

Farewell To Sport

RS Peters

Farewell To Sport:

Farewell to Sport Paul Gallico, 2015-04-07 One of Sports Illustrated's Top 100 Sports Books of All Time A classic collection by one of the twentieth century's most influential sportswriters From 1923 to 1937 New York Daily News columnist Paul Gallico's dispatches from ringside rink side the sidelines and the grandstand were a must read for every American sports fan Where else could one discover what it was really like to box heavyweight champion Jack Dempsey To tee off against golfing legend Bobby Jones To strap on a glove and try to catch Dizzy Dean's ferocious fastball Gallico went where no other reporter dared and for that he earned a permanent place in the pantheon of great American sportswriters alongside Ring Lardner Red Smith and Roger Kahn Then like a pitcher hanging up his cleats after throwing a perfect game Gallico walked away to pursue other authorial interests including the fiction that earned him his greatest renown His parting gift to his devoted readers was *Farewell to Sport* a collection of twenty six of his finest pieces In these bulletins from the golden age of sports Gallico profiles icons such as Babe Ruth Bill Tilden and Gene Tunney He exposes the scripted drama of professional wrestling and the hypocrisy of big time college football And in feats of daring that went on to inspire a whole new school of journalism he sacrifices his pride to meet the greatest athletes of the day on their own turf A brilliant snapshot of a fascinating era in sports history and a masterwork remarkably ahead of its time *Farewell to Sport* is a fitting testament to the legacy of Paul Gallico *Farewell to Sport* Paul Gallico, 1938 *Farewell to Sport. 7th Printing* Paul Gallico, 1950

Mother Jones Magazine, 1976-07 *Mother Jones* is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues *Literary Sports Journalism: Beyond the Boundaries* Tom Bradshaw, 2025-03-12 This book delivers a powerful argument for the centrality of sport in culture exploring how fine sports writing bestows meaning upon the human world *Literary Sports Journalism Beyond the Boundaries* explores the multiple and fertile interconnections between sports writing and mainstream creative writing including the works of Ernest Hemingway Hunter S Thompson Joyce Carol Oates and Martin Amis In so doing it delivers a reappraisal of a number of key writers As such the book aims to unite journalism studies with both literary analysis and philosophy At root it is an inquiry into aesthetics an exploration of the beauty of words the beauty and ugliness of sport and the distinctive beauty that arises when words are used to capture sport Tom Bradshaw argues that it is the writing around sport rather than about sport that is often the most profound perceptive and beautiful and which tells us much about what it is to be human Tunney Jack Cavanaugh, 2009-04-02 Among the legendary athletes of the 1920s the unquestioned halcyon days of sports stands Gene Tunney the boxer who upset Jack Dempsey in spectacular fashion notched a 77-1 record as a prizefighter and later avenged his sole setback to a fearless and highly unorthodox fighter named Harry Greb Yet within a few years of retiring from the ring Tunney willingly receded into the background renouncing the image of jock celebrity that became the stock in trade of so many of his contemporaries To this day Gene Tunney's name is most often recognized only in

conjunction with his epic long count second bout with Dempsey In Tunney the veteran journalist and author Jack Cavanaugh gives an account of the incomparable sporting milieu of the Roaring Twenties centered around Gene Tunney and Jack Dempsey the gladiators whose two titanic clashes transfixed a nation Cavanaugh traces Tunney s life and career taking us from the mean streets of Tunney s native Greenwich Village to the Greenwich Connecticut home of his only love the heiress Polly Lauder from Parris Island to Yale University from Tunney learning fisticuffs as a skinny kid at the knee of his longshoreman father to his reign atop boxing s glamorous heavyweight division Gene Tunney defied easy categorization as a fighter and as a person He was a sex symbol a master of defensive boxing strategy and the possessor of a powerful and occasionally showy intellect qualities that prompted the great sportswriters of the golden age of sports to portray Tunney as aloof This intelligence would later serve him well in the corporate world as CEO of several major companies and as a patron of the arts And while the public craved reports of bad blood between Tunney and Dempsey the pair were in reality respectful ring adversaries who in retirement grew to share a sincere lifelong friendship with Dempsey even stumping for Tunney s son John during the younger Tunney s successful run for Congress Tunney offers a unique perspective on sports celebrity and popular culture in the 1920s But more than an exciting and insightful real life tale replete with heads of state irrepressible showmen mobsters Hollywood luminaries and the cream of New York society Tunney is an irresistible story of an American underdog who forever changed the way fans look at their heroes

