Farewell Conch Republic:

Farewell, Conch Republic Hialeah Jackson, 1999 Investigating a murder at the Hemingway Museum in Key West Miami P I Annabelle Hardy and her partner Dave discover that there are almost as many possible suspects on the island as there are tourists The case ultimately leads the pair along with cut throat sea salvagers unscrupulous land developers and even the U S Navy on a wild chase for a Madonna statue lost at sea *Mystery Women, Volume Three (Revised)* Colleen

Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Hemingway's Key West** Stuart B McIver, 2013-05-01

The only place in the United States that Hemingway could really call home after he started writing was the tropical island of Key West During his decade here in the 1930s he acquired his famed macho persona as Papa the biggest Big Daddy of them all This vivid portrait of Ernest Hemingway s Key West reveals both Hemingway the writer and Hemingway the macho hard drinking sportsman His Key West years turned out to be his most productive he finished *A Farewell to Arms* started *For Whom the Bell Tolls* and wrote several other books including *Green Hills of Africa* *Death in the Afternoon* and *To Have and Have Not* He also turned out some of his best short stories There was plenty of time left over for eating drinking fighting fishing chasing women and hanging out with his circle of friends known as the Mob Hemingway spent the last years of his life in Cuba and it was here he overcame several demons accidents failing health depression to write *The Old Man and the Sea* for which he won both a Pulitzer and a Nobel Prize in Literature Filled with photos some of which were not available in the first edition this book also includes a two hour walking tour of Key West and a tour of Hemingway s favorite Cuban haunts This edition also includes a record of the author s exploits in Bimini and Cuba Accompany Hemingway on fishing

expeditions in the Gulf Stream and to Cuba and Bimini aboard his custom built boat Pilar A treat for Hemingway fans

The Alligator's Farewell Hialeah Jackson,1998-12 Some people are like cats living more than one life Before Annabelle Hardy inherited her father's Miami detective agency she was beautiful married and teaching at Yale She's still beautiful but now she's hearing impaired widowed and working side by side with a hot tempered partner oddly named Dave the Monkeyman When a radioactive corpse is discovered and subsequently stolen from an Everglades atomic plant Annabelle and Dave become embroiled in a dark and dangerous nuclear scam *Bowker's Guide to Characters in Fiction* 2007 ,2008-02
