Elijah A Man Of Like Nature:

Elijah Theodore Herman Epp, 1965 **Elijah: A Man of Like Nature** Theodore H. Epp, 2014-03-04 When the enemy of God brought Baal into Israel like a flood the Spirit of God raised up Elijah against him The Lord used a lowly Tishbite to accomplish His purposes Yet Elijah was as human as the rest of us Where he differed from the average believer was in his single minded devotion to God When God commanded Elijah trusted and obeyed Theodore Epp founder and first Bible teacher on the Back to the Bible broadcast explains that although Elijah was a man of like nature he was also an example of faithfulness to God amidst spiritual apostasy who believers can learn from today **The Life and Legacy of George**

Müller George Müller, Susannah Grace Sanger Müller, Arthur T. Pierson, 2020-12-17 Musaicum Books presents to you this meticulously edited George Müller collection The word of God alone is our standard of judgment in spiritual things the Holy Spirit alone can teach us about our state by nature show us the need of a Saviour enable us to believe in Christ explain to us the Scriptures help us in preaching etc The first evening that I shut myself into my room to give myself to prayer and meditation over the Scriptures I learned more in a few hours than I had done during a period of several months previously But the particular difference was that I received real strength for my soul in doing so George Müller 1805-1898 was a Christian evangelist and the director of the Ashley Down orphanage in Bristol England He cared for 10 024 orphans during his lifetime and provided educational opportunities for the orphans to the point that he was even accused by some of raising the poor above their natural station in British life He established 117 schools which offered Christian education to more than 120 000 The theology that guided George Müller's work was shaped by an experience in his middle twenties when he came to prize the Bible alone as his standard of judgement Müller wrote frequently about the stewardship of money and the non reliance on earthly riches and how God would bless the man who kept to these principles and felt that laying his own experiences bare would prove the truth of his claims His personal income from unsolicited gifts he refused any kind of salary rose from 151 in 1831 to more than 2 000 in 1870 However he retained only around 300 a year for himself and his family the rest he gave away Müller's faith in God strengthened day by day and he spent hours in daily prayer and Bible reading Content Paths to Power The Pursuit of God The Divine Conquest How to be Filled with the Holy Spirit The Root of the Righteous The Knowledge of the Holy **A Believing Behaving Faith:** Dr. John Thomas Wylie, 2015-03-30 This publication A Believing

Behaving Faith is but one in a series of biblical expositions not intended to be an exhaustive study but rather a simple biblical approach that is a practical commentary and reader friendly in content This is a work that would certainly be appreciated by many clergy and laity alike The purpose of any exposition from the Word of God should always be whether spoken or written to guide inspire teach encourage others to Christ and to live for Christ only In this publication James has much to contribute concerning Christian ethics Again and without doubt we should be hearers of the Word We receive the Word but not as believers only but as doers of the Word Not just as believers of the faith but as doers of the faith in our daily walk with Christ

If we truly believe the Word of God then we ought to live a life true and obedient to the Word of God a life acceptable and holy unto God which is our reasonable service a living sacrifice My brothers and sisters read on draw nigh to Christ as he draws closer to you in a more personal and fulfilling way Refer the Bible often and prayerfully as you read the contents of this publication Expect something miraculous and wondrous to take place as you read Live your life in expectancy of even a more blessed abundant life Ask God not only to bless you during and after reading this blessing but also to make you a blessing to others Thank you for supporting this book ministry To God be the glory When asked Why do you write Dr Wylies refers to Habakkuk 2 24 and Ps 97 1112 **Will's Commentary on the New Testament, Volume 10: Hebrews - James**

Cameron,2021-09-09 *Open Your Heart to Nature and Beyond* maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God s presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as

defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field

The General Epistles of St. James and St. Jude Alfred Plummer,1905 Take Care of Yourself Pablo Martinez,2021-12-14 They made me take care of the vineyards but my own vineyard I neglected Song of Songs 1 6b Paul urged Timothy to learn this vital principle when he was still young It contains one of the keys in Christian work If someone in ministry is not all right the quality of their ministry will be affected In Christian ministries it is easy to find workers who never think of themselves While selflessness is a Christlike trait at times we can push ourselves too far leading to the paradigm of stressed and burned out people In order to love God and serve others we often need to be still take a rest and be refreshed This book will help Christians find the balance between ministry and monastery between the urgent work of service and the place of rest and restoration Caring for our own vineyard the talents gifts and emotional resources of our personality is not only a privilege but a duty It is part of good stewardship an act of obedience as disciples of Christ Far from being a sign of a more spiritual attitude neglecting our own needs can be a serious mistake and even a sin
