Farewell To The Twentieth Century A Compendium Of The Absurd:

Pierre Berton Brian McKillop, 2011-06-22 The first ever biography of one of Canada's best known and most colourful personalities by an award winning author From his northern childhood on it was clear that Pierre Berton 1920-2004 was different from his peers Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once Berton dominated bookstore shelves for almost half a century winning Governor General's Awards for *Klondike* and *The Last Spike* among many others along with a dozen honorary degrees Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it But he had his critics too and some considered him egocentric and mean spirited Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for *The Spinster* and *the Prophet* Brian McKillop traces Pierre Berton's remarkable life with special emphasis on his early days and his rise to prominence The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures

Farewell to the Twentieth Century Pierre Berton, 1996 In this compendium of the absurd Pierre Berton looks back on some of the fads follies and fancies of his century a period his grandchildren are already calling the Olden Days In close to fifty essays fables and pseudo documents Berton covers a variety of twentieth century customs from modern funeral practices to Hollywood's immutable rules for movie car chases He covers everything from TV talk shows that feature nutty female clairvoyants to James Bond's appalling lack of political correctness He looks into the future and faces up to the problem supersonic airliners will soon have trying to show full length movies on shorter flights His solution show the opening scenes in the airport limousine And he has not neglected what he considers the most absurd phenomenon of the twentieth century the Cold War This is not a tome to be pored over in the study It belongs on the bedside table or perhaps in the bathroom It is ideal fodder for the beach or poolside and an essential alternative for those who find their view of the movie blocked by the flight attendants trying to serve them fish or chicken

Canadian Books in Print. Author and Title Index, 1975 **Farewell My Beloved, Goodbye Dear Leader** Brigitte M.

Wareham, 2024-04-26 The only certainty in life is death Even the most powerful leaders throughout history were unable to cheat the Grim Reaper World leaders whether revered or reviled are rarely allowed to exit gracefully from life but instead receive a state funeral a major international event incorporating splendid symbols and messages religious faith and tradition The body of Tsar Alexander III was carried across half of Russia before finally being buried in St Petersburg People paid obscene amounts of money for a room that gave a glimpse of Queen Victoria s fascinating State funeral The cortege for China s Empress Dowager Cixi was not to be photographed nevertheless photos showed up a century later For political reasons Generalissimo Franco s body was exhumed decades after his death The world became acquainted with a rather unusual ancient Roman Catholic ritual when Pope John Paul I died The body of India s Indira Gandhi was confined to sacred flames

The last journey of Marshal Tito turned into an event of Funeral Diplomacy whilst Khomeini's funeral ended in frenzy and tumult. In 2021 the massive restrictions imposed due to the Covid 19 pandemic meant a rigid downsizing of Prince Philip's funeral; hardly any guests were allowed to attend. This revealing and entertaining book provides an insight into unique obsequies from across the world seen as both a celebration of life and the honouring of death. **The Cambridge Guide to Literature in English** Dominic Head, 2006-01-26 This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the most authoritative and international survey of world literature in English available. The Guide covers everything from Old English to contemporary writing from all over the English speaking world. This new edition has been brought completely up to date with more than 280 new author entries, most of them for living authors. The general reader will find it fascinating to browse and to discover many new writers and works, while students will find it an invaluable resource for daily use. This is a unique work of reference for the twenty-first century that no reader or library should be without. *Goodbye, Dr Banda* Alexander Chula, 2023-05-04 You may never have been, may never go, may never even have heard of the place, but Malawi will repay your attention. It is one of the smallest, poorest countries in Africa, often overlooked, but its relationship with us in the West has been extraordinary. How to engage with cultures profoundly unlike our own? We travel the world compulsively wanting to reach out but seldom feeling sure of how to do so. A small African country presents us with a near-perfect case study. From David Livingstone and the early missionaries through British colonialists to today's tourists, aid workers and even Madonna, Malawi has experienced the whole gamut of Westerners all trying to connect. This has made for an extraordinary meeting of worlds between one of the continent's most fascinating indigenous cultures and the best and worst of our own. Unexpected and exhilarating by turns, edifying and uncomfortable, it is a story with urgent lessons for our vexed age of identity crisis and multi-cultural faltering. Here tribal ritual collides with Ancient Greek theatre, roving classicists with ancestral spirits, poets and pop stars with missionary explorers, hippies and kleptocrats with long-suffering peasants, a tumultuous masquerade around the enigmatic Dr Banda. **Twentieth Century Poetry** Peter Robinson, 2005 Peter Robinson's third book of literary criticism presents a sequence of chapters exploring ways that selves and situations interact and become imaginatively identified with each other in poems. Readings of works by Ezra Pound, Basil Bunting, Louis MacNeice, W.S. Graham, Elizabeth Bishop, Allen Curnow, Charles Tomlinson, Mairi MacInnes, Tom Raworth and Roy Fisher share an interest in how poems can be both attached to and detached from the culture, society and conditions in which they were written. These studies draw out and underline both the ubiquity and elusiveness of the self in the situation of the text. The poems studied here are also discussed as focal points for relations between readerly and writerly selves and their situations in and over time. *Contemporary Literary Criticism Cumulative Title Index 08*, 2008-07 **Canadian Books in Print**, 2003 [Canadian Periodical Index](#)
