Elite-Mass Relations in Communist Systems Daniel N. Nelson,1988-06-18 Adaptation And Transformation In Communist And Post-communist Systems Sabrina Petra Ramet,2019-03-04 This book tackles different aspects of the adaptive and transformative process in communist and post communist systems in Eastern Europe offering competing models which locate the explanatory variable in different places and account for the unfolding of change in different ways

Perspectives On Development In Mainland China King-yuh Chang, 2019-05-28 The contributors to this book explore a variety of issues concerned with mainland China's political processes military structure and economic development among them changes in both the ideological superstructure and the organizational base of Chinese politics the problem of succession military strategies and civil military relations the use o China's New United Front Work in Hong Kong Sonny Shiu-Hing Lo, Steven Chung-Fun Hung, Jeff Hai-Chi Loo, 2019-07-15 This book explores the dynamics of China's new united front work in Hong Kong Mainland Chinese penetrative politics can be seen in the activities of local pro Beijing political parties clans and neighborhood associations labor unions women and media organizations district federations and some religious groups However united front work in the educational and youth sectors of civil society has encountered strong resistance because many Hong Kong people are post materialistic and uphold their core values of human rights the rule of law and transparency China s new united front work in Hong Kong has been influenced by its domestic turn toward hard authoritarianism making Beijing see Hong Kong s democratic activists and radicals as political enemies Hong Kong s one country two systems is drifting toward one country two mixed systems with some degree of convergence Yet Taiwan and some foreign countries have seen China's united front work as politically destabilizing and penetrative This book will be of use to scholars journalists and observers in other countries seeking to reckon with Chinese influence Succession in the Soviet Union, Eastern Europe, and China Martin McCauley, Stephen Carter, 2016-07-08 First Published in 1986 The papers in this volume were originally delivered at a series of seminars held at the School of Slavonic and East European Studies University of London between January and May 1984 The inspiration for the scheme was the Soviet succession struggle of 1982 but further reflection indicated that the problem of elderly leaderships and the apparent absence of legitimate succession mechanisms applied to nearly all communist systems History of Humanity UNESCO, 2008-12-31 This is the seventh and final volume in this comprehensive guide to the history of world cultures The East European Economy in Context David Turnock, 2003-09-02 Since 1989 the former throughout historical times communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In The East European Economy in Context Communism and Transition David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism The East European Economy in Context provides Political profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change

**Developments in Soviet Politics** Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06 Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is amerging and an analysis of the future prospects of the Gorbachev revolution **Encyclopaedia of Soviet Life** Ilva Zemtsov, 2017-09-08 A by product of the amazing changes now taking place within the Soviet Union is a change in rhetoric no less than reality Under Gorbachev the Russian language has been changing parallel with novoe politichaskoe myshenie new political thinking with the effect that such new expressions as have flooded the Russian language clash with the less yielding realities of Soviet economy and society The purpose of this volume is to clarify this dynamic in Soviet life in which stagnation and decay confront hopes and expectations for liberalization Zemtsov argues that the Soviet political language is self contradictory fractured into polarities of good and evil and thus depriving the Russian language of its basic subtlety coherence and inner logic This work brings to life the Orwellian world of double speak in a post totalitarian environment The Soviet language has two basic components fictions which Communist ideology proclaims as reality and realities that are portrayed in the guise of fictions In this sense Zemtsov undertakes to do for the Soviet language what the great H L Mencken achieved for the American language show the reality of Soviet life by making plain the fictive qualities of Soviet ideology This is a basic library reference work a volume of indispensable utility for political scientists area experts and policy analysts It offers a taxonomy enriched by a deep personal knowledge of the Russian language by its author Encyclopedia of Soviet Life is at one and the same time a basic primer of Soviet contemporary politics a deep portrait of the psychology of totalitarian manipulation and a sensitive appreciation of the nobler aspirations of the Russian people that is part and parcel of their great language The Second Generation of Democratic Elites in Central and Eastern Europe Janina Frentzel-Zagórska, Jacek Wasilewski, 2000 Comparative Government Introduction J. Blondel, 2014-01-27 First published in 1995 Routledge is an imprint of Taylor Francis an informa company China's Leaders Cheng Li,2001-02-28 Who will govern China at the dawn of the twenty first century What are the social backgrounds and career paths of the new generation of leaders How do they differ from their predecessors in their responses to perplexing economic and sociopolitical challenges Drawing upon a wealth of both quantitative and qualitative data on the so called fourth generation of leaders those who were young during the Cultural Revolution Cheng Li sheds valuable light on these key questions He shows that this group is more diversified than previous generations of CCP leaders in formative experiences political solidarity ideological conviction and occupational background The author explores the contradictions between political leaders and non elite peers in the same generation those approaching middle age who were barred from education during the Mao era and now often are unemployed and

