## **Elisabeth Kaiserin Wider Willen:**

**Sissi's World** Maura E. Hametz, Heidi Schlipphacke, 2018-07-12 Sissi's World offers a transdisciplinary approach to the study of the Habsburg Empress Elisabeth of Austria. It investigates the myths, legends, and representations across literature, art, film, and other media of one of the most popular, revered, and misunderstood female figures in European cultural history. Sissi's World explores the cultural foundations for the endurance of the Sissi legends and the continuing fascination with the beautiful empress, a Bavarian duchess born in 1837, the longest serving Austrian empress and the queen of Hungary who died in 1898 at the hands of a crazed anarchist. Despite the continuing fascination with the beloved Sissi, the Habsburg empress, her impact and legacy have received scant attention from scholars. This collection will go beyond the popular biographical accounts, recountings of her mythic beauty, and scattered studies of her well-known eccentricities to offer transdisciplinary cultural perspectives across art, film, fashion, history, literature, and media.

**The Limits of Loyalty** Laurence Cole, Daniel Unowsky, 2007-11-01 The overwhelming majority of historical work on the late Habsburg Monarchy has focused primarily on national movements and ethnic conflicts, with the result that too little attention has been devoted to the state and ruling dynasty. This volume is the first of its kind to concentrate on attempts by the imperial government to generate a dynastic-oriented state patriotism in the multinational Habsburg Monarchy. It examines those forces in state and society which tended toward the promotion of state unity and loyalty towards the ruling house. These essays, all original contributions and written by an international group of historians, provide a critical examination of the phenomenon of dynastic patriotism and offer a richly nuanced treatment of the multinational empire in its final phase.

**The Courtesan** Alexandra Curry, 2016-09-06 A timeless novel inspired by the legendary real-life Chinese courtesan Sai Jinhua, an extraordinary woman who bridged two worlds in the twilight decades of the Qing dynasty, a tumultuous era of East meets West. The year is 1881. Seven-year-old Jinhua is left an orphan, alone and unprotected, after her mandarin father's summary execution for the crime of speaking the truth. For seven silver coins, she is sold to a brothel keeper and subjected to the worst of human nature. When an elegant but troubled scholar takes Jinhua as his concubine, she enters the close world of his jealous first wife. Yet it is Jinhua who accompanies him as emissary to the foreign devil nations of Prussia, Austria, Hungary, and Russia on an exotic journey to Vienna. As he struggles to play his part in China's early blundering diplomatic engagement with the Western world, Jinhua's eyes and heart are opened to the irresistible possibilities of a place that is mesmerizing and strange, where she will struggle against the constraints of tradition and her husband's authority and seek to find Great Love. Sai Jinhua is an altered woman when she returns to a changed and changing China, where a dangerous clash of cultures pits East against West. As the Boxer Rebellion brews and finally breaks, Jinhua's Western sympathies will threaten not only her own survival but the survival of those who are most dear to her. An authentic and beautifully written portrait of China's relationship with the West, the story of the incredible Sai Jinhua told the way it might have been is not to be forgotten.

Death by Fame Andrew

Sinclair,2024-03-26 A biography of the Empress of Austria a tale of rebellion scandal and murder that paints a vivid tragic picture of nineteenth century European royalty In 1898 anarchist Luigi Lucheni fatally stabbed Elisabeth Empress of Austria on Lake Geneva as she prepared to board a steamer from the Mont Blanc pier Her life had been one of both profound sadness and inspiring perseverance and in its course she set the style for the royal rebels who would follow her including Diana Princess of Wales While still a child Elisabeth was married to the Hapsburg prince Franz Josef heir to the Austrian Empire She gave him three children one of whom Crown Prince Rudolf would later commit suicide at Mayerling Finding the atmosphere of the Austro Hungarian court stifling the increasingly erratic empress traveled incessantly Abandoning her husband to the attentions of the Viennese comic actress Katharina Schratt Elisabeth went on errands of mercy to the docks and slums of London and Liverpool Barcelona and Naples Smyrna and Marseilles She was the despair of local police who could not protect her even though she wore disguises She supported independence movements in Ireland where she hunted superbly alongside her close companion the English cavalryman Bay Middleton and also in Hungary an integral part of her husband s deteriorating empire When Lucheni assassinated the empress he killed the most alluring royal figure of the Victorian age But fame was her real executioner Her celebrity had led to her death Elisabeth had been driven into loneliness until she had lost all sense of reality pursuing a desperate liberty that a confined marriage would never allow her This biography tells her colorful tragic fascinating story A well written thoroughly researched story of a popular and beautiful empress who while self indulgent sought a life of privacy and peace and showed sympathy and charity toward the poor

