The Grimalkin Almanac in Four Parts - Winter Imeldra Moonpaw, 2018 In a busy present day clowder or settlement we can often lose sight of the more subtle things in life the quiet rustling of the leaves on a summer day the trilling of the nightingale in the bush or the happy gurgling of a stream as it makes its way down to the sea Our whiskers must always be atwilt for the first sign of the turning season may be missed in the hustle and bustle of life the hint of red on the oak leaf a small gathering of swallows at the end of summer and the slight chilly bite on the nose that tells us winter is on the way And so we refer to our books our calendars and our almanacs to prepare for the tasks at paw and take heart that although our existences may change over the course of our lifetimes the activities and responsibilities of living within a community do not and will forever keep our clowders and settlements going So it has been for many thousands of years and will continue for many thousands to come