disenchanted with the government The book concludes with the intriguing notion that this generation of leaders may have a better understanding of its peers needs and concerns and therefore may make the regime more accountable to its people Routledge Library Editions: China Under Mao thus contributing to rather than opposing democratic development Various, 2021-06-23 This 13 volume collection of previously out of print titles reissues some key works in the study of Mao Zedong's huge influence on China its politics economics and development into the power that it is today Foreign policy the Cultural Revolution the fate of opponents Chinese Marxist thought all are covered here and more in this essential reference **Beyond the Rhetorics of Compliance** Anitta M. Hipper, 2015-04-20 Anitta M Hipper examines to what extent and under what conditions the EU s transformative power met with resistance in Romania The book touches upon a raw nerve for most post communist societies justice and anti corruption reform Through the use of a context sensitive approach it assesses how domestic factors influenced the implementation of EU conditionality towards Romania from 1990 to 2012 Empirical investigations reveal a struggle between various interested parties in complying with EU conditionality As a result a complex layer of non compliance emerged and it became a Herculean task to ensure the sustainability of reform by reformist forces within Romania and the EU Reform and Reaction in Post-Mao China Richard Baum, 2018-09-18 The decade of the 1980s began in China with great expectations of the societal benefits of modernisation and ended with gunfire in Tiananmen Square This book first published in 1991 presents essays that explore the political and economic reform policies that emerged in post Mao China under Deng Xiaoping In general they conclude that the advent of partial marketization and structural reform tended to magnify structural contradictions rather than solve them Research Methods for Elite Studies George Moyser, Margaret Wagstaffe, 2025-06-30 Elites are crucial groups of people in all but the very simplest societies Whether one is concerned with politics and government the economy or the wider culture and structure of society they are the people who occupy the central positions of influence that in turn enable them to help shape the character and direction of the whole society But who exactly are they and how does one study them In sharp contrast to the ordinary citizenry the methodology for the study of elites was contentious and under developed at the time Originally published in 1987 Research Methods for Elite Studies provided a wide ranging survey of the techniques problems issues and practicalities of elite research These are explored through case studies conducted by a range of experts all personally involved in the field of elite research about which they write Methodology here is not divorced from substance but vividly set in its context by the researchers Research Methods for Elite Studies is directed to all social scientists who seek to understand the working of the powerful in society In particular those concerned with political power with the functioning of social and political institutions with economic enterprises and above all with the diverse variety of leaders in society will find the State and Peasant in Contemporary China Jean C. Oi,1991-08-12 This is a study of peasant state volume essential reading relations and village politics as they have evolved in response to the state s attempts to control the division of the harvest and

extract the state defined surplus To provide the reader with a clearer sense of the evolution of peasant state relations over almost a forty year period and to highlight the dramatic changes that have taken place since 1978 1 have divided my analysis into two parts Chapters 2 through 7 are on Maoist China and chapters 8 and 9 are on post Mao China The first part examines the state s grain policies and patterns of local politics that emerged during the highly collectivized Maoist period when the state closed free grain markets and established the system of unified purchase and sales tonggou tongxiao The second part describes the new methods for the production and division of the harvest after 1978 when the government decollectivized agriculture and abolished its unified procurement program Nationalism And Communism In Romania Trond Gilberg, 2019-04-10 This book analyzes Ceausescu s tools and goals that is party structure and how it was transformed in order to implement Ceausescu's concept of modernization which became interchangeable with the concept of building Rethinking 'Democratic Backsliding' in Central and Eastern Europe Licia Cianetti, James communism Dawson, Seán Hanley, 2020-06-29 This book seeks to inject fresh thinking into the debate on democratic deterioration in Central and Eastern Europe CEE viewing democratic backsliding through the prism of a range of cases beyond Hungary and Poland to redress the imbalance in current scholarship Over the past decade a consensus has emerged that democracy in CEE is sharply deteriorating perhaps even backsliding into new forms of authoritarianism Debate has however so far focused disproportionately on the two most dramatic and surprising cases Hungary and Poland This book reflects on the backsliding debate through the experience of CEE countries such as the Czech Republic Bulgaria Latvia and Estonia as well as neighbouring post communist regions such as the Western Balkans and former Soviet Union cases such as Moldova and Ukraine whose patterns of failing or partial democratisation may be newly instructive for analysing the development of CEE Contributors present less frequently considered perspectives on democratic backsliding in the CEE region such as the role of oligarchisation and wealth concentration the potential of ethnographical approaches to democracy evaluation the trade offs between democratic quality and democratic stability and the long term interplay between social movements state building and democratisation This book was originally published as a special issue of East European Politics **Comparative** Socialist Systems Carmelo Mesa-Lago, Carl Beck, 2010-11-23 The editors have merged work from two disciplines economics and political science in a summary conclusion a sociologist suggests possible extensions in the comparison of socialist systems for the future contributes generously to the field Slavic Review