Kirkus Reviews     [The Body of the Queen](#) Regina Schulte,2006-04-01 How many bodies does a queen have What is the significance of multiple bodies How has the gendered body been constructed and perceived within the context of the European courts during the course of the past five centuries These are some of the questions addressed in this anthology a contribution to the ongoing debate provoked by Ernst H Kantorowicz in his seminal work from 1957 *The King s Two Bodies* On the basis of both textual self presentations and visual representations a gradual transformation of the queen appears A sacred providential figure in medieval and early modern period an ideal bourgeois wife during the late 18th and 19th Centuries and a star like re presentation of royalty during the past century Twentieth century mass media has produced the celebrity and film star queens personified by the contested and enigmatic Nefertiti of ancient Egypt the mysterious Elizabeth Sisi of Austria Grace Kelly as Queen of both Hollywood and Monaco and Romy Schneider as the invented Empress     *The Personal Voice in Biblical Interpretation* Ingrid Rosa Kitzberger,2002-06-01 Reading and interpreting the Bible whether as an ordinary or critical reader has always been strongly influenced by a person s own experience They demonstrate the variety of ways in which the Bible can have meaning for different people The contributors offer challenging new perspectives on the ancient biblical books and individual texts of the Torah the prophets the Gospels Pauline letters and Revelation *The Personal Voice in Biblical Scholarship* contains the original essays of distinguished Jewish and Christian scholars of the Hebrew Bible

and the New Testament from all over the world and a variety of backgrounds

**Popular Historiographies in the 19th and 20th Centuries** Sylvia Paletschek, 2010-12-01 Popular presentations of history have recently been discovered as a new field of research and even though interest in it has been growing noticeably very little has been published on this topic This volume is one of the first to open up this new area of historical research introducing some of the work that has emerged in Germany over the past few years While mainly focusing on Germany though not exclusively the authors analyze different forms of popular historiographies and popular presentations of history since 1800 and the interrelation between popular and academic historiography exploring in particular popular histories in different media and popular historiography as part of memory culture

**Twilight of the Habsburgs** Alan Palmer, 1997-02-12 Presents a biography of the emperor of Austria as well as a history of Europe during his reign

**Cultural Complexes in Europe** Jörg Rasche, Thomas Singer, 2025-03-26 What is going on in Europe The actual conflicts between its nations or states can be traced back to old and revived cultural complexes In this book first compiled in 2016 Jungian analysts explore the cultural identities of their European homelands and nations This is a new approach to old questions What makes a people feel at home How do their traditions and narratives form a cultural Self and identity How do they differ from one another Exploring cultural complexes blends knowledge of history economics sociology anthropology geography psychology religious studies literature and poetry But as every complex is built around an emotional core the study of how cultural complexes live in the psyche is not limited to these disciplines Each author and reader engages in a confrontation with their emotions prejudices and projections The shape that the ideas and feelings of a cultural complex take in the psyche can be inchoate rapidly shifting and yet paradoxically long standing and often quite immune and impermeable to the reason that traditional disciplines of thought would impose on them These cultural complexes do not necessarily provide a coherent or linear sequencing of facts and events because that is not how they actually exist and function in the psyche of individuals and groups At the same time cultural complexes shape what it means to be a citizen of a particular city region or country of Europe This remarkable book is an important read for Jungian analysts and those interested in Europe's historical and cultural development

Elisabeth Brigitte Hamann, 2014-04-07 Elisabeth die sch nste Monarchin der Welt Naiv in die Ehe gestolpert machtlos gegen Schwiegermutter und Rivalin eine Fremde am Wiener Hof Flucht aus den Zw ngen ihrer Rolle immer wieder Reisen und am Ende die verzweifelte Suche nach Sinn Brigitte Hamann gelingt mit ihrem noblen Portr t einer Kaiserin wider Willen eine gl nzende biographische Studie Ihr Buch ist l ngst zum Standardwerk und Welterfolg geworden mit bersetzungen in englisch franz sisch italienisch spanisch ungarisch tschechisch und japanisch sowie Taschenbuchauflagen

**The Crossroads of Civilization** Angus Robertson, 2022-08-02 From the Congress of Vienna to the Austria World Summit the city of Vienna has hosted key meetings on peace to climate action This is a first class book about Vienna as the crossroads of civilization and as the international capital Arnold Schwarzenegger A rich and illuminating history of the world capital that has transformed art culture and

politics Vienna is unique amongst world capitals in its consistent international importance over the centuries From the ascent of the Habsburgs as Europe s leading dynasty to the Congress of Vienna which reordered Europe in the wake of Napoleon s downfall to bridge building summits during the Cold War Vienna has been the scene of key moments in world history Scores of pivotal figures were influenced by their time in Vienna including Empress Maria Theresa Count Metternich Bertha von Suttner Theodore Herzl Gustav Mahler Adolf Hitler Josef Stalin John F Kennedy and many others In a city of great composers artists and thinkers it is here that both the most positive and destructive ideas of recent history have developed From its time as the capital of an imperial superpower through war dissolution dictatorship to democracy Vienna has reinvented itself and its relevance to the rest of the world

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

Sisi Katrin Unterreiner,2005 Austrian Women in the Nineteenth and Twentieth Centuries David F. Good,Margarete Grandner,Mary Jo Maynes,1996 This volume the first of its kind in English brings together scholars from different disciplines who address the history of women in Austria as well as their place in contemporary Austrian society from a variety of theoretical and methodological perspectives thus shedding new light on contemporary Austria and in the context of its rich and complicated history

