. Women on the frontier had limited access to education, but they still found ways to educate themselves and express their creativity. They wrote letters, kept diaries, and created works of art. The *Women of the Frontier* also explores the economic roles that women played on the frontier. Women were involved in a variety of economic activities, including farming, ranching, and business. They also played an important role in the development of the transcontinental railroad. The book also examines the role that women played in family life. Women were responsible for raising children and managing the household. They also provided emotional support for their husbands and other family members. The *Women of the Frontier* also discusses the moral values that women held on the frontier. Women were often expected to be virtuous and pure. However, they also had their own ideas about morality and they often challenged the prevailing norms. The book also explores the role that women played in the Civil War. Women served as nurses, aid workers, and fundraisers. They also played a role in the Underground Railroad. The *Women of the Frontier* examines the legacy of women on the frontier. Women's contributions to the development of the United States are often overlooked, but they are no less significant. Women played a vital role in shaping the history of the frontier, and their stories deserve to be told. If you like this book, write a review on Google Books.