Women's Sports Allen Guttman,1991 The subject is rife with social and cultural implications which Guttman explores as he traces the development of women s sports from antiquity to the present including the evolution and the revolution in the 20th century and contemporary controversies

Sporting Magazine ,1845 Don't Stick to Sports Derek Charles Catsam,2023-10-11 A significant examination of how athletes have fought for inclusion and equality on and off the playing field despite calls for them to stick to sports The claim that sports are or ought to be apolitical has itself never been an apolitical position Rather it is a veiled attempt to control which politics are acceptable in the athletic realm a designation intricately linked to issues of race gender ethnicity and more In Don t Stick to Sports The American Athlete s Fight against Injustice Derek Charles Catsam carefully explores this disparity He looks at how throughout recent sports history in the United States minority athletes have had to fight every step of the way for their right to compete and how they continue to fight for equity today From African Americans and women to LGBTQ and religious minorities Catsam shows how these athletes have taken a stand to address the underlying injustices in sports and society despite being told it s not their place to do so While it s impossible for a single book to tell the entire history of exclusion in the sporting world Don t Stick to Sports looks at key moments from the World War I era to the present to shatter the myth of sports as a meritocracy of sports as equalizer highlighting the reality as something far more complicated of sports as a malleable world where exclusion and inclusion are rarely straight forward The Art of Public Writing Zachary Michael Jack,2020-10-28 Today s professionals recognize the need to elevate written communication beyond argument driven

pedantry political polemic and obtuse pontification Whether the goal is to write the next serious work of best selling nonfiction to develop a platform as a public scholar or simply to craft clear and concise workplace communication *The Art of Public Writing* demystifies the process showing why it s not just nice but necessary to connect with those inside and outside one s area of expertise Drawing on a diverse set of examples ranging from Charles Darwin s *On the Origin of Species* to Steven Levitt s *Freakonomics* Zachary Michael Jack offers invaluable advice for researchers scholars and working professionals determined to help interpret field specific debates for wider audiences address complex issues in the public sphere and successfully engage audiences beyond the Corner Office and the Ivory Tower *Baily's Magazine of Sports & Pastimes* ,1885 'Race' and Sport Kevin Hylton,2008-08 Offering a genuinely cutting edge review of critical race theory this book opens the field to a wide readership of students and researchers *From Jack Johnson to Lebron James* Chris Lamb,2016 The campaign for racial equality in sports has both reflected and affected the campaign for racial equality in the United States Some of the most significant and publicized stories in this campaign in the twentieth century have happened in sports including of course Jackie Robinson in baseball Jesse Owens Tommie Smith and John Carlos in track Arthur Ashe in tennis and Jack Johnson Joe Louis and Muhammad Ali in boxing Long after the full integration of college and professional athletics race continues to play a major role in sports Not long ago sportswriters and sportscasters ignored racial issues They now contribute to the public s evolving racial attitudes on issues both on and off the field ranging from integration to self determination to masculinity *From Jack Johnson to LeBron James* examines the intersection of sports race and the media in the twentieth century and beyond The essays are linked by a number of questions including How did the black and white media differ in content and context in their reporting of these stories How did the media acknowledge race in their stories Did the media recognize these stories as historically significant Considering how media coverage has evolved over the years the essays begin with the racially charged reporting of Jack Johnson s reign as heavyweight champion and carry up to the present covering the media narratives surrounding the Michael Vick dogfighting case in a supposedly post racial era and the media s handling of LeBron James s announcement to leave Cleveland for Miami *Sport in a Changing World* Howard L. Nixon,2015-11-30 In a stressful turbulent world sport can be an escape from reality Yet sport actually mirrors the issues and problems of our world today bearing the imprint of powerful forces of social change This book offers a sociological perspective for seeing and understanding the place of sport in society and how it is affected by big business and by demographic cultural organization economic political and technological change Nixon writes vividly of the making and unmaking of heroes and celebrities Throughout he shows how the combined influence of networks of major sports organizations media corporations and corporate sponsors is shaping sport around the world *Strong Like Her* Haley Shapley,2020-04-07 Beautiful and powerful *Strong Like Her* presents the awe inspiring account of women s athleticism throughout history Journalist Haley Shapley takes us through the delightful untold history of female strength to understand

how we can better encourage and celebrate the physical power of women Part group biography part cultural history Strong Like Her delves into the fascinating stories of our muscular foremothers From the first female Olympian who entered the chariot race through a loophole to the circus stars who could lift their husbands above their heads and make it look like a little light housework with a feather duster these brave and brawny women paved the way for the generations to follow Filled with Sophy Holland's beautiful portraits of some of today's most awe-inspiring athletes including Peloton instructor Robin Arzon bodybuilder Dana Linn Bailey actress dancer Patina Miller and many others Strong Like Her celebrates strength in all its forms Illuminating the lives and accomplishments of storied female sports stars whose contributions to society go far beyond their entries in record books Shapley challenges us to rethink everything we thought we knew about the power of women