**From Peoples Into Nations** John Connelly,2022-01-25 This book is a history of East Central Europe since the late eighteenth century the region of Europe between German central Europe and Russia in the East Connelly argues the region for which it is frequently hard to define exact boundaries and which is sometimes treated country by country in a way seemingly separate from the broader trends of European history was one of shared experience despite most of the peoples being divided by linguistic geographic and political barriers Beginning in the 1780s an unwitting Habsburg monarch Joseph II decreed that his subjects would use only German as he hoped to mold a common nationality using German over the disparate subjects Instead he unleashed the energies and struggle for the emergence of new nations that pitted small peoples armed with an idea against empires The author argues that the underlying national self assertion which emerged under imperial rule in the eighteen and nineteenth centuries shows deep connections to subsequent histories to the creation of nation states of the regions after World War I the

failure of democratic rule in these states during the interwar years the submersion of the region under Nazi then Soviet rule after 1939 and to the reinvention of sovereign states and then the break up of two of them after 1989 The book interconnects major themes and country histories for first time chronicling this diverse region over many generations from the time of Joseph through democratic and socialist revolutions genocide and Stalinism through civil society movements struggling for liberal democracy into our own day when illiberal politicians come to power by exploiting very old fears The Battle against Anarchist Terrorism Richard Bach Jensen, 2014 The first global history of the secret diplomatic and police campaign against anarchist terrorism from 1880 to the 1920s *Royal Heirs* Frank Lorenz Müller, 2023-01-12 Against the odds monarchies flourished in nineteenth century Europe In an era marked by dramatic change and revolutionary upheaval Europe's monarchies experienced an unexpected late flowering *Royal Heirs* focuses on the roles and personalities of the heirs to the throne from more than a dozen different dynasties that ruled the continent between the French Revolution and the end of the First World War The book explores how these individuals contributed to the remarkable survival of the crowns they were born to wear Constitutions family relationships education politics the media the need to generate soft power and the militarisation of monarchy all shaped the lives of princes and princesses while they were playing their part to embody and secure the future of monarchy Ranging from Norway to Spain and from Greece to Britain *Royal Heirs* not only paints a vivid picture of a monarchical age but also explores how such disparate monarchies succeeded in adapting to change and defending their position *The Hungarians* Paul Lendvai, 2004-08-08 *The Hungarians* is the most comprehensive clear sighted and absorbing history ever of a legendarily proud and passionate but lonely people Much of Europe once knew them as child devouring cannibals and bloodthirsty Huns But it wasn't long before the Hungarians became steadfast defenders of the Christian West and fought heroic freedom struggles against the Tatars 1241 the Turks 16 18th centuries and among others the Russians 1848 49 and 1956 Paul Lendvai tells the fascinating story of how the Hungarians despite a string of catastrophes and their linguistic and cultural isolation have survived as a nation state for more than 1 000 years Lendvai who fled Hungary in 1957 traces Hungarian politics culture economics and emotions from the Magyars dramatic entry into the Carpathian Basin in 896 to the brink of the post Cold War era Hungarians are ever pondering what being Hungarian means and where they came from Yet argues Lendvai Hungarian national identity is not only about ancestry or language but also an emotional sense of belonging Hungary's famous poet patriot Sándor Petöfi was of Slovak descent and Franz Liszt felt deeply Hungarian though he spoke only a few words of Hungarian Through colorful anecdotes of heroes and traitors victors and victims geniuses and imposters based in part on original archival research Lendvai conveys the multifaceted interplay on the grand stage of Hungarian history of progressivism and economic modernization versus intolerance and narrow minded nationalism He movingly describes the national trauma inflicted by the transfer of the historic Hungarian heartland of Transylvania to Romania under the terms of the Treaty of Trianon in 1920 a trauma that the passing of years has by no

means lessened The horrors of Nazi and Soviet Communist domination were no less appalling as Lendvai's restrained account makes clear but are now part of history An unforgettable blend of eminent readability vibrant humor and meticulous scholarship The Hungarians is a book without taboos or prejudices that at the same time offers an authoritative key to understanding how and why this isolated corner of Europe produced such a galaxy of great scientists artists and entrepreneurs

Darling Queen - Dear old Bones Emerentia Heuven-van Nes, 2025-10-01 This book presents a remarkable collection of letters from Queen Wilhelmina of the Netherlands 1880-1962 and her governess Elizabeth Saxton Winter 1855-1936 an Englishwoman The earliest letters are those of a child sent to Miss Winter when she was on holiday in England but after Wilhelmina's education was finished in 1896 and she had no more need of a governess she continued to write to Winter weekly Her long letters cover a wide range of subjects including her perspective on people and events encounters with famous individuals kings and emperors but also sad times and loneliness her belief in the Almighty and above all her development to her role as queen her inauguration was in 1898 and the high seriousness with which she regarded her duties The resulting volume offers unprecedented insight into her life as child of her mother queen regent Emma as queen as wife of prince Hendrik and as mother of princess Juliana