Introduction to Kinesiology Shirl J. Hoffman, Duane V. Knudson, 2018-10-30 Introduction to Kinesiology Studying Physical Activity Fifth Edition With Web Study Guide gives students a complete overview of the field of kinesiology and explores the common career paths questions and ideas that are part of this dynamic and expanding discipline This engaging four-color introductory text stimulates curiosity about the vast field of kinesiology provides a foundation for students to build on through further study and generates awareness of the long-standing and current issues that kinesiology professionals seek to understand and solve Editors Shirl J Hoffman and Duane V Knudson have retained the book's strong framework and have used feedback from instructors to streamline and condense the text while adding new and updated content The fifth edition features a completely revitalized web study guide that encourages students to apply classroom content to real-world activities and better prepare for exams The web study guide integrates reading assignments with gradable activities so that instructors can better monitor student progress test understanding of key concepts and adjust classroom discussions and pace Additional updates to this new fifth edition include the following Updates to data research and graphics to incorporate the most recent discoveries An increased focus on public health allied health and nutrition and wellness to reflect changes in this dynamic and growing field New Professional Issues in Kinesiology sidebars that look at the issues of equality evidence-based practice expertise and overload as they relate to the field of kinesiology New Kinesiology Colleagues sidebars that introduce role models who demonstrate professional life in kinesiology and its related fields The text features the three-section structure that has always been a strength of this leading introductory textbook Part I examines the diversity of physical activity and kinesiology and summarizes the importance of knowledge gained through physical activity experiences Part II delves into the seven major subdisciplines of kinesiology with an overview of major historical events research methods professional work and application and ideas for career advancement in each Part III elaborates on professionalism and then examines five main areas for career opportunities The extensive and revitalized instructor ancillaries include an instructor guide a test package chapter quizzes a presentation package and an image bank that includes most art and tables from the text Introduction to Kinesiology provides basic and essential information for students

embarking on their study of kinesiology and this updated fifth edition prepares them for future courses and further study

Intersectional Experiences and Marginalized Voices Sarah B. Donley, Melencia Johnson, 2024-02-15 Intersectional scholarship represents a significant cornerstone to the study of the social inequality. This book makes visible the contribution of social scientists to intersectional research analysis and praxis in a diverse sampling of scholarship from across the sociological spectrum highlighting various quantitative and qualitative methodologies. The contributions to this volume show how multiple dimensions of identity intersect with dimensions of power and privilege to shape the opportunities and obstacles that people encounter in their day to day lives. Utilizing a variety of quantitative and qualitative methods, scholars included in this book center: Methods of intersectional research; Marginalized faculty's experiences in the neoliberal university; Victim characteristics of transgender Americans; The effect of immigration and gender status on PhD engineers' earnings; How social capital access is shaped by race and gender status; Latinas' experiences in sports; Trans men's pathways to incarceration. Intersectional scholarship holds significant importance in providing a nuanced understanding of oppression and power dynamics as well as functioning as critical praxis for doing social justice work. This insightful volume will be useful for scholarly readers and researchers in the subject areas of sociology, gender and sexualities studies, race and ethnicity, feminist pedagogy, and criminology. The chapters in this book were originally published in the journal *Sociological Spectrum*.

Introduction to Kinesiology Duane V. Knudson, Timothy A. Brusseau, 2021-10-26 Introduction to Kinesiology: Studying Physical Activity, Sixth Edition, with HKPropel Access gives students a complete overview of the field of kinesiology and explores the common career paths, questions, and ideas that are part of this dynamic and expanding discipline. *Outing: Sport, Adventure, Travel, Fiction*, 1885 *Patriotic Games* S. W. Pope, 1997 As Pope reveals the study of sport's ascension, it offers a unique window into a larger historical process whereby men and women, social classes, and racial and ethnic groups struggled over different versions of not only how to work and play but what to value.
